The Honorable Mayor and Commissioners The City of Weston, Florida

Re: Fiscal Year 2023 Adopted Budgets

In accordance with Section 3.03(e) of the Charter of the City of Weston, it is with privilege that I present to the Mayor and City Commissioners the Fiscal Year 2023 Adopted Budgets for the City of Weston, the Indian Trace Development District, and the Bonaventure Development District.

The City of Weston Fiscal Year 2023 total expenditure budget for all funds including the Districts is \$160,773,300, a 3.72% increase over the Fiscal Year 2022 total budget of \$155,013,325.

These budgets maintain all services at their current levels, with some services increasing, and provide for continuing improvements to the City's physical infrastructures.

There is an African proverb that informs this year's budget message: "For tomorrow belongs to the people who prepare for it today." Weston residents, business owners and visitors are the beneficiaries of meticulous planning that preceded our incorporation and the first 25 years of the community's development. The planning we are engaged in today will be the foundation for the next 25 years. In that spirit, the theme for the Fiscal Year 2023 budgets is, "Plan – Prepare – Proceed". This year we are laying the groundwork for our next quarter century. The results of the Parks Master Plan, Infrastructure Plans, and the Strategic Value and Business Plan will define our priorities and inform our decision making in the years to come.

This should not suggest that planning is not an ongoing activity in Weston. In fact, it is a key ingredient of our success. Evidence of continued improvements can be found throughout the City and are summarized in the Fiscal Year 2022 Highlights section of the narrative for each department and fund in the budgets.

Fiscal restraint and a robust housing market give us confidence to propose no increase to the millage rate. That stability is fragile, however, and we see evidence of uncertainty in the economy today, with many experts sounding alarms for the months ahead. Inflation is on a pace not seen since the early 1980's, the global supply chain issues remain a challenge, and we continue to see our businesses struggling to fill vital jobs. Covid-19 holds our attention. Weston will rely heavily on our financial discipline and lean operating structure to navigate this uncertainty, and we remain prepared to take the necessary measures to maintain the Weston lifestyle.

CITY OF WESTON

The citywide total expenditure budget excluding the Districts is \$92,507,500, a 4.37% increase over the Fiscal Year 2022 total budget of \$88,636,325.

Weston's Fiscal Year 2023 budgeted Gross Taxable Value has increased by 10.54% above the Fiscal Year 2022 Adopted Budget Gross Taxable Value to \$10,540,297,532 inclusive of new construction and improvements to existing properties appearing on the tax roll for the first time.

The City of Weston General Fund Adopted Budget for Fiscal Year 2023 is \$52,275,900 and is based on an ad valorem millage rate of 3.3464 mills which results in an increase in ad valorem revenues of \$3,194,700 when compared to the Fiscal Year 2022 Budget.

The ad valorem revenue and other general revenues, less contributions and use of reserves and transfers, is projected to use \$377,600 of Unassigned Fund Balance during Fiscal Year 2023, leaving an estimated Unassigned Fund Balance of \$33,486,327 at the end of Fiscal Year 2023. These funds are reserved to maintain the necessary Unassigned Fund Balance to sustain the City of Weston into the future.

With the proposed ad valorem millage rate of 3.3464, Weston will continue to have the lowest ad valorem millage rate of all municipalities in Broward County, as it has had since incorporation in 1996.

Provided for each department or fund within the Budgets is a narrative that includes Fiscal Year 2023 Descriptions, Duties, Goals, Performance Measures, Objectives, Changes in Staffing Levels, and Fiscal Year 2022 Highlights.

The following is a summary of notable activities within the City of Weston Budget.

GENERAL FUND - REVENUES

General Fund revenues are expected to increase by \$4,902,500 or 9.17% mainly due to property values increasing over Fiscal Year 2022 which will generate additional ad valorem revenues. Franchise Fee – Solid Waste, Recreation Fees, State Revenue sharing, Communications Services Tax and Half-cent sales tax categories are revenues that are all expected to return to pre-COVID-19 levels. Business Tax Receipts and Engineering permit fees are projected to decrease.

GENERAL FUND - EXPENDITURES

The General Fund total expenditure budget is \$52,275,900, a 5.91% increase over the Fiscal Year 2022 total budget of \$49,359,625.

