

Continuous Improvement For Our City

By Mayor Eric M. Hersh

Thank you to all who voted during the March City Commission election. For an off year municipal election, we had a good turnout of 17%, which was one of the highest in the county. With this being the last March election in Weston, I'm hopeful and pretty certain that we will see much higher turnouts in November elections, giving more people a say in Weston's government leadership. Our next municipal election will be held in November 2006.

Congratulations to Commissioner Sharon Cheron and Commissioner Mercedes Henriksson on their election to the City Commission. On behalf of Commissioner Chermak and Commissioner Stermer, I welcome our newest elected officials. I am certain that we will all work well together to make Weston the best it can be.

We want to thank all residents of Weston for their patience as we make improvements to our roads to improve traffic and beautify roadways. We realize the construction can cause delays and inconveniences which we do not take lightly. In

12th Annual Weston Hometown

Pages 29-30

Continuous Improvement For Our City

(continued from cover)

the end, the improvements will move traffic quicker and safer, and will have been worth the short term delays. Arvida Parkway entrances to I-75 are being improved both getting on and off of southbound I-75. Both improvements are badly needed and have been long awaited as permits with the Department of Transportation took some time. We have all the permits now and when the work is complete, the improvements will really help. We also hope you like the improvements along Weston Road - I've heard many positive comments, and I think it's turning out great.

The City is also embarking on a signal timing project to make navigating our streets easier. Over the next few months, our traffic engineers will be mapping out a signal coordination plan which will allow signals to "talk" with each other, and move traffic along more effectively. We realize that as Weston has grown, the challenge to keep cars moving along our streets has been more challenging and we are working hard to keep up.

We are also improving areas around all the schools, adding curbing that will prevent the swales from being torn up, and that will provide for streetside

parking for pick up and drop off of students. At some school areas, such as Country Isles, the work is somewhat more complicated as street improvements are also needed, but we will get to each area and make the needed improvements.

Hopefully you are all checking our website periodically as notices are posted right on the home page, of events and issues such as construction delays. Please make our website, www.westonfl.org, a part of your routine internet surfing and keep informed about your city. You can also find information about the Advanced Cable lawsuit on the website to keep you up-to-date on developments in this important case.

Important city announcements and detailed information on city events, classes, sports registrations and much more is available our radio station, 1680 AM, 24 hours a day. Tune in periodically while driving around Weston and get up to date, real time information.

Finally, please rest assured that with all the traffic issues we are dealing with, the city will continue to vigorously oppose the development of "Davie Commons," which would bring a 2 million square-foot mall across I-75, along with an enormous amount of traffic to Weston.

Please keep in touch.

Eric M. Hersh

What's Inside

L-R: Commissioner Stermer, Commissioner Cheren, Budget Director Michal Szymonowicz, Mayor Hersh, Commissioner Henriksson and Commissioner Chermak.

Award Received for Sixth Consecutive Year

Michal Szymonowicz, Severn Trent's Budget Director for Weston was in a familiar situation at the April 4th City Commission meeting: accepting the Certificate of Achievement Plaque awarded to the City by the Government Finance Officers Association of the United States and Canada.

For the sixth consecutive year, the City of Weston was awarded the Certificate of Achievement for Excellence in Financial Reporting for its comprehensive annual financial report. This certificate is the highest form of recognition in the area of governmental accounting and financial reporting.

City Saves Residents Over \$2 Million by Refinancing Bonds at a Lower Rate

Weston refinanced the \$59 million that remained on an original \$65 million bond issue at a reduced interest rate, saving residents in the Indian Trace Development District (ITDD) area over \$2 million. The original bond was issued in 1997 to pay for the ITDD water management system. The savings will be passed on to the approximately 16,000 property owners in this area, decreasing their annual ITDD assessment by approximately 15% for the upcoming year.

City Commissioners took advantage of an excellent bond market, additionally securing a AAA rating for the bonds, enabling the City to significantly reduce annual debt payments. The bonds were refinanced for 4.34 percent from their original 5.14 percent.

Saving money and lowering taxes...an appealing deal all around.

A Note From The City Manager

John R. Flint

One of the primary obligations of our municipal corporation is to give our residents and businesses the confidence that they are safe and secure here in Weston. Traditionally that is thought of by providing high quality law enforcement and fire rescue services by the men and women of the Broward Sheriff's Office who come to Weston to serve and protect us each and every day; for this we are all very appreciative. Yet there is another security that the City provides which is equally important, and that is our financial security.

Far and away not as exciting a topic as our Parks and Recreation or our Police and Fire activities, our annual audit is however just as essential.

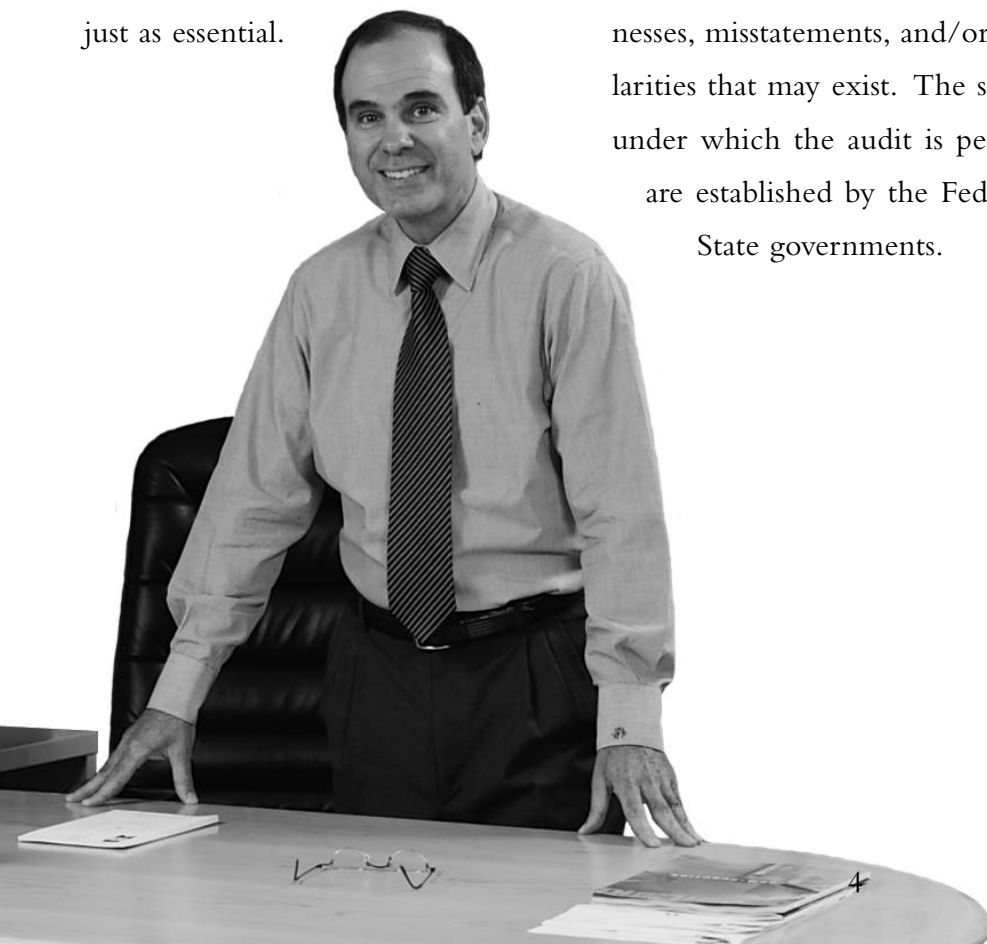

Each year we have an independent audit performed of all of the city's finances, as provided for in the city's Charter and prescribed by Florida law. The law goes so far as to prescribe how the independent auditor is to be selected and hired so as to assure independence and fairness. The City Commission is responsible for the selection and hiring of the auditor who reports to the City Commission, thereby making the auditor independent of city staff.

It is the auditor's job to review the city's financial reporting and internal control procedures, to review the city's transactions with its contracted service providers, both public and private, and to identify any weaknesses, misstatements, and/or irregularities that may exist. The standards under which the audit is performed are established by the Federal and State governments.

This year our audit was performed by the firm of Keefe, McCullough & Co., LLP, Certified Public Accountants, located in Fort Lauderdale. Their work began shortly after the close of our last fiscal year, being September 30, 2004 and was completed in January 2005. A public presentation of the audit was made before the City Commission in March, 2005. In a very concise summary: Everything was in good order.

By having successfully completed this past years' independent audit, our residents and businesses can be confident that the tax dollars they entrust to the city are being accounted for properly, and that the City's finances are indeed safe and secure.

Now, on to more exciting topics....

