THANK YOU COMMISSIONERS GOMEZ AND NORTON

L-R: Commissioner Angel Gomez, Commissioner Toby Feuer, Mayor Daniel Stermer, Commissioner Jim Norton, Commissioner Thomas Kallman

As their current terms in office come to a close, Weston Commissioners Angel Gomez and Jim Norton took a seat at the dais to officiate over their last regular City Commission meeting on Monday, October 17th. Their official last day in office will be November 21, 2016.

Commissioner Gomez was first elected to fill Seat 1 of the Weston City Commission in January 2008. He is an educator at heart, currently the Principal of Piper High School, and will continue to remain active in the Weston community.

Commissioner Norton has represented Weston's seat 3 since he was first elected in November 2010. He has been recognized by the Florida League of Cities for his advocacy for "home rule" and issues important to the City at the state and federal level, and will also remain active within the community.

L-R: Commissioner Gomez, Mayor Stermer

Commissioner Norton

Each Commissioner was presented with a plaque honoring their years of service and dedication to the community as well as personalized commemorative books highlighting the many meetings, events and activities that each participated in throughout the years.

There are not enough words to express our gratitude and appreciation for their years of leadership and selfless devotion and service to the Weston community.

We thank you for your service.

L-R: Commissioner Gomez, Stephanie Gomez, Commissioner Feuer, Mayor Stermer, Commissioner Norton, Candy Norton and Commissioner Kallman

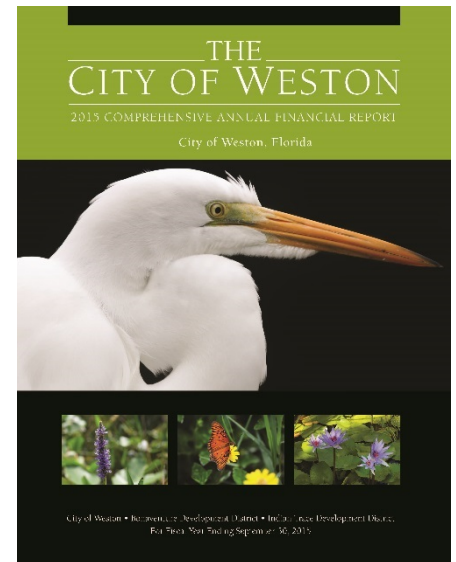

WESTON AWARDED CERTIFICATE OF ACHIEVEMENT FOR EXCELLENCE IN FINANCIAL REPORTING

For the 18th consecutive year, the City of Weston has been awarded the **Certificate of Achievement for Excellence in Financial Reporting** for its comprehensive annual financial report (CAFR) for the Fiscal Year ending September 30, 2015. The award, presented by the Government Finance Officers Association (GFOA) of the U.S. and Canada, is the highest form of recognition in the area of governmental accounting and financial reporting.

CAFR PROGRAM

The GFOA established the Certificate of Achievement for Excellence in Financial Reporting Program in 1945 to encourage and assist state and local governments to go beyond the minimum requirements of generally accepted accounting principles, to prepare comprehensive annual financial reports that evidence the spirit of transparency and full disclosure and then to recognize individual governments that succeed in achieving that goal.

Take a look. Click on the CAFR cover at right to access the document also online at Westonfl.org.

The award was presented to Cindy M. Tao, Accounting Manager but is shared as a collective effort with Dana Sampson, accounts receivable and Ana Rodriquez, accounts payable staff members.

City Manager John R. Flint states, "their collective diligence, dedication and professionalism is a constant source of pride for the City. The City's residents should take great comfort knowing that their tax dollars are accounted for in a manner that meets or exceeds the most stringent industry requirements."

HALLOWEEN SAFETY TIPS FOR CHILDREN AND PETS

Review these safety tips with your children before heading out this Halloween on October 31st. Have a **Spooktacularly** safe and an enjoyable time!

Superheroes, princesses and ghouls will soon take to our streets to begin their quest for tricks or treats! Whether dressing up and trick-or-treating or attending a celebration, autumn events like Halloween can be a fun time for children and their families.

Unfortunately, these events can also present us with numerous dangers. Here are some important safety tips:

- ▶ Provide children with flashlights to carry or incorporate glow sticks as part of their costume. When driving, drive slowly through neighborhoods and pay special attention for pedestrians.
- ▶ Make sure a trusted adult or older child accompanies younger children when trick-or-treating. Never let young children trick-or-treat alone.
- ▶ Tell children to only approach homes that are well lit, both inside and out.
- ▶ Parents should scrutinize the candy and treats children receive. Be on the lookout for choking hazards and tampering. Allow children to eat only factory wrapped treats.

Additionally, Pets can fall victims to mishaps. Here are some important safety tips:

- ▶ Keep your pet secure inside a room as you open and close the front door to pass candy out.
- ▶ Keep lit Jack-O-Lanterns or anything else that's a fire hazard away from pets.
- ▶ DO NOT share any candy with your pets, especially chocolate. Candy is toxic to animals and can cause vomiting, restlessness, heart disturbances and possible death.
- ▶ Be careful dressing your pet in a Halloween costume as it can be a choking hazard or cause stress.
- ▶ Do make sure that your pet is wearing their Broward County pet license on their collar and up to date with all vaccinations.