General Fund Expenditures increased by \$2,916,275 over Fiscal Year 2022; with certain expenditures within categories highlighted below.

Legislative – Funding is provided for subscription and membership increases. Independent Audit Services is increased per contractual obligation with the financial audit firm.

Executive – An overall increase to the Executive category is due to an increase in City Hall capital maintenance costs including improvements at City Hall, additional projected costs for outside consultants as well as costs for the November election.

Finance and Administration – An increase in overall funding reflects actual costs for technology services, administrative and technology management services and technology equipment as well as an increase in landscape & building repairs and maintenance.

Public Safety – Law Enforcement - Increases in funding provide for a 5.85% increase in the Police Services contract from the Broward Sheriff's Office. This budget maintains Police Services at the current levels, including the continued placement of School Resource Officers at each of the public schools located in Weston, and at the Imagine Charter School.

Public Safety – **Ambulance & Rescue Services** - Increases in funding provide for a 4.28% increase in the Emergency Medical Services portion of the contract from the Broward Sheriff's Office. This budget maintains the City's Emergency Medical Services and continues to achieve the high level of professional service.

Parks and Recreation – An increase in the Parks and Recreation category is due to contractual obligations for the service providers in the Park Services accounts, and additional funding for building repairs and maintenance at the Community Center. All major Capital Outlay expenditures have been moved to the Capital Projects Fund.

SOLID WASTE FUND (formerly Solid Waste Control category) - The Solid Waste Fund was created in Fiscal Year 2021. The Solid Waste assessment cost for annual residential automated curbside collection will increase by 4.84% as provided for in the publicly and competitively bid agreement for services with Republic Services, Inc.

Revenues for residential automated curbside collection are generated via a Solid Waste Assessment appearing on the property owner's tax bill. The annual residential automated curbside collection rate will increase from \$348.45 to \$365.30.

Rates for multi-family residential and commercial entities that contract directly with Republic for their services will increase based on the Consumer Price Index. The Consumer Price Index exceeded the maximum cap of 5% as outlined in the agreement with Republic Services, Inc. and therefore rates will be capped at 5%.

FIRE SERVICES FUND – The Fund is supported by an assessment on all properties and appears on the property owner's tax bill. This budget maintains fire protection and fire prevention services for Fiscal Year 2023.

The increase in the Fire Services Assessment is 2.39%, which includes Fire Protection Services and Fire Prevention Services from the Broward Sheriff's Office at all four Fire-Rescue Stations.

The methodology for assessments is based upon the actual calls for service over prior years to residential, commercial/office, and industrial/warehouse properties with costs apportioned accordingly.

Assessments for Single-Family Residential will increase from \$568.08 to \$581.47 or 2.36%. Assessments for Multi-Family Residential will increase from \$582.35 to \$596.35 or 2.40%. Assessments for Commercial/Office are based upon square footage and will vary by category with an average decrease of 0.74%. Assessments for Industrial/Warehouse are based upon square footage and will vary by category with an average increase of 12.41%.

The assessments support the full cost of providing fire protection services and fire prevention inspection services.

CAPITAL PROJECTS FUND – The Fund accounts for revenues accrued from the General Fund and other Funds to provide the necessary funding dedicated to acquiring new and rehabilitating existing municipal infrastructure.

In Fiscal Year 2023, the following technology projects will commence including the technology access switch upgrades, chiller unit replacement, in-row coolers, a technology fiber upgrade, and a main uninterruptable power supply (UPS) replacement at the Administrative Services Center.

Additional capital projects beginning in Fiscal Year 2023 will include the Blatt Boulevard roadway improvements, Emerald Estates Drive/Weston Road Local Corridor Study, playground replacements citywide, lighting upgrades and fence replacement at the Racquet Club, improvement to the Regional Park maintenance building, rink surfacing and stage rehabilitation at Regional Park, Town Center Boulevard resurfacing, South Post and Manatee Isles Intersection Improvements, Streetlight Branch Circuit replacement, Streetlight Smart System evaluation and Wi-Fi upgrades.

Additionally, surtax funded projects will continue including bike lanes pavement markings, sidewalk repairs and maintenance on city streets in the Meridian Business Campus, Indian Trace Road improvements design, Weston Road bike and pedestrian improvements design and bicycle wayfinding signage, Royal Palm Boulevard & Weston Road intersection improvements and Sailboat Circle drainage improvements.