Lane Closures to Watch for Over the Summer

I-75 Southbound Off-Ramp at Arvida Parkway

A project is underway to remove the merge section of the southbound off-ramp and realign the ramp at almost 90 degrees with westbound Arvida Parkway. A traffic signal will be installed at the new T-shaped intersection and interconnected to the Arvida Parkway signal. Southbound off-ramp traffic will be able to maneuver to the left-turn lanes at Weston Road.

Traffic Signal Mast Arm Cleaning & Painting Program

Watch for temporary lane closures beginning along Arvida Parkway at traffic signal intersections. The citywide traffic signal cleaning and painting program starts at Arvida Parkway and State Road 84. Residents can expect temporary lane closures at signalized intersections as they are painted, between the hours of 9am - 4pm.

You won't hear it on your I-Pod...

Only on 1680AM

Historic Visit to Weston

Famed Tuskegee Airman Ezra M. Hill Visits Tequesta Trace Middle School

It was neither the volume of his voice nor any especially entertaining and clever antics that captivated a room full of students at Tequesta Trace Middle School on February 11th. It was the heartfelt passion that former Tuskegee Airman Ezra Hill expressed and the historic significance of his story that enveloped his young audience.

Ezra Hill told the story of the Tuskegee Airmen: In 1941 after the attack on Pearl Harbor, most of our nation's naval carriers were gone, and the United States had to take to the air to fight during World War II. The U.S. needed trained pilots and African Americans in our armed services desired the opportunity to fly for their country, but it was a time in history when blacks could not participate in the Air Force since at the time, the military was segregated. For this reason, President Franklin Roosevelt was prodded by his wife Eleanor to establish a school where African Americans could learn to fly. A training program was created at the

Tuskegee Institute in Tuskegee, Alabama, and in the very hot summer of 1941, African Americans were given the opportunity they longed for. The Tuskegee Institute had been founded by Booker T. Washington in 1881 and had a strong civilian pilot training program. But even after graduating classes of pilots, the military would not allow African Americans to fly in combat until several years later, when

bomber escorts over Germany were having a 60% fatality rate. It was then that the Tuskegee Airmen were finally given their opportunity to fly in battle.

The Tuskegee Airmen flew 190 missions during World War II with no losses. On the last bomber missions to Berlin to end the war, the government was going to send white pilots to escort the bombers. The bomber crews of the 332nd requested the Tuskegee Airmen and after ten more missions, the war was over. It was 1945.

Ezra Hill came home from the war to segregation. He was an officer in the Air Force but still could not eat in the same restaurant as white people. Inspired by a superior officer, Ezra, who was a high school drop-out, went on to get his diploma, and then a bachelor's degree in Engineering. After he retired from the Air Force, he went on to attain a second degree in Computer Science and went back to work for the government for another 18 years. In 1948, due to the bravery and success of the Tuskegee Airmen, President Harry S. Truman desegregated the United States military.

Tuskegee Airman Ezra Hill visited Tequesta Trace Middle School in celebration of Black History Month with an amazing story of not only personal strength and determination, but one of historic proportions for our county. The faculty of Tequesta Middle presented Mr. Hill with a plaque of appreciation for what he did for our country in World War II and for what he continues to do today to inspire our youth. The advice presented by Mr. Hill this day to the students of Tequesta Trace Middle School - "Don't let anything stand in your way. No matter where you are in your life; no matter what people tell you - you can succeed."

GONE IN THE BLINK OF AN EYE...

15,000 EGGS SCOOPED UP

With several thousand kids and parents on hand for Weston's Annual Egg Hunt in the park, four entire baseball fields filled with eggs were cleared within minutes of the word GO!

It was a colorful occasion, with many children decked out in their spring attire on this sunny afternoon in March,

baskets and buckets in tow, to hunt for thousands of candy-filled eggs. Those lucky enough to collect an elusive golden egg were treated to an extra special surprise, and all participants had a chance to meet the Royal Bunny. Since the eggs disappear so quickly, bounce houses and a DJ provided extended entertainment to those who came out for the morning fun.

Artists Nitin Jayaswal and Margaret Tolbert share samples of their work and their ideas for the new library in Weston

Weston residents meet with Broward County and commissioned artists to provide input on art and design for the new library

The Weston Community Library

To benefit from Public Art & Design

In January, group of enthusiastic Weston residents came out on a rainy evening to meet with officials from Broward County's Cultural Division and the actual artists who have been commissioned to create the public art for Weston's new library. It was an interesting discussion of ideas and opinions, with the artists showing impressive samples of "public art" projects they have created throughout the state of Florida.

The Public Art & Design Program, established in 1976, is dedicated to enhancing the urban environment through the creation of commissioned works of art that create a sense of place, improve the visual environment, and advance the mission of the County.

In April, the Artist Selection Panel met for a design review. Artists Nitin Jayaswal and Margaret Tolbert provided a presentation of their design proposal for the Weston library. They proposed a series of graphic panels affixed near the top of the library's interior columns. The panels would utilize the process of lenticular 3D graphics - whereby adding dimension and motion to the printed imagery and allowing

the eye to simultaneously view alternating sections of two images. As a visitor to the library moved through the space while looking at these panels, the image would "flip" into another image, creating a sense of movement throughout the room.

The panel unanimously voted to approve the conceptual design proposal presented. The artists will now begin the process of collecting the photographs and paintings to be utilized on the 56 panels needed, which will attract the viewer as they move throughout the library. The artists advised staff that their January meeting in Weston had provided them with the information they needed to make their selections: themes of nature, especially the Everglades; history and the spirit of innovation which residents felt typify the development of Weston.

The new Broward County Weston Community Library site is located across from Cypress Bay High School on Bonaventure Blvd. at Vista Park Blvd. Currently construction is on schedule and the library system is looking forward to a possible opening in late fall 2005.

Before: Prior to improvements, Weston Road medians contained some Ligustrums along with sod.

Weston Road Medians Have New Lush Look

The medians running down the center of Weston Road have a lush new look thanks to the completed Median Improvement Project which infused the length of Weston Road with Royal palms, Oaks, Foxtail palms, Jasmine, Juniper, Podocarpus and an array of other plant materials to provide a lushly landscaped exhibition of foliage.

The project was initiated to bring the Weston Road Medians up to par with the landscape standards of medians throughout the rest of Weston. The \$1.3 million five month construction project was completed in April.

After: The new medians contain a wide variety of plant materials and array of landscaped arrangements that span the length of Weston Road from Indian Trace to Griffin Road.

Official City Meetings

All meetings of the City Commission, and the Planning and Zoning Advisory Board, are held in the Weston Community Center, located in the Weston Regional Park at 20200 Saddle Club Road.

View Meetings

- Meetings can be viewed live on the city's website at www.westonfl.org. Archived meetings are also available for viewing.
- City Commission meetings are telecast live over the City's government access channel for cable television subscribers, and are re-broadcast: Tuesday at 9 pm, Wednesday & Thursday at 10 am and 9 pm.

Advanced Cable subscribers tune to Channel #25. Comcast subscribers tune to Channel #78.

Commission meeting agendas are available in both English and Spanish on the City website at www.westonfl.org and can also be viewed on the City's government access cable channel.

A Dog Day Afternoon...

New Dog Park Opens in Markham Park

A grand opening ceremony for the new Broward County dog park facility at Markham Park was held on Thursday, March 17th to an audience packed full of humans, and canines barking at the bit for the opportunity to pounce on the area's newest dog park. After the City of Weston's donation of \$50,000 toward the construction of the facility, Weston City Commissioners were on hand to help cut the ribbon on Broward County's largest dog park.

The new facility occupies 2.73 acres of Markham Park, just outside of Weston at the north end of Weston Road. The dog park has one section reserved for large dogs and another for smaller breeds. Bermuda sod, which provides a smooth and even surface for dogs to run and play on, is utilized throughout the facility. The turf is designed to minimize ticks and fleas.

For owners, wide paths were constructed for walking pets. Three shelters provide rest areas, two with refrigerated drinking fountains and separate fountains for pets, along with a centrally located dog washing area. Kids don't have it much better than this, as canine visitors are welcomed with a variety of colorful equipment to exercise and challenge their agility, such as Dog Logs, Walk-the-Plank, and Limbones.

Located at 16001 West State Road 84 in Sunrise, the dog park will be open during Markham Park's regular hours, 8 a.m. to 6 p.m., and 8 a.m. to 7:30 p.m. during daylight-saving time. Dogs must be at least 4 months old and have proof of current rabies vaccination and license. Rules and regulations are posted at the entrance of the park. For more information, call Markham Park at 954-389-2000.

