DECLARATION NO. 2020-01**

A DECLARATION BY THE CITY OF WESTON, FLORIDA, DECLARING A STATE OF LOCAL EMERGENCY PERTAINING TO A DISASTER IN THE CITY OF WESTON, BROWARD COUNTY, FLORIDA FOR THE DISASTER KNOWN AS NOVEL CORONAVIRUS DISEASE 2019.

WHEREAS, First, Novel Coronavirus Disease 2019 ("COVID-19") is a severe acute respiratory illness that can spread among humans through respiratory transmission and presents with symptoms similar to those of influenza; and

WHEREAS, Second, in late 2019, a new and significant outbreak of COVID-19 emerged in China; and

WHEREAS, Third, the World Health Organization previously declared COVID-19 a Public Health Emergency of International Concern; and

WHEREAS, Fourth, in response to the recent COVID-19 outbreak in China, Iran, Italy, Japan, and South Korea, the Centers for Disease Control and Prevention (the "CDC") has deemed it necessary to prohibit or restrict non-essential travel to or from those countries; and

WHEREAS, Fifth, on March 2, 2020, Governor DeSantis issued Executive Order 20-51, directing the Florida Department of Health to issue a Public Health Emergency; and

WHEREAS, Sixth, on March 7, 2020, Governor DeSantis directed the Director of the Division of Emergency Management to activate the State of Emergency Operations Center to Level 2 to provide coordination and response to the COVID-19 emergency; and

WHEREAS, Seventh, on March 10, 2020, the Broward County Commission authorized the County Administrator to declare an emergency for Broward County due to COVID-19, and she did so that same day; and

WHEREAS, Eighth, the CDC currently recommends community preparedness and everyday prevention measures be taken by all individuals and families in the United States, including voluntary home isolation when individuals are sick with respiratory symptoms, covering coughs and sneezes with a tissue and disposal of the tissue immediately thereafter, washing hands often with soap and water for at least 20 seconds, using alcohol-based hand sanitizers with 60%-95% alcohol if soap and water are not readily available, and routinely cleaning frequently touched surfaces and objects to increase community resilience and readiness for responding to an outbreak; and

WHEREAS, Ninth, the CDC currently recommends mitigation measures for communities experiencing an outbreak including staying at home when sick, keeping away from others who are sick, limiting face-to-face contact with others as much as possible, consulting with your healthcare provider if individuals or members of a household are at high risk for COVID-19 complications, wearing a facemask if advised to do so by a healthcare provider or by a public health official,
