ANNOUNCEMENTS

- **A Penny At Work** – You will continue to see information throughout Broward County promoting A Penny At Work. We had an informational slide show overhead earlier. This proposal for two, half-penny surtaxes will appear on the November 8th general election ballot. A half penny is to fund the countywide transportation system and a half penny is to fund your local city improvement projects. The proposal is structured so that both items must pass, or both will fail.

The Transportation Half Penny for Broward County

Anyone who commutes outside of Weston, drives to college, goes downtown, or across the county, knows the frustrations that abound. The half penny for transportation would fund county-wide improvements for enhanced transit options, traffic signal synchronization, county roadways, intersection improvements, senior mobility options and public transportation including buses and rail. Today's mass transit system will not improve without this.

The Infrastructure Half Penny for the Cities

The Infrastructure half penny would go to each of the cities, distributed by population. It would fund the construction of capital improvements to public buildings and facilities, the purchase of equipment and public safety vehicles, local road and transportation projects and improvements (to be coordinated with County transportation projects), pedestrian safety projects, as well as recreation and conservation land acquisition. The projects and infrastructure expenditures are determined by the needs of each community.

Weston has always been proud of the quality of life that is enjoyed by our residents. We have identified almost 300 projects for construction over the next 30 years to maintain the appearance and value of our community including water and sewer improvements, roadway improvements, a new fire station and park in the Bonaventure community, and expansion of the Weston Community Center and improvements to City Parks.

- The City of Weston will continue to showcase the almost 300 proposed projects that **A Penny At Work** will help to fund within our community over the next 30 years here in the Commission Chambers at City Hall during regular business hours through November 8th. Stop

by to learn more about the projects and staff will be available answer questions that you may have.

- The next **Quarterly Residential Bulk Trash Collection** is coming up in October. For single family residences with curbside collection, your collection date is either Wednesday, October 19th, Thursday, October 20th OR Friday, October 21st – whichever is your regular garbage collection day. For Multi-Family Units with Dumpsters: your day is Saturday, October 22nd. Check our website for details.
- As Ms. Herman spoke about earlier, **The Harvest Drive (Children Helping Children)** is hosting multiple projects in the community as we lead up to the Thanksgiving holiday. They will be collecting gently used toys on Saturday, November 5th at Weston Regional Park, outside of the Community Center, from 11 AM until 1 PM, to stock the Harvest Boutique in Western High School where local families in need have the opportunity to select from gently donated goods.
- Enjoy a **Moonlight Movie in the Park** on Saturday, November 5th with the screening of *Zootopia*. The movie begins at 8 PM.
- **Election Day is Tuesday, November 8th**. Early voting is offered from October 24th through November 6th. Please exercise your right to vote.
- **Veterans Day is Friday, November 11th**. City Administrative Offices will be closed on this holiday. All Veterans and their families are invited to attend a special Veterans Day Breakfast at the Weston YMCA. The event will begin at 9 AM. Please pre-register at the Y, or by calling call 954-424-9622.
- Our next meeting will be held on **Monday, November 21st** – there is only one meeting in November and we will be administering the Oath of Office to our newest member of the City Commission to fill Seat 1 on that evening.
- We were very fortunate with **Hurricane Matthew**; however, we shall be reminded that **Hurricane season is active through November 30th**. Let us all be reminded by our most recent rehearsal that we must always stay prepared and hope for the best through the end of the season. Helpful information is available at Westonfl.org/Hurricane.
- Residents are encouraged to sign up for our weekly E-newsletter **Newsday Tuesday**, or visit our Events Calendar on the Weston website at **Westonfl.org/Events** where you will find all of the details about these events and more on our website.