Summer at the Weston Tennis Center

Upcoming Events:

- June 6 Weston Tennis Center Summer Camp Begins
- June 10 Men's Pro Am Tournament
- June 24 Summer Groove Round Robin and Barbecue
- July 2 Breakfast at Wimbledon Round Robin

SUMMER CAMP AT WESTON TENNIS CENTER

Program includes:

Keep Kids Safe This Summer!

Our kids love summer! No school, staying up late, and all day to play.

Unfortunately, 40 percent of all unintentional injury-related deaths occur from May to August.

The greatest summertime risks include drowning, bike crashes, falls, pedestrian incidents & motor vehicle crashes.

With this in mind, stick to the following safety tips all summer long to make sure kids are safe and happy:

Travel Safe!

- Make sure your kids are secured in the appropriate child safety seat or safety belt for their age and size.
- Kids should always be secured safely in the back seat.
- Call the Weston Police or Fire departments for a safety seat inspection.

Swim Safe!

- Always supervise young children near water, including pools, spas, toilets, bathtubs and buckets of water.
- Insist your children wear personal flotation devices when out on boats, near open bodies of water or participating in water sports.
- Remove toys from the pool when not in use. Toys can tempt kids to return to the water when you're not present.
- Consistently practice sun protection! Kids receive an average of three times more sun exposure than adults.

Play Safe!

- Always supervise your children at playgrounds or in the backyard. Ensure that they are on age appropriate equipment.
- Make sure your kids wear the correct, properly fitted

protective gear when they practice and play team sports!

Walk Safe!

- Never let your child under age 10 cross the street alone. Teach children to obey traffic rules.
- Make sure your kids wear reflective materials, and don't let them walk alone at night. If they must walk at dawn or at dusk, make sure they carry a flashlight.

Wheel Safe!

- Make sure your kids properly wear fitted helmets and other protective gear every time they ride their bikes, scooters, inline skates or skateboards.
- Be sure kids wear light colored clothing or reflective material.
- Teach your children the rules of the road and practice obeying traffic laws with them.

Store Safe!

- Make your house kid-friendly! Summer greatly increases the amount of time your kids spend at home.
- Properly contain and store all medicines, cleaning solutions and poisons where children cannot get to them.

IN CASE OF POISONING CALL 9-1-1 IMMEDIATELY

THEN CALL THE POISON CENTER HOTLINE:

800-222-1222

Attention Parents!

EVERGLADES, GATOR RUN & CHANCELLOR CHARTER

Do you remember those by-gone days of parallel parking? Do you remember how? Well - parents dropping off or picking up students at Everglades, Gator Run and Chancellor Charter Elementary Schools please note, that parking on the street, along the newly curbed swale, IS PERMITTED.

Parents are asked NOT to drive over the curbing and not to park on the grass, which damages the property, and is an ongoing expense to repair.

Please park parallel to the curb at the following locations:

Bonaventure Boulevard near Everglades Elementary, Arvida Parkway near Gator Run Elementary, and Arvida Parkway/Glades Circle near the Charter School

Several More Schools To Get Curbing

In a continued effort to resolve the expense of sod restoration on swale areas and to provide easier drop off and pick up parking access for parents, several more schools will receive curbing to allow for on-street parallel parking:

Manatee Bay Elementary
Falcon Cove Middle, and
Cypress Bay High School

Our contract Engineers have been authorized to begin the design, bidding and construction services for new curbing, drainage and landscaping improvements at these locations.

Recycling Award L-R: Commissioner Stermer, Commissioner Chermak, Mayor Hersh and State Representative Ron Greenstein, Executive Director of the Resource Recovery Board who presented the City the 2004 America Recycles Day Partner City Awards for Most Improved Recycling Program.

Vista park has a lot to offer residents and leagues

The Parks Report

With 12 municipal parks and a tennis center, the Community Services Department is constantly assessing the equipment and fields at every facility. Maintenance, improvements and upgrades are provided to preserve and enhance the superb quality of our Weston parks system. Recent and upcoming improvements include:

Vista Park – Completed and open for use! This \$6 million project, adjacent to Cypress Bay High School is located at 18800 Vista Park Boulevard.

Features include: 4 soccer/football fields, 4 baseball/softball fields, playground, and two concession/restroom buildings as well as sports lighting and parking for 500 vehicles. These fields will provide welcome relief to Weston’s ever increasing demand for sports.

GRAND OPENING EVENT:

Date: JUNE 9, 2005
Time: 6:30pm-8:30pm
Where: Vista Park, 18800 Vista Park Blvd.

Good old-fashioned fun with hot dogs and apple pie. Entertainment and activities: Music, pitching booths, bounce houses, face painting, balloons, fast pitch radar, soccer and more.

Weston Regional Park – Construction of a Roundabout at the park entrance, located at the intersection of South Post and Saddle Club Roads, is complete. The roundabout will increase overall safety, along with providing an aesthetically enhanced entranceway befitting our world-class regional park. We appreciate your patience during construction.

Family YMCA - Located inside the Weston Regional Park, construction is currently underway on this \$7.5 million, 42,000+ square foot facility. As the dust clears, and a beautiful building emerges, completion of the YMCA is anticipated for mid to late summer 2005.

Tequesta Trace Park - Improvements are now complete, which include additional parking, drainage, landscaping and walkways to the nature boardwalk area.

HURRICANE SEASON SAFETY STRATEGY

Hurricane Season begins June 1st and runs through November 30th

Broward County

Hurricane Hotline
954-831-4000

City of Weston

954-385-2000

HURRICANE SAFETY

The only real defense is **PREPAREDNESS**. Below is a checklist of important steps to take and items to have on hand in a Disaster Survival Kit. We would also like residents to ensure that they are registered with the City's **CodeRED** Emergency Notification System (see info in this section), and new for this hurricane season, we want you to be aware that the City's website at www.westonfl.org will provide a listing of registered businesses that are open after a hurricane.

Special Needs Registry - If you are elderly, frail, or disabled and have no method of transportation to local shelters, assistance is available. However, only those individuals that have pre-registered will be eligible for transportation. Do not wait until the last minute. If you qualify or for more information, please call: Broward County Elderly & Veterans Services Division at (954) 537-2888.

HAVE A PLAN

- * Determine escape routes from your home and places to meet and also an out of area person to call, so all family members have a point of contact.
- * Make a plan for what to do with your pets (they cannot be taken to shelters).
- * Make an emergency communication plan for family members. It is very possible that you become separated (due to work or other issues); have a plan for getting back together. Have an out-of-state relative or friend serve as the "family contact", as it is often easier to reach someone long distance after a hurricane hits an area.
- * Post emergency telephone numbers by phones/Do children know when & how to call 911?
- * Check insurance policy now for hurricane and flood damage coverage. Once a Hurricane Watch is issued, insurance companies will not write any new policies or make adjustments to current policies.
- * Document your valuables by photographing/videotaping them. Keep records secure in a safety deposit box or waterproof unit.

WATCHES & WARNINGS

A hurricane watch is issued when there is a threat of hurricane conditions within 24-36 hours.

A hurricane warning is issued when hurricane conditions are expected in 24 hours or less. Hurricane conditions equal winds of 74 miles per hour or greater.

WHEN A STORM IS APPROACHING - Hurricane Watch issued

- * Secure all outside objects. Bring loose objects such as patio furniture, garden tools and planters, inside.
- * Protect your windows. Permanent shutters are the best protection. Plywood panels can be used: 1/2 inch plywood is best, cut to fit each window; mark which board fits which window; Pre-drill holes every 18 inches for screws.
- * Fill vehicle fuel tanks and generators
- * Turn refrigerator & freezer to the coldest setting.
- * Fill bathtubs and any large containers with water for washing, cleaning and flushing toilets, since electric power may go out of service.
- * If your cable is working, tune to channel 25 (Advanced Cable) or channel 78 (Comcast), for up-to-date City information on boil water orders, debris pickup and other related information.
- * **TUNE YOUR CAR RADIO TO 1680AM** for City emergency information, boil water orders and other important notifications such as debris pickup. The 1680 Emergency notification system will be operational even with a power outage for approximately four (4) days.

DISASTER SURVIVAL KIT

Emergency supplies should be adequate to last at least 3 days. A 10-day supply of water, food and medicine is recommended.

Water At least 1 gallon per person for each day.

Food Canned or packaged, pre-cooked foods for 3-7 days / Non-electric can opener

Clothes/blankets Change of clothes/rain gear/shoes/blankets or sleeping bags
Medicines/First Aid Prescription medications, equipment, eyeglasses and first aid supplies
Fire Extinguisher Dry chemical, type ABC
Radio Battery operated with backup batteries
Flashlights And extra batteries and bulbs
Cash Banks and ATM's may not be open for a period of time
Safety/Tools Keep a set of tools with you/trash bags/chlorine/soap/tarp/rope/ broom/pen & paper
Toiletries/Specialty Items Hygiene items/Baby supplies /Moisture wipes/Pet food supplies
Keys

FOR CITY INFORMATION AFTER A STORM:

CodeRED Emergency Notification System: This high-speed telephone notification system will be employed when necessary to notify residents of essential information. Calls received from the CodeRED system come up on caller I.D. as 999-999-9999. If you see this number, please do not disconnect.