**IT HAPPENS
IN WESTON**

Recently, two BMW vehicles were stolen from one residential driveway because the key fobs were left in the vehicles.

Don't be the victim of a crime of opportunity!

-Lock your door even if you are stepping away only for a few minutes

-Take your key fob (and keys too!) with you.

[Watch the video for more tips](#)

REMEMBER...

WHERE'S YOUR KEY FOB?

Newer Model Cars Targeted in Key Fob Car Thefts

Many newer model vehicles have keyless fobs that not only open doors, but also start the engine of the vehicle. Drivers can start the car as long as the fob is inside the vehicle. BSO Weston District is urging car owners not to leave their key fobs inside their vehicles. Doing so allows for an easy target for vehicle theft.

Vehicle thefts occur when suspects walk the streets and driveways of neighborhoods and pull on car door handles. If the fob is left in the vehicle, it will be unlocked. If a key fob is within the vehicle, (or sometimes within several feet proximity, such as in a neighboring parked vehicle), the vehicle will start and the suspects will drive off with the car. The key fob does not always need to remain in the car for the vehicle to remain on.

Police warn drivers to leave key fobs in pockets or pocketbooks, not in cars. And as always, report suspicious activity. "If you notice somebody walking the streets or driveways checking door handles on cars, call us immediately," urges Weston BSO Chief Kevin Butler.

FIRE PREVENTION PROGRAMS OFFERED BY BSO FIRE RESCUE WESTON DISTRICT

Smoke Alarm Installation and/or Battery Replacement for Elderly or Disabled persons

The [Broward Sheriff's Office Department of Fire Rescue and Emergency Services Weston District](#) will assist in the install or replace batteries in smoke detectors. Please call 954-389-2015 to arrange an appointment.

Under the direction of the Fire Marshal, the Fire Prevention Branch offers a variety of fire prevention services targeted to commercial, industrial, school, public assembly, health care and multi-residential properties, including:

- Annual **commercial fire inspections** to review commercial properties for fire code compliance. Contact the Broward Sheriff's Office, Fire Marshal's Bureau at 954-831-8210 to schedule an inspection
- **Fire investigation**, which works in collaboration with the Fire Suppression Branch to research fires of suspicious origin
- **Reviews and approves Construction plans** and provides technical services for all new construction and renovation to ensure code compliance prior to issuance of building permits. The review includes fire suppression devices, exits, storage, fire alarm systems and review of storage and manufacturing of hazardous materials.

Are fire extinguishers certified by the Fire Department?

No, fire departments do not certify fire extinguishers. Extinguishers should be taken to a certified dealer.

Fire Prevention Education

Firefighters and staff from BSO Fire Weston District visit schools throughout Weston annually to educate students about fire prevention. Additionally, the *Juvenile Firesetters Intervention Program* which targets prevention methods to at-risk youth, is offered district-wide. For details, contact the BSO Weston administrative office at 954-389-2015.

AFTER THE STORM HAS SAFELY PASSED... Hurricane Preparedness - A Continuing Series

It is important to keep in mind the following after a storm has passed:

- Stay tuned to local media and/or NOAA radio.
- Return to your home or venture outdoors only after local officials tell you it is safe to do so.
- Inspect your home for damage. If your home is unsafe or badly damaged, locate other accommodations. To assist BSO with emergency response priorities, participate in the [Damage Assessment Program](#).
- Beware of fallen power lines. While electricity may be out, service can be restored at any time and lines may become “hot.”
- Avoid driving, if possible. If you must be on the roads, remember that many traffic signals may be inoperative. Treat all intersections as a 4-way stop.

Water treatment safety tips to follow if your water source become contaminated and/or a Boil Water Notice is issued for the community:

1. Begin by filtering water with a coffee filter to remove any solid materials that may be floating in the water.
2. Bring the water to a rolling boil for one minute, then allow the water to cool for 30 minutes.
3. Add 16 drops of chlorine bleach per gallon of water, or 8 drops per 2-liter bottle. The only active ingredient in the bleach should be hypochlorite of a concentration of 5.25% to 6%. Make sure the bleach does not contain any perfumes or soaps.
4. Let water remain standing for thirty minutes.
5. Use the water only if it smells of chlorine. If it doesn't, add another round of drops (16 per gallon and 8 per 2-liter bottle). If you still don't smell chlorine, discard the water and find another source.

Up-to-date information during and following a storm will be posted on our website under “Happening Now” at Westonfl.org or follow us on Twitter [@CityofWeston](https://twitter.com/CityofWeston) for important real-time notices. Information will also be made available on the Weston Cable Channel or AM Radio 1680. If deemed necessary, a CodeRED call will be done to notify Weston residents of important news. Be sure to subscribe to [CodeRed online](#) or by calling 954-385-2000.
