12. Emergency procedures:
 - Description of the means of alerting staff of emergencies.
 - Identification of means of notifying fire department.
 - Identification of alerting the fire department, operator, to terminate the loading or firing of fireworks in the event of a hazard arises during the outdoor display.

Fire protection required:

Minimum two (2) approved 2.5 gallon pressurized water fire extinguishers with updated service tags, provided by pyrotechnician on site. Other fire protection may be required if conditions warrant.

Stand by Fire Watch:

One or more standby firewatch personnel and/or equipment shall be required depending on conditions. Firewatch personnel shall be Certified Fire Inspector or Certified Firefighter employed by Broward Sheriff's Office, Department of Fire Rescue and under the direction of the Fire Chief.

Standby firewatch personnel will be on duty from the time fireworks are delivered at the site until termination of the display activities and the removal of all fireworks and debris from the site.

*(All fees for Permits, Inspections, and Firewatch Services shall be paid in full **prior** to event permit approval receipt. In the event, that you will require additional fire watch hours due to extended hours, once the approval has been issued, please contact the Fire Marshals' Office during regular business hours. After hours, contact our Dispatch Center (954-765-5100) to contact the On Duty FM.

Firewatch personnel to be determined per the Broward Sheriff's Office, Department of Fire Rescue policy.

Wind Velocity Limitations:

No fireworks display shall be held when velocity is 20 miles per hour or more.

Special Conditions:

Seizure of Fireworks:

The Fire Chief or designee shall seizer, take, remove, or cause to be removed, at the expense of the owner, all stocks of fireworks offered or exposed for sale, stored or held in violation of the code.

BY ORDER OF THE FIRE MARSHAL: Any violations of requirements for this firework display permit shall be cause for immediate revocation of said permit, at the discretion of the Fire Chief or Designee.

Broward Sheriff's Office or any agents therefore shall not be responsible for any losses suffered due to revocation of said permit.

I/WE THE UNDERSIGNED HAVE REVIEWED AND FULLY UNDERSTAND THE REQUIREMENTS AND CONDITIONS OF THIS PERMIT AS OUTLINED.