Many people change cell phone numbers or move during the year and this is a great time to ensure that our data system has your current contact information.

To Update your Contact Information, please go to: www.westonfl.org Click on either Police, Fire, or Hurricane Info and you will find the link to **CodeRED**

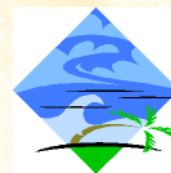

Status of Essential Businesses on Website

The City has designed a data base that allows vital business within the City to post whether they are open or closed after a storm.

Types of Businesses: *Restaurant - Grocery Store - Gas Station - Pharmacy - Banks*

Residents will find this listing on our website Home Page any time a hurricane approaches. As establishments email us their status, they will be displayed as open or closed on the listing.

After Storm
**Weston
Essential
Business Status**

ATTENTION WESTON BUSINESS OWNERS:

RESTAURANTS - GROCERY STORES - GAS STATIONS - PHARMACIES - BANKS

We need your help to assist our residents and your businesses.

Register your business with the City, on-line. **ONLY** essential businesses in the categories of restaurants, grocery stores, gas stations, pharmacies and banks may register. Look for the icon below on the Weston Home Page. It can also be found year-round under Hurricane Preparedness (click on either Police, Fire or Hurricane Information).

Once Registered: After any storm where businesses and services are shut down, just E-mail the City Hall address: cityhall@westonfl.org, give us your business name, contact name and if you are open or closed (you can also specify hours of operation). We will then update our listing which will be made available on the City website so that residents and visitors will know what establishments are open for business within Weston. **This list will only be available during and after a storm event that causes business closures.**

ESTRATÉGIAS PARA SU PROTECCIÓN DURANTE LA TEMPORADA DE HURACÁN

La Temporada de Huracán comienza el 1ro de Junio y continúa hasta el 30 de Noviembre

Linea de Información Ciudad de Weston de Broward sobre Huracanes 954-385-2000
954-831-4000

SU PROTECCIÓN CONTRA LOS HURACANES

La única defensa es la **PREPARACIÓN**. A continuación encontrará una lista de los pasos importantes que hay que tomar, y los artículos que deben de tener a mano para formar su propio Juego de Emergencia. Además, queremos asegurarnos de que todos los residentes se registren en el Sistema de Notificación de Emergencias **CodeRED** de la Ciudad (más información al respecto sigue a continuación). Y por primera vez, durante la temporada de huracán de este año, el sitio de web de la Ciudad www.westonfl.org proporcionará una lista de todos los esenciales negocios registrados que estarán abiertos después de un huracán.

Necesidades Especiales - Si usted es de edad avanzada, indispuerto o incapacitado y no tiene ningún modo de transporte a los refugios durante un huracán, hay asistencia disponible para usted. Sin embargo, solamente los que se hayan registrado en anticipación serán elegibles para el transporte especial. No espere hasta el último momento. Si usted califica o si desea más información, por favor llame a la División de Servicios para Ancianos y Veteranos del Condado de Broward al (954) 537-2888.

SU PLAN

- * Determine las rutas de escape de su casa y en donde los miembros de la familia piensan encontrarse después. Además, es importante tener a una persona fuera del área a quien llamar, para así tener un punto de contacto.
- * Formalice un plan para sus mascotas (no se permiten en los refugios).
- * Haga un plan de comunicaciones de emergencia para los miembros de la familia. Es muy posible que se separaran (debido al trabajo u otras situaciones); formalice un plan para reunirse. Nombre a un miembro de la familia o a un amigo que vive fuera del estado de Florida para servir como su "contacto familiar," como muchas veces es más fácil comunicarse con alguien a larga distancia después de un huracán.
- * Coloque los números de teléfono de emergencia al lado de los teléfonos. Asegúrese de que sus niños sepan llamar al 911.
- * Revise su póliza de seguro **ahora** para su cobertura para daños de huracán e inundación. Cuando se anuncie un huracán, las compañías de seguro no escribirán pólizas nuevas ni harán ajustes a las pólizas actuales.
- * Haga una lista de sus artículos de valor por fotografía o video. Mantenga sus documentos seguros en una caja fuerte o aparato que sea resistente al agua.

AVISOS & ADVERTENCIA

Un aviso ("watch") de huracán se anuncia con la amenaza de condiciones huracanadas durante 24 a 36 horas.

Una advertencia ("warning") de huracán se anuncia cuando las condiciones huracanadas se esperan dentro de 24 horas. Las condiciones huracanadas se manifiestan por vientos de un mínimo de 74 millas por hora.

CUANDO UNA TORMENTA SE ACERQUE - Aviso de Huracán

- * Refuerce todos los objetos afuera de su casa. Traiga por adentro objetos sueltos como muebles de patio, herramientas y tiestos.
- * Proteja las ventanas. Las contraventanas permanentes ofrecen la mayor protección. Se puede usar también las tablas de madera. Las tablas de media pulgada de grosor son mejor, cortadas al tamaño exacto de cada ventana; especifique cuál tabla haga juego con cada ventana. Haga perforaciones cada 18 pulgadas para tornillos en cada tabla.
- * Llene los tanques de gasolina de vehículos y generadores.
- * Ponga la nevera y congelador a las temperaturas más frías.
- * Llene las bañeras y cualquier recipientes grandes con agua para lavarse y enjuagar los sanitarios en el caso de que la electricidad este fuera de servicio.
- * Si el servicio de cable está funcionando, sintonice al Canal 25 (Advanced Cable) o al Canal 18 (Comcast) para estar pendiente de noticieros de la Ciudad sobre las órdenes de hervir agua y otra información al respecto.
- * **SINTONICE LA RADIO DE SU VEHÍCULO A LA ESTACIÓN 1680AM** para información de emergencia de la Ciudad sobre la necesidad de hervir agua y otra información al respecto. El sistema de notificación de emergencia de la Estación 1680AM seguirá funcionando hasta con un apagón de electricidad por aproximadamente 4 días.

JUEGO DE EMERGENCIA

Las provisiones de emergencia deben ser adecuadas por un mínimo de 3 días. Se recomiendan provisiones de agua, comida y medicina por 10 días.

Agua Por lo menos un galón por persona por día.

Comida Enlatada o empacada, pre-cocida para 3 a 7 días/Abridor manual de latas

Ropa/Sábanas Cambio de ropa/Ropa para aguaceros/Zapatos/Sábanas or sacos de dormir

Medicinas/Primeros Auxilios Prescripciones/Equipos/Lentes/Primeros Auxilios

Extinguidor Química seca, tipo ABC

Radio Radio de pilas/Pilas adicionales

Linternas Linternas de pilas/Pilas y bombas adicionales

Dinero en Efectivo Puede ser que no se abren los bancos y ATMs por un tiempo

Herramientas/Provisiones Herramientas/Bolsas de basura/Cloro/Jabón/Carpa/Soga/Escoba/ Bolígrafo y papel

Artículos Personales/Artículos Especiales Artículos higiénicos/Artículos para infantes/Toallitas húmedas/Artículos para las mascotas
Llaves

INFORMACIÓN DE LA CIUDAD DESPUÉS DE UNA TORMENTA:

CodeRED Sistema de Aviso de Emergencia. Este sistema de emergencia de ultra velocidad se utilizará para compartir información esencial con nuestros residentes. Las llamadas que el sistema **CodeRED** hacen a los residentes aparecen como 999-999-9999 en la ID de llamada. Si usted ve este número, por favor no cuelge.

Mucha gente cambian sus números celulares o se mudan durante el año. Esta es una buena oportunidad de asegurarse de que nuestro base de datos tenga su información de contacto actual.

Para Actualizar su Información de Contacto, visite a: www.westonfl.org.

Haga "clic" en Police, Fire, o Hurricane Info y encontrará el enlace al **CodeRED**.

Estado de los Negocios Esenciales en Nuestro Sitio de Web

La Ciudad ha diseñado un base de datos que permitirá a los negocios importantes en la Ciudad a informarles a los residentes si están abiertos o cerrados después de una tormenta.

Clasificaciones de Negocios Esenciales: *Restaurantes - Supermercados - Gasolineras - Farmacias - Bancos*

Los residentes pueden ver la lista de negocios esenciales en la página inicial de nuestro sitio de web cuando un huracán se acerque. Estos negocios esenciales nos enviarán su estado después de la tormenta, indicando si están abiertos o cerrados.

