September 17, 2017 – 9:00 AM

**CITY PARKS:**

**All passive parks are OPEN.** That list includes:

Gator Run, Eagle Point, Indian Trace, Peace Mound, Heron, Country Isles, Windmill Ranch, Town Center Park, Library Park, and Emerald Estates Park.

*It is recommended to use caution in playground areas until the playground sunshades are re-installed as the playground equipment and safety surfacing may become hot.* Be sure that children wear shoes at all times.

**Weston Athletic Parks:**

- **Tequesta Trace Park** is now OPEN.
- **Vista Park** is now OPEN.
- **The Weston YMCA Family Center and the Weston Community Center** will reopen and resume normal operations on Monday, September 18, 2017.
- **The Weston Regional Park fields and courts will remain closed.**

All three of these parks were sprayed for mosquitoes prior to opening.

**The Weston Tennis Center is CLOSED.** Restoration of the clay courts is underway.

**SCHOOLS:** Broward County Public Schools (BCPS) schools and offices will reopen on Monday, September 18, 2017, following Hurricane Irma. All District schools and offices will follow their normal operating schedules.

- **School Buses:** Safety is always the District's highest priority. The BCPS Transportation Department will be operating school buses based on established schedules and routes. Bus routes may be delayed due to in-operable traffic signals or closed roadways. If a school bus stop cannot be reached due to debris, the school bus driver will find the safest, closest area adjacent to the stop to pick-up and drop off students.

**City of Weston Hurricane Irma Community Notification #14 – 9/17/17 9:00 AM**

**Crossing Guards:** BCPS also reached out to municipalities to ensure crossing guards will be in place and to provide heightened police presence to assist walkers navigating any temporary hazardous road conditions that may still exist in their community.

*\*\*\* The City of Weston confirms that its contracted Crossing Guards will be in place and City crews are working over the weekend to clear all school walk routes from hazards that may exist\*\*\**

- **School Breakfasts and Lunches:** BCPS understands that many families are still without power across our community and are dealing with the devastating impacts of Hurricane Irma. To ensure all students have access to healthy meals, the District will provide free breakfasts and free lunches to all students at all schools for the next several weeks. Meal menus may vary by school.
- **Before/After School Care:**  
All before and after school child care housed on Broward County Public Schools campuses will be open during their regular hours beginning on Monday, September 18, 2017.

BCPS continues to provide updates via a variety of communication channels, including the District website ([BrowardSchools.com](http://BrowardSchools.com)), robocalls, social media (Twitter [@BrowardSchools](https://twitter.com/BrowardSchools) and on Facebook ([Facebook.com/BrowardSchools](https://Facebook.com/BrowardSchools)), the free BCPS mobile app, BECON-TV and local media. The District also continues to update its Information Hotline at 754-321-0321.

**MOSQUITO CONTROL** - The Mosquito Control Section of Broward County treats areas of the County based on requests received from residents. To request service online, complete the Mosquito Spray Request Form. Requests can also be made by calling 954-765-4062.
