CITY OF WESTON RECEIVES TOP FIRE PROTECTION RATING

City leaders, administration and Fire officials are thrilled with the recent notification by the Insurance Services Office, Inc. (ISO), that effective May 1, 2015 the City of Weston and the Broward County Sheriff's Office Department of Fire Rescue and Emergency Services will have a Public Protection Classification of 1. This is the highest rating attainable.

Weston becomes one of only 97 cities/departments in the Country to attain a Class 1 rating. Weston did not achieve this accomplishment alone. The stringent criteria were met due to a variety of factors including Weston's contractual relationship with BSO Fire Rescue and Emergency Services, the City's investment in equipment and the City's infrastructure including the water supply and distribution system. The City scored 98.7 out of a possible 105.5 points, which is at the top of the scoring range.

A direct benefit of this Class 1 rating is the likely significant reduction in fire insurance premiums, particularly for businesses and commercial properties.

ISO is the leading supplier of data and analytics for the property/casualty insurance industry. Most U.S. insurers use the Public Protection Classification information as a part of their decision making on offering coverage and the fees charged for the coverage of personal or commercial property insurance.

Use of Weston City Seal without authorization: 165.043 Official county or municipal seal. --The governing body of a county or municipality may, by ordinance, designate an official county or municipal seal. The manufacture, use, display, or other employment of any facsimile or reproduction of the county or municipal seal, except by county or municipal officials or employees in the performance of their official duties, without the express approval of the governing body, is a second degree misdemeanor, punishable as provided in F.