Después de Tormenta
Weston
Estado de
Negocio Esencial

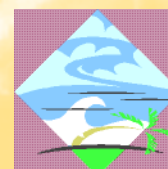

ATENCIÓN DUEÑOS DE NEGOCIOS EN WESTON:

RESTAURANTES - SUPERMERCADOS - GASOLINERAS - FARMACIAS - BANCOS

Solicitamos su colaboración en ayudarles a nuestros residentes tanto como sus propios negocios.

Registre su negocio con la Ciudad, en línea. **SOLAMENTE** los negocios en las categorías de restaurantes, supermercados, gasolineras, farmacias y bancos pueden registrarse. Busca el icono abajo en la página inicial del sitio de web de Weston, www.westonfl.org. Este mismo enlace se encuentra durante todo el año bajo "Hurricane Preparedness" (haga "clic" en Police, Fire o Hurricane Information).

Después de que Haya Registrado: Después de cualquier tormenta, simplemente envíe un correo electrónico a la Oficina Municipal [City Hall] a cityhall@westonfl.org, con el nombre de su negocio, persona de contacto, y si el negocio está abierto o cerrado (además, puede especificar las horas de operación). En esta manera actualizar emos la lista en nuestro sitio de web para que los residentes y visitantes sabrán cuales negocios están abiertos en la Ciudad de Weston. **Esta lista estará disponible solamente durante y después de una tormenta que ocasiona los negocios a cerrar.**

Negocios Esenciales

The Community Center at the Weston Regional Park Children/Youth Programs

1. Drawing for Children (Ages 8-11) Tues 4:30-6pm.

Rolande Moorhead teaches the basics of art as well as art history. Young students will learn how to draw basic shapes into familiar objects, and learn how to create art and how to see, rather than just looking. Self-expression through art. **Cost is \$95/6 weeks. Next session runs from 5/3 to 6/7 and then 6/14 to 7/19.**

2. Kumon Math & Reading Tues & Fri 3-7pm (Ages 6-

18) Kumon Math is an internationally acclaimed program that prepares students for a lifetime of learning. Children become independent learners, their concentration increases, their self-esteem improves and they learn to like and master math. Kumon Reading program will develop students' reading comprehension skills. Students will gain strong comprehension, reading passages quickly and accurately, and grasping their meaning with ease. **Cost \$100/8 sessions for each section or \$190 for both (sessions are 1/2 hour per student). Material fees \$40. For more information please call Maria at 954-217-0480.**

3. 2005 Little League Chess Tournament Fri 6:45-8:45pm open to non-members ages 8-14. Must sign up at least 5 days before the first day or call coach Alex to make sure your name is on the paring roster before the first day of the tournament. **Cost is \$30 for non-members, \$22 for members, plus yearly USCF membership dues. Please bring official chess set, chess clock, score pad, and pencil. Tournaments begin on 5/13. For more information and dates call Coach Su Lee at 954-389-9089 or 954-822-9434.**

4. Weston Scholastic Chess Club for All Ages Free Trial Class with this ad. The game of chess is applauded worldwide by educators and scientists for its unique ability to stimulate the human mind and develop valuable life skills. As a result, chess is part of the school curriculum in over 29 countries. At WSCC we believe that by learning and playing chess in a nurturing, rich, and structured environment students hone their thinking skills in an exciting ever-growing experience where playing and learning to think go hand in hand. WSCC offers ongoing 8 week sessions year round (ages 6-16).

Beginners Chess Tues 4:30-6:30pm. **Cost \$194/8 weeks plus \$20 material fee. Next session begins on 5/3.**

Advanced Beginner Chess Wed 4:30-5:30pm and Fri 4:30-5:30pm. This class includes one tournament play. **Next session begins 5/4 & 5/6 and then the week of July 1.**

Intermediate/Advanced Wed 5:30-7pm and Fri 5:30-6:30pm. **Next session begins 5/4 & 5/6.**

IMPORTANT NOTE: Both advanced beginner and intermediate/advanced chess classes now require tournament play as part of the program curriculum. Minimum tuition for both 16-class formats only. **Cost for both classes including one Tournament \$216. For more information and dates call Coach Su Lee at 954-389-9089 or 954-822-9434.**

5. Dancercize (ages 3-5 years) Thurs from 11:15-12:00. Ballet, jazz, creative movement, fun props. ATTIRE: pink leotard, pink skirt, ballet shoes. **Next session runs 5/5-5/26 at \$35/4 weeks. Call Joy for more information at 954-971-9917. Class continues through summer.**

6. High Touch-High Tech Science Program (Ages K-5) Tues 3:30-4:30pm. High Touch-High Tech provides totally hands-on, totally participatory science experiences for each and every child. These unique programs are designed to stimulate the imagination and curiosity of children in the sciences. This program includes the mysteries of light, biology, gravity and much more! **Cost \$150/8 weeks. Next session runs 4/5-5/24 and then 5/31 (one week only \$18.75). for more information call 954-755-2900**

7. Karate Wed 6-7pm (Ages 6-8) and 7-8pm (Ages 9+). Provide your child with the ability to defend themselves and react with confidence. David Schopp, 3rd degree Black Belt in Goju Karate, will teach your children the basic principles of self-defense, fighting, weaponry and forms. **Cost \$100/3 months. Limited Space Available.**

Classes forming now. For more details contact Coach Victor at 954-548-5419. Ask about his 1/2 hour free trial class.**

**FOR MORE INFORMATION ON THESE CLASSES PLEASE CALL 954-389-4321.
Class Offerings and Times are Subject to Change.**

The Community Center at the Weston Regional Park

Adult Programs

6. Watercolor Painting *Fri 10:00am-1:00pm* Award winning watercolorist Rolande Moorhead teaches the vocabulary of colors, shapes, composition and preliminary drawing. All skill levels. **Cost \$155/6 weeks. Next session runs from 4/22 to 5/27 and then 6/3 to 7/8.**

7. Gentle Yoga *Tues & Thurs 1:00-2:00pm* A yoga class for those individuals seeking increased balance, strength, and flexibility taught by Lillian Koziol. This class is ideal for seniors or beginners. This one hour session will include breath work (pranayama), eye and neck exercises, yoga poses (asanas) and guided meditation. **Cost \$50/month or \$10/class. Continuous. Bring yoga mat, towel and water.**

8. Yoga in the Bandstand at Town Center *Wed & Fri 9:00-10:00am* Enjoy sun salutations in the fresh air. This one hour hatha yoga class, taught by Lillian Koziol, R.Y.T., will tone your body as well as calm your mind. **Cost \$50/month or \$10/class. Continuous. Bring yoga mat, towel and water.**

9. SAT Preparation (*Ages 15-20*) *Sun (1:30-4pm)* This comprehensive course prepares students for all facets of the College Board exam. Class not only thoroughly reviews content of what is tested but also exposes students to numerous insightful strategies for scoring well on the SAT. Jeff Steinberg, the instructor, has specialized in developing and instructing SAT preparation courses since 1990 (including for the University of Miami). Students are assured of receiving expert instruction (the average increase in scores is 200 points), while paying less than half of what some commercial courses charge. To enroll in this course, please contact Mr. Steinberg directly at (954) 478-0792. **Cost is \$395 for 8 week, 20 hour course (including text and materials). Next session begins 7/24 for the 10/4 test. No class 8/14 or 9/4.**

10. AARP's 55 Alive/Mature Driving Program an 8 hour course is a classroom refresher course in safe driving. The course is designed especially for older motorists dealing with age related physical changes. The course is available to anyone 50 and over. **The fee for the course is \$10.00.** A reduction in automobile insurance premium is allowed to each person 55 and over, by all insurance companies when the course is completed and the driver has a safe driving record. **Advance registration is required. Call Sunny at 954-385-9920. Class will be held at the Weston Community Center, 20200 Saddle Club Road. Next class will be on 5/26 & 6/2 (2 "4-hour" classes) and then returns in the fall.**

11. Open Mahjong *Thurs 12:30-3:30pm* Join us on Thursdays for Mahjong. Call Sandy Greene, game organizer, for more information at 954-446-6299.

