

LEARNING THE LAW AND HAVING FUN...

The Weston University Police Services Academy summer program for Weston students ages 11-17 is off to a great start. Deputy Kari Pallotto took students to tour BSO SWAT, aviation and marine units and the program is just underway! The 8-week, hands-on program introduces students to law enforcement and the Broward Sheriff's Office with lectures and field trips that include defensive tactics, DUI/D.A.R.E, crime scene investigations, internet safety, and various tours.