DEBT SERVICE FUND – The Fund is responsible for the receipt of proceeds from borrowings, transfers from other funds or debt financing, with expenditures restricted to funding related to debt payments. All City of Weston debt service is accounted for in this fund. No additional debt is expected in Fiscal Year 2023.

INDIAN TRACE DEVELOPMENT DISTRICT

The Indian Trace Development District total expenditure budget is \$65,187,700, a 2.60% increase over the Fiscal Year 2022 total budget of \$63,536,300.

District operating assessments are increased by \$663,300 or 3.02% for Fiscal Year 2023.

ENTERPRISE FUND – WATER & SEWER UTILITY – Operations and Maintenance revenues will be increased to \$9.70 per month.

Water & Sewer Fees (Sunrise) will increase by \$1,451,500 or 4.00%, paid to the City of Sunrise which accounts for Sunrise's annual increase. Indian Trace customers will experience an increase in their monthly bill reflecting Sunrise's annual increase.

Funding is also provided in Capital Outlay for new projects including the lift station portable generators, lift station panel replacement, lift station and fuel station rehabilitation, water main/force main valve replacements and water & sewer equipment.

BASIN I RIGHTS-OF-WAY FUND – Funding is provided for routine operations to include landscaping maintenance, plant replacement, trees & trimming, sidewalk repairs, and streetlight operations and maintenance, all within the public rights-of-way, and the Broward Sheriff's Office Weston District Community Strategies Team.

Funding is provided in Capital Outlay for streetlight pole upgrades.

BASIN I WATER MANAGEMENT FUND – Expenditures will increase due to contractual increases to maintain routine operations and increases for Capital Outlay for ongoing equipment purchases.

BONAVENTURE DEVELOPMENT DISTRICT

The Bonaventure Development District total expenditure budget is \$3,078,100, an 8.36% increase from the Fiscal Year 2022 total budget of \$2,840,700.

District operating assessments are increased by \$108,500 or 3.72% for Fiscal Year 2023.

RIGHTS-OF-WAY FUND – Funding is provided for routine operations to include landscaping maintenance, plant replacement, trees & trimming, sidewalk repairs, and operations and maintenance, all within the public rights-of-way, and the Broward Sheriff's Office Weston District Community Strategies Team.

WATER MANAGEMENT FUND – Expenditures increased slightly due to additional ongoing capital maintenance projects including pump station maintenance and culvert inspections and increases for Capital Outlay for a fountain replacement project.

In summary, the residents of the City of Weston may look forward to the following in Fiscal Year 2023:

- No increase in the ad valorem millage rate for a fifth consecutive year;
- Arts, cultural and recreation programs maintained at the current levels;
- Technology projects including the technology access switch upgrades, chiller unit replacement, in-row coolers, a technology fiber upgrade, and a main UPS replacement at the Administrative Services Center;
- Additional capital projects beginning in Fiscal Year 2023 will include the Blatt Boulevard roadway improvements, Emerald Estates Drive/Weston Road

Local Corridor Study, playground replacements citywide, lighting upgrades and fence replacement at the Racquet Club, improvement to the Regional Park maintenance building, rink surfacing and stage rehabilitation at Regional Park, Town Center Boulevard resurfacing, South Post and Manatee Isles Intersection Improvements, Streetlight Branch Circuit replacement, Streetlight Smart System evaluation and Wi-Fi upgrades; and

Surtax funded projects beginning in Fiscal Year 2023 will include bike lanes pavement markings, sidewalk repairs and maintenance on city streets in the Meridian Business Campus, Indian Trace Road improvements design, Weston Road bike and pedestrian improvements design and bicycle wayfinding signage, Royal Palm Boulevard & Weston Road intersection improvements and Sailboat Circle drainage improvements.

Goals for Fiscal Year 2023 are to continue to work with Broward's municipalities and Broward County towards the development of a county-wide comprehensive solid waste disposal and recycling program; complete the 2032 Strategic Value and Business Plan, Infrastructure Plan and the Parks Master Plan to form priorities for the next 5-10 years; complete the Economic Existing Conditions analysis and implement accepted recommendations; and complete the City Code review and present it to the City Commission for adoption.