12. Adult Hip Hop/Jazz *Thurs 8:00-8:50pm* Wear comfortable clothes and sneakers and come out and have fun while you exercise! **Cost is \$80 for 8 weeks. Session runs 6/9-7/28. Call Joy for more info at 954-971-9917.**

13. International Moms *Fri 5:00-7:00pm* International Moms aims to bring together young mothers of different backgrounds, cultures, nationalities, religion and history. We get to know each other, learn from each other, and exchange ideas and experiences. We promote Unity in Diversity and teach our children by example and by exposing them early on to different cultures and races. Children are welcome as they will have time to play and receive lessons on tolerance, respect, politeness, kindness, etc. Group meets 1st and 3rd Friday of each month. **Cost is \$10 per mom which includes snacks and drinks. For questions call Sherry Eshraghi at 954-384-7993.**

**FOR MORE INFORMATION ON THESE CLASSES PLEASE CALL 954-389-4321.
Class Offerings and Times are Subject to Change.**

Vista Park Now Open
 GRAND OPENING CELEBRATION
 THURSDAY, JUNE 9TH 6:30PM - 8:30PM

Park Dedication and
 Grand Opening
 Celebration

Thursday, June 9th
 6:30pm - 8:30pm

After the dedication there will be activities for kids and adults alike. Enjoy some good ole' fashioned entertainment while munching on hot dogs, peanuts and apple pie! Music, pitching booths, bounce houses, face painting, balloons, fast pitch radar, soccer and more..

Construction has been completed on the City's last major park. Vista Park, located on 30-acres to the west of Cypress Bay High School, at 18800 Vista Park Boulevard, is a \$6 million park project providing residents and leagues with 4-soccer/football fields and 4-baseball/softball fields. The park has a playground, two concession/restroom buildings and parking for five hundred vehicles. These fields, lighted for night-time play, are now providing welcome relief to Weston's ever increasing demand for league playing fields.

A unique feature included in the design of Vista Park is the "Winners Circle" - a small gathering area where a baseball has been

designed with decorative pavers. This area will be used by teams for awards ceremony's and photos. The Winners Circle courtyard has several benches for spectators and landscaping that will serve as a backdrop for photos. Parents take note: it can also serve you well, functioning as a designated location for picking up children after a practice or game.

Come out and help us kick off the summer right with a Grand Opening Celebration! Meet your City Commissioners and have some summer fun.

The City was awarded two grants for the construction of Vista Park totaling \$400,000 to assist in the funding of this great project.

Mayor Eric Hersh sworn in

Bottom L-R: Commissioner Henriksson & Commissioner Cheren are sworn in

Two New City Commissioners Take Office Mayor Hersh Automatically Re-elected

Sharon Cheren and Mercedes G. Henriksson Elected on March 8th

In Weston's Municipal Election held on March 8th, Mayor Eric Hersh was unopposed for the Mayoral seat and automatically re-elected to serve a second term in office. Winning election to City Commission seat No. One was Sharon Cheren and to Commission Seat No. Two, Mercedes Henriksson. Both Commissioners were sworn in on March 14th by Broward County Commissioner and friend, Diana Wasserman Rubin. Mayor Hersh had the honor of being sworn in by family friend Circuit Judge David Krathen.

With the swearing-in of Weston's two new Commissioners, the dais once again had a full Commission as the former commissioners for seats one and two had resigned in November of 2004 to run for higher office. Adding a splash of color and finesse to the

occasion, the Cypress Bay High School Show Choir sang the National Anthem, captivating the overflow crowd on-hand to congratulate Weston's newest leaders.

Hit the Ground Running

Considering Weston's budget of over \$96 million and a resident population of over 61,000 it might be hard to imagine how new Commissioners are able to so effectively step right into the position. To facilitate this process, newly elected Commissioners are given a comprehensive orientation session covering the areas of public records, the Sunshine Law, the City Charter, major projects and initiatives, and pending legal issues, along with an overview of city departments, contractors and services. In addition, newly elected members meet individually with the City Manager to review the budget, agendas and other issues facing the City.

Commissioner Sharon Cheren

COMMISSIONER SHARON CHEREN Commissioner Cheren was elected to office in March of 2005. Professionally, Commissioner Cheren is a Licensed Mortgage Broker with AFM Financial Group and also has an extensive background in financial planning. A native Floridian, born and raised in South Florida, Commissioner Cheren also speaks fluent Spanish and French due to her heritage; her father was raised in Costa Rica and her mother was raised in Algeria before moving to South Florida. Having resided in Weston since 1997 with her husband David and one son, Commissioner Cheren is very active in school and civic organizations throughout the community. On those rare occasions when she is not busy elsewhere, Commissioner Cheren enjoys bike riding, walking, tennis and reading.

Commissioner Cheren is looking forward to serving the residents of Weston and can be reached via email at scheren@westonfl.org or at 954-349-4892.

COMMISSIONER MERCEDES G. HENRIKSSON Commissioner Henriksson was elected to office in March of 2005. A graduate of Florida International University, Commissioner Henriksson holds a bachelor's degree in Business Administration and is employed as a Realtor with Coldwell Banker Residential Real Estate in Weston and is among the top 10% of all Coldwell Banker Sales Associates worldwide. Born in Madrid, Spain, and raised in Miami since the age of six, Commissioner Henriksson is fluent in both English and Spanish. Married to her husband Otto, with one son, Commissioner Henriksson is extremely active in a variety of school, athletic and civic organizations within Weston and throughout Broward County.

Commissioner Henriksson can be reached via email at mhenriksson@westonfl.org or at 954-709-6433.

Commissioner Mercedes G. Henriksson

New York Follows Suit

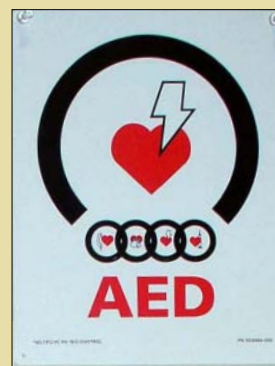

Passes Defibrillator Law

Weston became the first city in Florida to require Automated External Defibrillators (AEDs) in businesses and restaurants of a certain size, when the ordinance was adopted back in September of 2004 and since that time, cities around South Florida and across the country, including New York City, have followed suit and now require AEDs in many public and private locations.

Weston's ordinance allowed six months, until March 2005, for affected owners of city office buildings, hotels, gyms, restaurants, churches and other locations to purchase and install the devices.

In cardiac arrest, victim survival rates are reduced by approximately 10% for every minute that passes. Very few victims survive after 10 minutes, making immediate access to a defibrillator so important. It is important to note that the public should always call 911 first, and then employ the defibrillation device.

LOOK FOR AN AED SIGN:

What an AED does:

An AED or Automated external defibrillator is a portable device which uses an electric shock to restart the heart. Diagrams and step-by-step automated voice instructions walk a person through its use. The pads placed on a victim use digital technology to analyze the heart's rhythm to determine whether a shock is needed - the equipment will not send a shock if a heartbeat is detected.

Around the World in Weston

Multiculturalism has become a tradition in Weston, as demonstrated by the 7th annual Around the World in Weston Festival, held this past January in Weston Town Center Park.

About 15 cultures were represented this year at the free festival, including the Bahamas, the United States, Spain, Colombia, Venezuela, the Dominican Republic and Uruguay. Vendors sold Latin American, Jamaican, American and other ethnic foods. At the international marketplace, items for sale included Bolivian woodcrafts, bags and ponchos; East Indian clothing, jewelry and gifts; Egyptian jewelry; and Philippine handcrafts and gift items.

Over time, the event has increased in size and has attracted performers, exhibitors and vendors from

throughout South Florida with almost 4,000 people in attendance.

The festival is planned by a small group of dedicated volunteers of the Around the World in Weston Festival Committee and co-sponsored by the City. For the second year in a row, Vernon Love, President of the organization said invitations sent to official representatives of foreign governments to attend the festival were accepted with enthusiasm. In fact, he said, this year one Miami-based consul general provided replacement entertainment.

“Harvey Borris, consul at the Trinidad & Tobago consulate general in Miami, sponsored and supported a steel drum act at the festival when another fell through,” Love said. “We are making a name and good connections.”

12th Annual Weston Hometown

Celebrating 12 Years The Weston Hometown Fourth of July

★ 5K Run ★ Parade

- ★ Attractions for Kids
- ★ Live Band
- ★ Variety of Food Vendors
- ★ Spectacular Fireworks display by Zambelli International

 A day filled with activities and fun from morning to night. Spend the day with family, friends and neighbors at the 12th Annual Weston Hometown Fourth of July celebrating our Nation's Independence.

7:00AM 5K RUN A day of festivities kicks off with the 12th Annual 4th of July Celebration 5K Run, sponsored by the Weston Regional HealthPark and the City of Weston, beginning at 7:00AM at the Weston Town Center. Race administrator is Split Second Timing.

- ★ Advance Entry Fee is \$16; Race day registration is \$20, available from 5:30am -6:45am.
- ★ Age Groups: 8 & under, 9-10, 11-12, 13-14, with 5 year age groups to 70 and over.
- ★ Race Route: will begin at the Town Center and go east on Three Village Road to Indian Trace. The race then heads west on Indian Trace to Town Center Blvd., then south, returning to Three Village Road and ending back at the Town Center.

