

AFTER THE RAIN...THE SHOW MUST GO ON

Symphony of the Americas Concert at Weston Town Center

On Sunday, March 12th, the rain did not stop the show as the Symphony of the Americas prepared to perform for the audience that gathered at Weston Town Center for the popular annual performance. After the rain showers passed and the chairs were toweled dry (with the assistance of Mayor Stermer himself), Artistic Director James Brooks-Bruzzese took the stage and the magic began. Special thanks to the Arts Council of Greater Weston and the Weston Philharmonic Society for their continued partnership to make this hometown favorite event possible.