Goals for the long-term include maintaining the City's Aaa credit rating from Moody's and the AAA credit rating from Standard and Poor's that are valuable in obtaining the most favorable interest rates and terms for our proposed borrowings, as they have been in the past. There will be a continued commitment to sustaining a stable financial position that will help to maintain and enhance the City's physical and operating infrastructures. There will be a continued commitment to accountability and transparency, using all the tools and technologies available to communicate activities to Weston residents and businesses. The City staff will continue to take leadership roles in the formation and execution of public policy that benefits the City, and lead in national, state and local professional organizations where we may share our knowledge and learn from others. We will continue to support "Home Rule", oppose any preemptions of municipal authority by the Florida legislature, and enact appropriate ordinances and initiate legal strategies to protect the property values and quality of life within the City.

In closing, my sincere thanks to Darrel Thomas, Assistant City Manager/CFO; Karl Thompson, Assistant City Manager/COO; Bryan Cahen, Director of Budget and Patricia Bates, City Clerk for the many hours required to prepare these budgets. They would not be able to accomplish this without the expertise and contributions of the men and women who represent our service providers, including the Broward Sheriff's Office, Calvin, Giordano and Associates, Inc., C.A.P. Government, Inc., Municipal Technologies, LLC, and Weiss Serota Helfman Cole & Bierman. They are a diverse group with a singular goal – maintaining the Weston Way.

By all accounts, Weston's first 25 years welcomed accolades that should make us all proud. We best honor the individuals behind those achievements by ensuring that the next 25 years usher in similar accomplishments. It is a challenge that our City employees and dedicated service providers welcome, and on behalf of the entire Weston team I extend our appreciation to you, our Mayor and Commissioners, for

allowing us to be a part of this endeavor. Together we will Plan, Prepare and Proceed with a common purpose.

The City staff and I look forward to meeting individually with each member of the City Commission to review these budgets in detail, to answer any questions you may have, and prepare you to make confident decisions at our two public hearings of the budget in September.

Sincerely,

THE CITY OF WESTON

Donald P. Decker City Manager/CEO

DM #78072

ABOUT THE BUDGET

The Fiscal Year 2023 Adopted Budget for the City of Weston serves four fundamental purposes:

- 1. Policy Document as a policy document, the Adopted Budget serves to inform the reader about the Municipal Corporation and its policies. The City Manager's Budget Message provides a condensed analysis highlighting the principal issues of the City as well as setting the theme for the Fiscal Year. The Adopted Budget includes organization-wide financial and programmatic policies and goals that address long-term concerns and issues, as well as its short-term financial and operational policies that guide the development of the annual Adopted Budget. This budget document details the services that the City and its Dependent Districts will provide during the twelve-month period from October 1, 2022 through September 30, 2023.
- 2. Financial Plan as a financial plan, the Adopted Budget details the costs associated with providing municipal services and how the services will be funded. The General Fund section includes a summary and detailed description of all revenues and expenditures. Specific Fund sections also describe revenue and expenditure sources and uses and significant trends affecting specific funds. The Adopted Budget document explains the underlying assumptions for the revenue estimates and discusses significant revenue trends. Beginning and ending fund balances are shown for the budget year as are projected changes for each fund. In addition, there is discussion of the City's accounting structure and budgetary policies.
- **3. Operations Guide** as an operations guide, the Adopted Budget details how departments and the funds are organized. The Adopted Budget informs the reader of all the activities, services and functions carried out by each department. In addition, the Adopted Budget provides for performance measurements of organization-wide objectives to aid in monitoring the progress of the City. Each departmental budget section includes a description of the department's function, duties, its goals and objectives, performance measures, authorized positions within the organizational structure, budget highlights, and the budgetary appropriation.
- **4. Communications Device** as a communication device, the Adopted Budget provides summary information to aid the reader in interpreting the document. Charts, graphs, tables, and text are included to consolidate the information as much as possible. The Adopted Budget also includes a detailed table of contents and a glossary of terms to make it easy to locate and understand its contents. The Adopted Budget includes the City Manager's Budget Message, which provides readers with a condensed analysis of the fiscal plans of the City of Weston for the upcoming fiscal year.