Detailed information, online registration and downloadable application with a route map is available online at www.splitsecondtiming.com, go to events, or call the Weston Community Services Department.

10:30AM PARADE The fun continues with our hometown parade down Main Street. All local businesses, civic groups, schools, organizations, and residents are invited to participate. See Entry Form on reverse side. Parade information and additional entry forms are available by calling the Weston Community Center at 954-389-4321.

- ★ Categories: Floats, Bands, Marching Units and Commercial entries.
- ★ Theme: **“United We Stand - Proudly We Serve”**
- ★ Parade Route: Begins at the corner of Three Village Road and Town Center Boulevard, continuing east on Three Village Road to Bonaventure, south to Bell Tower Lane, and through Town Center to wind up on Main Street.
- ★ Spectators: Are encouraged to walk or ride their bicycles to Town Center if possible.

 **5-9:00PM HOMETOWN CELEBRATION** Our celebration changes venues, moving to the Weston Regional Park for an evening of fun and entertainment for all ages.

- ★ Continuous music and dancing featuring Jimmy Jam Productions. Jimmy Jam will keep us entertained with their party music.
- ★ The FIU Wind Ensemble and Roby George, Conductor will wow audiences, beginning at 8:30pm, with a presentation of Americana music and patriotic songs choreographed to our spectacular fireworks display.
- ★ Amusements: Bounce houses, rock climbing walls, face painters, and MUCH more will be on-hand to entertain the young and the young at heart.
- ★ Food: A wide variety of food concessions will be available.

9:00PM FIREWORKS The evening concludes with a spectacular aerial display by Zambelli Fireworks International.

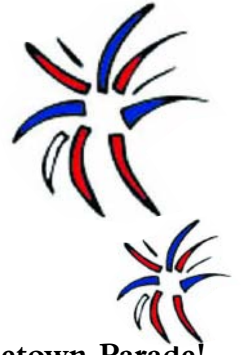

The Weston Regional Park is located at 20200 Saddle Club Road
Overflow parking will be available on both South Post and Saddle Club Roads

For more information, please call the
Weston Community Services Department at 954-389-4321

The City Of Weston 2005 Fourth of July Hometown Parade

Join us for the City of Weston 4th of July Hometown Parade! Bring your family, friends and your organization (LittleLeague team, Scouts, etc.) and walk with our Grand Marshal in Weston's biggest and most exciting event.

REGISTRATION IS FREE!

WHEN: July 4th: Participants line up at 9:30 A.M. Parade begins promptly at 10:30 A.M.

WHERE: Town Center Blvd. and Three Village Road. Parade route continues through Town Center Main Street and Park

Parade Criteria: The following parade criteria have been established in order to provide a high quality, entertaining and safe holiday parade.

1. All entries must be decorated according to the spirit of July 4th. Parade officials will review each entry prior to the beginning of the parade. 2005 Theme: **"United We Stand - Proudly We Serve"**.
2. Entries must be received by the parade committee no later than June 18, 2004.
3. Throwing of candy, novelties or any other item from your float is strictly prohibited. We wish to ensure the safety of our spectators, especially young children.
4. Consumption of alcohol is strictly prohibited anywhere along the parade route and in the lineup area. Please help us maintain the family atmosphere of the event.
5. Parade route streets used for lineup area will be closed at 10:00 A.M. Lineup begins at 9:30 AM. Surrounding streets will close at 9:30 AM.

Additional Information:

Parking for parade participants: Participants are asked to park their cars at the Weston Town Center. The parade will disband at this location. Parade participants may not park their cars in the parade lineup area.

Lineup Information: Parade participants can be dropped off at the lineup area. This area is on Town Center Blvd. You may enter from Arvida or Indian Trace.

Parade Application

Parade categories (circle one): *Float* *Band* *Marching Unit* *Commercial* *Other (specify below)*

Give a brief description of your entry. Will you be participating in a group activity; singing, dancing, playing music? How much space (in feet) will your entry require?

AGREEMENT: The rules of the parade are understood and our group agrees to comply with them. It is understood that our entry will be removed from the parade at any time if the rules are not adhered to.

Signature: _____ Date: _____

Group contact: Name _____ Phone Day _____ Eve. _____

Address: _____ City _____ Zip Code _____

Please return this form by mail to City of Weston, 20200 Saddle Club Rd., Weston, FL 33327

-OR-

Fax 954-389-5430 **ATTN: PARADE**

FOR MORE INFORMATION PLEASE CALL 954-389-4321.

CYPRESS BAY BALLFIELDS SEE THE LIGHT!

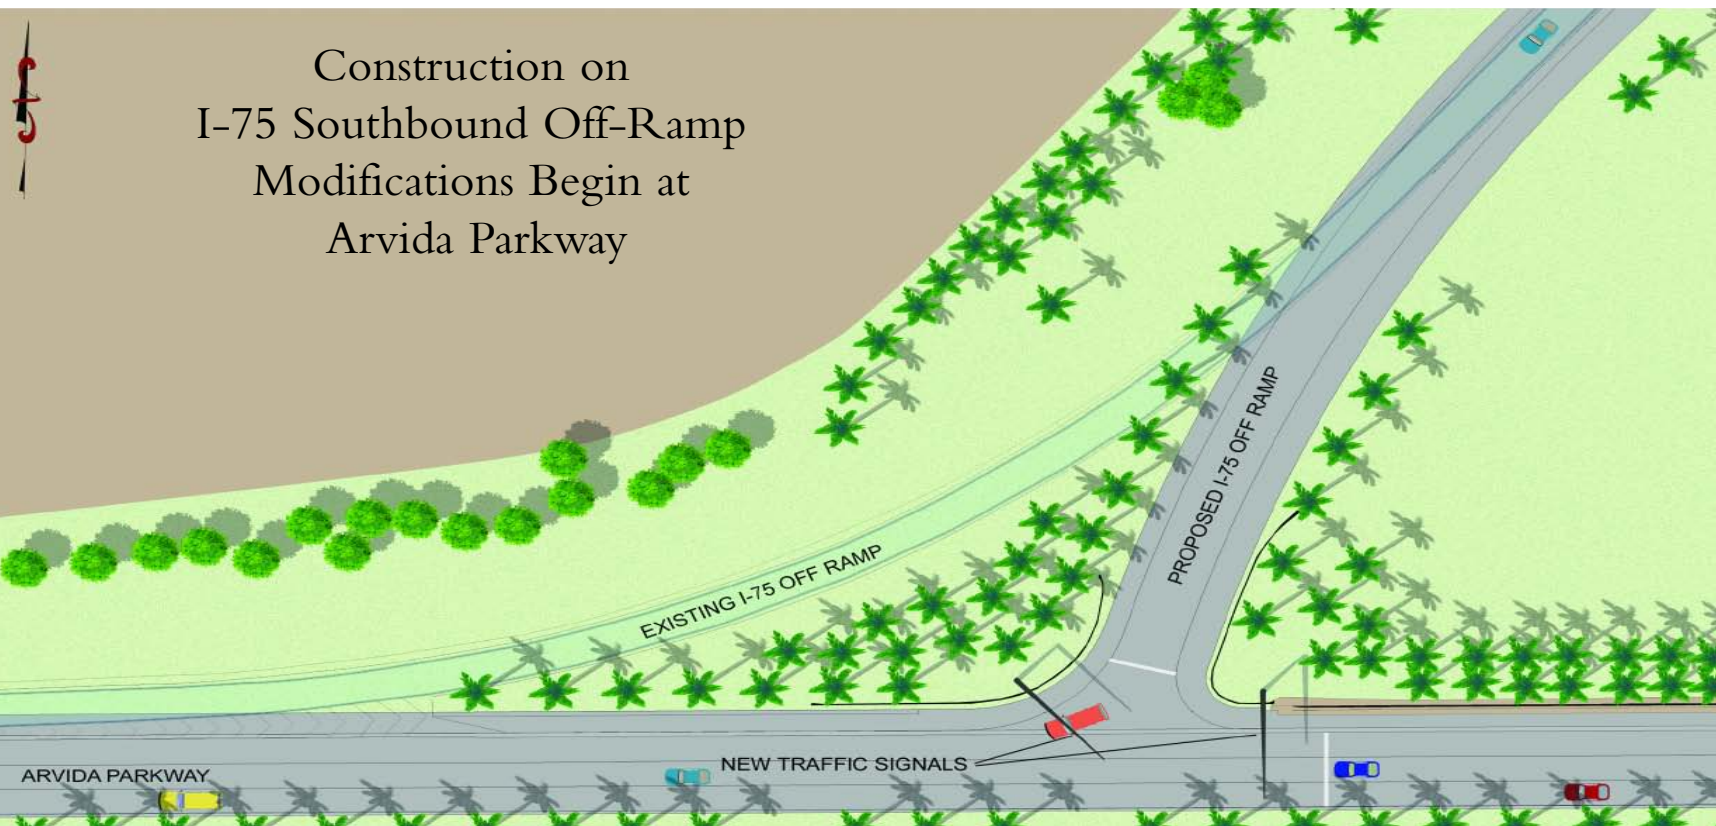

Cypress Bay High School baseball and softball fields now have lights. This means that home games can be played at night - a very exciting and long-awaited feature of the school's sports program.

