CITY OF WESTON RANKED AS MONEY MAGAZINE'S TOP 10 BEST PLACES TO LIVE IN AMERICA 2016

The City of Weston has been awarded the prestigious recognition of being ranked **#8** on Money Magazine's 2016 list of Best Places to Live in America, highlighting the best small cities across the country with populations of 50,000-300,000.

This year, MONEY's annual Best Places list looks at the 50 best small cities in the country with top schools, affordable homes, good jobs, and that special something that makes a community a great place to live.

City leaders are ecstatic as this recognition comes on the heels of Weston's July 2015 recognition as Family Circle's Top Ten Best Towns for Families. In 2012, Weston was ranked in Money Magazine's Top 100 list of best small cities at #63.

"The Best Places team crunched thousands of data points in more than 60 categories to land on the 50 finalists, then did on-the-ground reporting in all of them to pick the top 10, and the result is our most comprehensive list yet," says Money editor-in-chief Diane Harris. "Whether someone is actively looking to move or simply curious, every reader should be able to find a place on our list that speaks to them and that they'd be happy to call home."