GOVERNMENT FINANCE OFFICERS ASSOCIATION

Distinguished Budget Presentation Award

PRESENTED TO

City of Weston Florida

For the Fiscal Year Beginning

October 01, 2021

Christopher P. Morrill

Executive Director

The Government Finance Officers Association of the United States and Canada (GFOA) presented a Distinguished Budget Presentation Award to the City of Weston, Florida for its annual budget for the fiscal year beginning October 1, 2021. In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as a financial plan, as an operations guide, and as a communications device.

This award is valid for a period of one year only; however, for the Fiscal Year 2022 budget, this was the twentieth consecutive year the City has achieved this award. We believe our current Fiscal Year 2023 budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

CITY OF WESTON - PROFILE OF THE CITY

A hometown, family-oriented community, secure in its financial strength, with an involved community of residents who take great pride in calling Weston home.

Approximately 27 square miles in land size, with a population of **68,318**, Weston is located in southwestern Broward County, Florida. Initially conceived as a master-planned community, Weston was incorporated in 1996. Well managed growth has given rise to one of South Florida's most desirable communities, both residential and corporate. Weston's culturally diverse population enjoys a vibrant community, whose lifestyle, appearance and management style cities around the world wish to emulate.

Weston has the distinction of having:

- Consistently being ranked in the top tier as one of the safest cities in Florida from multiple sources including The Home Security Advisor, Frontpoint.com, SafeWise, SafeHome.org, HomeSnacks.org and Alarms.org;
- A-rated public schools by the Florida Department of Education and excellent private schools;
- Outstanding public safety and the lowest crime rate per capita in Broward County per SafeWise;
- Fifteen meticulously maintained park and recreational facilities which host cultural and community events and tens of thousands of registrants in organized sports leagues;
- The lowest millage rate in Broward County per the Broward County Property Appraiser;
- Only 12 City employees in a progressive contract-style of municipal management;
- AAA/Aaa credit ratings from Standard and Poor's & Moody's;
- Visually distinctive, Weston has flowing waterways, 51.3 miles of bike lanes, and extensive landscaping that is without dispute one of the City's greatest assets. Rows of prestigious Royal Palms and lush multilayered foliage line berms, medians and rights-of-way throughout the City.

Weston encompasses a diverse corporate and retail climate that includes Fortune 500 companies, owner-operated retail establishments, restaurants, warehouses and a range of other businesses. World-class healthcare is provided by the Cleveland Clinic Florida, Broward Health Weston and the Miami Children's Hospital Dan Marino Center. Casual and chic restaurants and the beautiful Mediterranean styled Town Center downtown shopping and office complex provide residents and visitors with an array of culinary, nightlife and shopping experiences. Weston is also home to nationally recognized hotel brands offering accommodations for every need. The natural environment that surrounds and is encompassed within Weston is as unique as its lifestyle. Weston borders the Florida Everglades and the City maintains over 4,105 acres of wetland preserves, wetland mitigation areas, buffers and marshes, supporting a diverse ecological population. Weston also offers a supportive social infrastructure – a vital benefit to the comfort and happiness of our residents. City staff, contract and volunteer partners are continuously working to deliver quality services in every area that our residents deserve in return for their investment in Weston.

STAFFING LEVELS

City employee staffing will increase by two for Fiscal Year 2023. The City has added a Director of Procurement and a Director of Accounting. The City of Weston has one Mayor, four City Commissioners and twelve Full-Time City employees. The twelve employees are listed below along with their allocation by Organization.

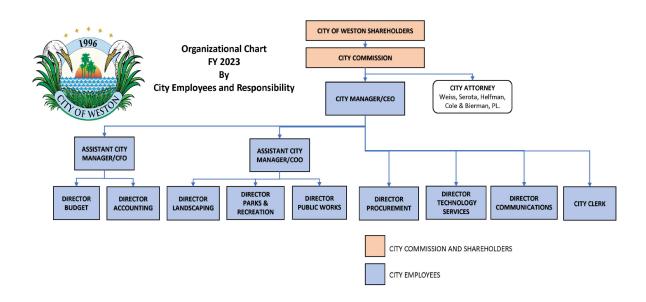

Allocation for City Employees

Services are provided by private and public sector service provider organizations instead of full-time City employees. In Fiscal Year 2023 positions added by the service provider organizations are further detailed within the departmental budgets.