The City encourages night sports activities at the school as a way of developing a sense of community in Weston. At most schools, night athletic activities draw larger crowds than afternoon games. Until now, Cypress Bay's home baseball and softball games have

been held at 4pm to take advantage of daylight.

At its December 6, 2004 meeting, the Weston City Commission authorized the expenditure of \$344,201 to install these lights. A similar measure was approved by the Commission for the Cypress Bay football field last year, approving \$400,000 toward lighting and stadium seating. The school hosted its first-ever night football game on October 23rd.

Construction on I-75 Southbound Off-Ramp Modifications Begin at Arvida Parkway

Improvements Will Help Ease Congestion

The City of Weston, in a joint project with the Florida Department of Transportation and Broward County, is proceeding with construction of modifications to the I-75 southbound off-ramp with westbound Arvida Parkway.

Easier to Make a Left Turn at Weston Road

The primary benefit is that the southbound off-ramp traffic will be able to maneuver to the left-turn lanes at Weston Road without having to weave through oncoming traffic within a short distance.

The improvements include removing the merge section of the southbound off-ramp and realigning the ramp at almost 90-degrees with westbound Arvida Parkway. The existing single-lane off-ramp will be converted to a long set of dual right-turn lanes which will prevent back-ups onto mainline I-75. The re-aligned T-shaped intersection will be signalized and interconnected to the Arvida Parkway/Weston Road signal, for coordinated signal operations. The traffic signal will then

“meter” the traffic flow between the off-ramp and westbound Arvida Parkway based on demand.

Similarly, westbound traffic on Arvida Parkway will not have to worry about potential merging conflicts from off-ramp traffic. The traffic signal will eliminate the merging maneuver between the two off-ramps.

Permits have been issued, and mast arms ordered for the signalized lights, but this is a complex project that will take nearly one year to complete. At a cost of almost \$900,000, approximately 60% of which is being paid by the state, this improvement project will supply much needed relief to the congestion caused by the off-ramp traffic.

Daily traffic should be minimally impacted during construction as the current ramp will remain open while the new ramp configuration is built and connected to Arvida Parkway. It is anticipated that the off-ramp modifications project will be completed in early 2006.

Former Weston City Commissioner and current Broward County School Board Member Robin Bartleman presents a Proclamation to Weston City Commissioners recognizing Weston for the funding and installation of the sports field lighting at Cypress Bay High School. L-R: Mayor Eric Hersh, School Board Member Robin Bartleman, Commissioner Daniel Stermer and Commissioner Murray Chermak.

IN HIGH SCHOOL AND IN NEED OF SERVICE HOURS?

Are you a Company or Organization in Need of Students to Help with a Project?

Weston's Communications Department maintains a list of high school students desiring service hours required for graduation. The City uses students during city sponsored events and activities throughout the year. While the city doesn't have enough service hours for all students, we can put community organizations, businesses or groups in touch with interested students.

Students interested in being added to the volunteer list, or organizations in need of volunteers, should call the Weston Communications office at 954-385-2000.

Traffic Signal UPDATE

Information regarding current signalization projects are also always available on the city website under "Current Projects."

Approved Signals Under Construction:

- Saddle Club Road at Savanna Trail
- Bonaventure Boulevard at Saddle Club Road (Flashing beacon until approved for full-color operation)
- I-75 Southbound Off-Ramp at Arvida Parkway East (see article in this edition)

Traffic Signal Modifications:

Arvida Parkway at Saddle Club Road Left-Turn Arrows

Potential Future Signal Installations or Modifications – Awaiting approval from Broward County:

- North Commerce Parkway (S.) at Lakeview Circle (Beacon Pointe) – signal
- Arvida Parkway at Saddle Club Road, Left-Turn Arrows

Operational Modifications: *They may consist of one or more of the following: signal timing and phasing modifications, vehicle detection enhancements, signal head changes, and lane assignment designation changes.*

- Arvida Parkway at Meadows Blvd./Savanna Drive – modification
- Weston Road & South Commerce Parkway – modification

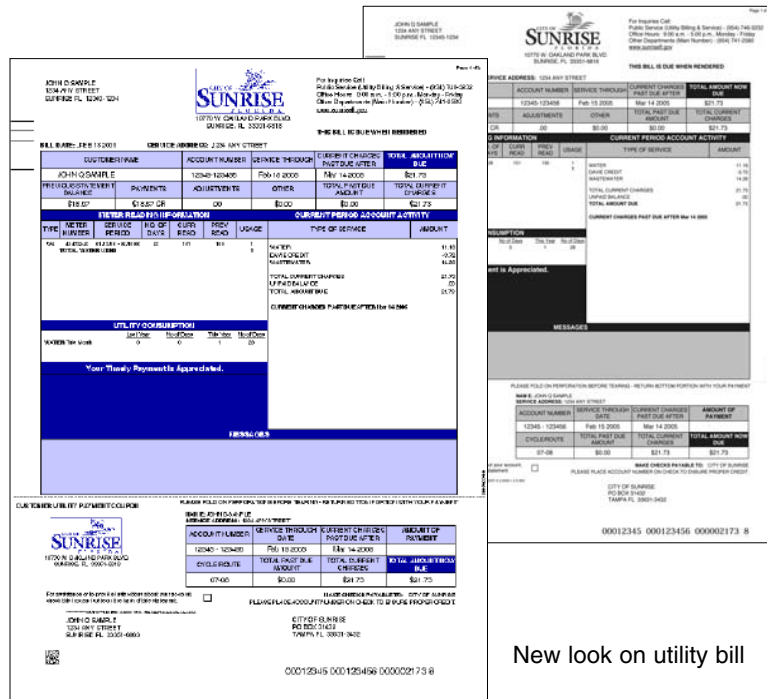

Other Traffic Activities:

- Weston Road at Weston Commons Full Median Opening: Analysis and potential design concepts underway for conversion to directional opening/coordinated signal system for the Weston Road Corridor from South Post Road to Griffin Road.

Residents Note Temporary Lane Closures

The City has initiated a traffic signal mast arm cleaning & painting program which began in early April 2005 and will continue for several months until all traffic signal mast arms in the City are completed.

Residents can expect temporary lane closures at signalized intersections as they are painted, between the hours of 9am 4pm

New look on utility bill

Utility Bill Has New Look

Your utility bill, which is remitted by the City of Sunrise, has a new look incorporating several enhanced features:

- An area for utility consumption comparisons has been added to allow customers to view changes in usage consumption from one year to the next. Customers with multiple meters will have their total usage reflected in this area.
- Account payment delinquency information will appear in the dark blue shaded area, designed to help draw

the customer's attention so that any problems with the account can be addressed before corrective action is taken by the City.

- The shaded "Messages" box has been expanded to give the City more flexibility in the amount and type of information provided to customers.
- The detachable payment coupon has been moved to the bottom of the statement and, for ease in mailing, the return mail information is now printed on both sides of the stub to ensure that the City's mailing address information appears correctly through the return envelope window.

Following the Class of Weston University

In January, students spent the day with the Broward Sheriff's Office Department of Fire Rescue and Emergency Services. Every student had an opportunity to make the precarious climb up the aerial truck's 105' ladder; don fire gear and attempt to navigate an obstacle course with a bag over their head - simulating the diminished visual capabilities in a real fire; and prepared a patient for transport to the hospital. All of this was after students discussed budgets, staffing and equipment purchases, with the Fire Chief and staff.

At the offices of Calvin, Giordano & Associates (CGA), the City's contract provider for planning and engineering services, students discovered dozens of job possibilities that they had not contemplated before. Visiting CGA in February, the

firm has over 100 employees, providing students the chance to view a wide range of career opportunities including landscape architecture, surveying, engineering, 3D graphic artist and much more. Students also gained valuable practice for their upcoming City Commission Simulation, by selecting roles and simulating the legislative process for a site plan approval. There were stumbles and plenty of laughs along the way, but who says government can't be fun!

In March, students returned to City Hall for a lesson in government finance (made a little more interesting through a competition for prizes!) and then on to selecting role assignments for their final and mandatory class: the City Commission Simulation.
