## TODAY IS... ELECTION DAY! HAVE YOU EXERCISED YOUR RIGHT TO VOTE?

Aside from electing our nation's next president, voters will vote on representatives at the state and local level, as well as **local referendum questions**. City of Weston voters will select a new Commissioner for Seat 1, and will also have an amendment to the City's charter for consideration. [Click here](#) for the details on the City of Weston's election.

### *What are the Local Referendum Questions?*

On the November 8<sup>th</sup> ballot, voters throughout Broward County will find two questions relating to a half-penny sales tax increase to fund city infrastructure projects and a half-penny sales tax increase to fund Broward County transportation projects.

## KIDS VOTING BROWARD

### *At Manatee Bay Elementary School*

The students at Manatee Bay Elementary participated in the Kids Voting Broward mock election. To make the experience meaningful and real for the students, the school and the PTA set up the media center as a polling station and replicated the actual adult voting experience, with ID cards, voting rolls (list of names to be checked off), poll deputies (played by students) and Kids Voting “I voted” stickers.

The students were able to cast their ballot for President of the United States, using their student id, to make it a secure vote. The votes will be counted by the school district’s Technology Department on Tuesday November, 8.

Weston Mayor Daniel Stermer visited with the students as they took part in this civic engagement which will hopefully continue as life-long participation in the democratic process.

## WESTON REGIONAL PARK Parking Lot Resurfacing Project

All parking area surfaces and the asphalt walking/jogging paths within the Weston Regional Park will be milled and paved in a resurfacing project underway within the park.

Residents and visitors will see heavy equipment and trucks staged within areas of the park. The contractor, Weekley Asphalt Paving, Inc., will be phasing the project and working closely with Weston Public Works, Parks & Recreation and the Weston YMCA to minimize or prevent interruption of park or YMCA services. The project currently underway, dependent upon weather, is anticipated to be completed by December 16, 2016.

Included within the project are the installation of tree root barriers, the replacement of damaged curbs and reinstallation of parking and traffic pavement markings. This will be the first time since its opening in 2000, that the entire Regional Park parking lot has been resurfaced.

The Weston Regional Park, is located at 20200 Saddle Club Road, Weston.

## A SALUTE TO VETERANS

***Veterans Day is Observed on Friday, November 11<sup>th</sup>***

Veterans Day is a day to honor all who have served honorably in the United States military, past and present. Please take a moment to pause and give thanks to all of our men and women who have served in uniform, and for those protecting our country today.

## BSO CRIME PREVENTION Visits Weston Hills Movie Night

Deputy Kari Pallotto, BSO Crime Prevention Practitioner with the Weston District, attended the Weston Hills Community Movie Night presented by the community homeowners association in October.

Deputy Pallotto spoke to the crowd about Halloween safety, holiday safety and water safety.

With the upcoming **holidays**, residents are reminded to keep all packages out of sight in the trunk and OF COURSE LOCK YOUR CAR ☺ Another issue of late is people leaving their car key fobs in their vehicle. This will prevent your car from locking AND give thieves access to drive your vehicle away. With visitors arriving from out of town: ensure children are safe and cannot access pools and waterways.

## PLAN FOR A WATER SAFE HOLIDAY

***Tropical weather year-round allows us to enjoy the outdoors in all seasons. If you plan to have family visiting from out of town for the holidays, plan ahead to ensure for all to safely enjoy water activities – from swimming in a backyard pool to beach time or boating.***

Planning a family gathering for the holidays? Having out of town guests during Thanksgiving or Winter Break? Review your water safety plan – especially if you will have children in your home. It's easy for adults to let their guard down during large social gatherings.

### Learn CPR

Because seconds count in a potential drowning situation, it is important to learn CPR. **Free CPR certification courses are offered to all Weston residents by BSO Weston Fire Rescue.** For details, call 954-389-2015.

### Water Safety Tips

#### SUPERVISION

Nothing takes the place of a designated adult to watch the water when children

are in and around pools or lakes. The Water Watcher should be responsible for actively watching the water at ALL times and commit to the task rather than using the time to use the phone, text, or socialize. Resist the urge to put the responsibility on older siblings.

Water Watchers need a break, too. Rotate the duty on to another adult as long as children are playing near the water.

#### BARRIERS

Florida law requires barriers, such as a fence or cover for home pools, (Fla. Stat. § 515.29); however, don't just assume that barriers are working properly or that they are effectively in place.

#### BE PREPARED IN CASE OF EMERGENCY

Think about how you would handle an emergency. Be prepared to call 9-1-1 immediately. Remain calm and take charge in an emergency. Administer CPR as soon as possible.

## WHERE TO FIND PROJECT INFORMATION

Information about City projects can be found on the City's website under the Development Services Department page – even though the projects may originate from another Department like Parks or Public Works. Click on the link in the box to the right to find out more.

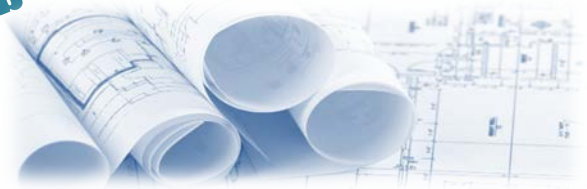

From time to time, projects that have a significant impact on residents or traffic will also be highlighted in the [Happening Now](#) section of the web. This includes projects such as FDOT's 75 Express construction, public meetings on upcoming projects, park improvements, etc.

Read more about some of the current projects highlighted here:

## CITY PROJECTS

The City of Weston website – [www.Westonfl.org](http://www.Westonfl.org) – is filled with information. This series is meant to highlight information that may be of interest to you that you may not be aware that we have provided to you via the web.

If you are curious about projects happening throughout the City, visit this link:

<http://www.westonfl.org/Departments/DevelopmentServices/CurrentProjects.aspx>

On this page, which is found under the Development Services / Planning & Zoning Department, you will find a list of project categories:

- Roadways
- Traffic Signals
- Weston Parks
- BDD Masterplan
- Other Projects

An inquiry into each of the categories will give you an overview of projects in progress. Here's an example:

Regional Park Parking Lot Resurfacing Project	
Location:	Weston Regional Park, 20200 Saddle Club Road, Weston
Description:	milling and resurfacing of the existing asphalt parking lot, root barrier installation, replacement of damaged curbs and reinstallation of parking & traffic pavement markings. There is an option for the addition of milling and resurfacing the existing asphalt walking/jogging path.
Phase:	<input checked="" type="checkbox"/> Design <input checked="" type="checkbox"/> Bid <input checked="" type="checkbox"/> Construction
Completion:	End of December 2016

## SOCIAL MEDIA AND BEING ONLINE A USEFUL GUIDE FOR KIDS AND ADULTS

Children of all ages use the Internet for many things: doing schoolwork, communicating with friends, social media, playing games and more. That's why it's important to help ensure they make good decisions when going online. Here are some talking points to discuss with children regarding computer security.

- Protecting their personal information. Social Security numbers, account numbers, and passwords are examples of information to keep private.
- Watching out for "free" stuff. Free games, ring tones, or other downloads can hide malware. Tell your kids not to download anything unless they trust the source and they've scanned it with security software.
- Using strong email passwords and protect them. The longer the password, the harder it is to crack. Personal information, your login name, common words, or adjacent keys on the keyboard are not safe passwords. Kids can protect their passwords by not sharing them with anyone, including their friends.

In addition, be sure your family computers are protected by reputable security software and use these basic [computer security practices](#).