[This page intentionally left blank]

CITY-WIDE ORGANIZATIONAL CHART

CITY-WIDE ORGANIZATIONAL CHART

CITY HISTORY - THE COMMUNITY OF WESTON

The City of Weston is a vibrant and young community. From its inception as a master-planned community to the City it is today, Weston has strived to be the prototype of its kind which others envy and often try to emulate. The residents enjoy a unique lifestyle which allows them to live, work, and play in their community while also experiencing the benefit of being in touch with Florida's natural landscape and wildlife. Through the efforts of the City, our businesses, homeowner associations, and each resident, Weston does not suffer from the poor service delivery and "eye sores" that plague other communities. This ensures that the lifestyle and investment of each resident within the community is not only preserved but also enhanced.

Basic in the City's incorporation in 1996 were several concepts that were considered essential to Weston's success as a city and maintaining the dream that our residents have invested in. These concepts included control of Weston's destiny, financial stability, maintaining quality of life, providing unrivalled recreational amenities, and being able to keep Weston's taxpayer dollars invested in Weston.

Another important reason for incorporation was the residents' overwhelming desire to tailor municipal services to community needs through the employment of a contractual form of government. This innovative solution allowed for flexibility in size, form, and function of government without the inefficiencies and handicaps of other communities.

Weston's municipal government is the catalyst that serves to protect and to enhance the quality of life that the residents expect today and well into the future. To accomplish this mission, a flexible, highly responsive, and proactive municipal government is in place to respond to our ever-changing physical and economic environment.

Another important issue is the preservation of Weston's quality of life. Everyone who lives in our community knows that this place is like no other in terms of the lifestyle it offers. Our location, facilities, and overall "look and feel" are second to none, and a significant reason for high property values. It is therefore logical that residents would like to protect their investment the best they can.

Without a doubt, Weston is truly a very special place. One that from its outset was envisioned to be a prototype community: a self-contained, thoroughly modern master-planned community of the finest residential neighborhoods and commercial areas nestled in one of the most beautiful parts of Florida. What became of that initial concept is now the premiere place to live, work, and play.

The Origins of Business Planning in Weston

The incorporation of the City of Weston in 1996 was a part of a planned evolution of the area from a special taxing district to a distinct community and finally a municipality. As a master planned community, the area's future was by definition and from the very beginning defined by planning.

First, there was a master development plan, which was submitted by the developer and majority landowner, the Arvida Corporation, and culminated in the establishment of the Indian Trace Special Municipal Tax District in 1975 later re-established in 1981 as a Community Development District. As the area developed, it became known as a superbly organized self-sustaining mixed-use community. With active cooperation of the public and private sectors, Indian Trace, known to its residents and businesses as Weston, "the Home Town", flourished to a population of over 30,000 and a diverse employment and service base.

As the community contemplated its future in the mid 1990's, it established the Blue Ribbon Steering Committee to investigate various governance options which would provide for long-term protection and enhancement of quality of life for its residents, and values for its landowners. Under a plan developed by the staff of the Indian Trace Development District, the Steering Committee considered options including remaining a part of unincorporated Broward County, joining another municipality and incorporating into a new city. After analysis, the Steering Committee recommended that the community seek incorporation as the best answer to its issues of control, identity, destiny and quality of life. The Incorporation Feasibility Study, another pivotal plan in the community's history, was subsequently developed and served as a structure for the organizational, financial and service delivery blueprint for the City during its first five years of existence. The study's financial projections were so successful; they became the model for the City's first few annual budgets.

In 2001, the City shifted its focus from planning and delivery of primary infrastructure to infrastructure and service enhancements, as well as operation and maintenance of existing assets. The first element of this change in focus was the development of a Strategic Value Plan, so named because the City Commission adopted a long-term goal of protection and enhancement of property values within the City. Based on exhaustive staff and elected official consultations and input, a master capital plan called the 2010 Strategic Value Plan was developed to identify all capital projects and improvements which would further the stated long-term goal.

Further recognizing that such a capital plan would be far more valuable if combined with a more comprehensive business plan, the City adopted in 2002 its 2010 Business Plan. The 2010 Business Plan followed in the footsteps of the Incorporation Feasibility Study and provided long-term strategic policy recommendations relating to service delivery and financial management and detailed pro-forma style operating and capital projections through Fiscal Year 2010. The 2010 Business Plan and 2010 Strategic Value Plan have been updated continually since adoption to ensure continued relevance and have become the primary near real-time planning tools and models of the City and its taxing districts, as well as the primary basis for City annual budgets.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

In 2005, in step with the Fiscal Year 2006 Budget, the City accepted the 2015 Strategic Value & Business Plan. This plan combined the Strategic Value Plan capital and Business Plan policy, service delivery and modeling aspects into a single document. The 2015 plan became the new master plan for the City through Fiscal Year 2015.

2015 Strategic Value & Business Plan

The 2015 Strategic Value & Business Plan (the "2015 Plan") was prepared by the City to provide a long-term strategic policy document, an operating and financial guide and a financial modeling mechanism for the City of Weston. The 2015 Plan was an expansion and continuation of the City's 2010 Business Plan. Similar to the 2010 Business Plan, the 2015 Plan provided long-term policy recommendations and intermediate-term financial projections for the City of Weston. The ten-year projection horizon was chosen to reasonably forecast the City's financial position as well as to coincide with the 2015 Strategic Value Plan developed by the City's Engineers, which outlines the capital outlay needs of the City.

In 2010, in step with the Fiscal Year 2012 Budget, the City accepted the 2018 Strategic Value & Business Plan (the "2018 Plan"). This latest plan replaced the 2015 Plan and became the new master plan for the City through Fiscal Year 2018. The 2015 Plan quickly became obsolete after several significant events transpired such as Hurricane Wilma's impact to the City, the economic recession, the Florida State Legislature's tax reforms and for the first time in the City's history, a severe housing downturn. After these experiences it became clear that the 2015 Plan needed to be revised with this information and new financial strategic tools incorporated into an updated version of the City's long-range strategic plan.

2018 Strategic Value & Business Plan

The 2018 Strategic Value & Business Plan was an expansion and continuation of the City's 2015 Strategic Value and Business Plan. Similar to the 2015 Plan, the 2018 Plan provides long-term policy recommendations and intermediate-term financial projections and strategic policies for the City of Weston. The ten-year projection horizon was maintained to reasonably forecast the City's financial position as well as to coincide with the 2018 Capital Projects and Maintenance Plans developed by the City staff, which outlines the capital outlay and maintenance needs of the City.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

2022 Strategic Value & Business Plan

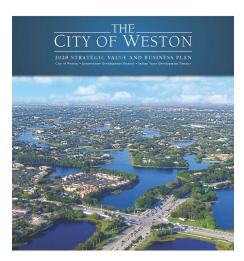

The City of Weston 2022 Strategic Value & Business Plan (the "2022 Plan") is an expansion and continuation of the City's 2010 Business Plan, the 2015 Plan and the 2018 Plan originally developed and adopted by the City of Weston in 2002, 2005 and 2010, respectively.

Similar to those previous plans, the 2022 Plan provides long-term policy recommendations and intermediate-term financial projections for the City of Weston.

The 2022 Plan was developed by staff in the beginning months of 2014, and a workshop was held on March 3, 2014. Additional workshops, one-on-one meetings with the Mayor and City Commissioner's, further staff discussions, and the adoption of the Fiscal Year 2015 Budget shaped the final plan.

2028 Strategic Value & Business Plan

The 2028 Plan was developed by staff in 2017, and a workshop was held on November 13, 2017. Additional budget workshops, one-on-one meetings with the Mayor and City Commissioner's, further staff discussions and the approval of the Fiscal Year 2018 Operating Budget shaped the final plan.

The financial presentation in the 2028 Plan follows the format of the City's adopted operating budgets to insure easy reference with the City's current budget. All department and fund-level projections are explained, with clearly identified projection rationales.

This Plan is organized into eight sections: section one is the introduction to this Plan, section two discusses long-term policy recommendations, section three describes intermediate-term financial projections, section four illustrates the City of Weston departments and funds and provides the exhibits illustrating projected assessment levels; section five illustrates the Bonaventure Development District funds and provides the exhibits illustrating projected assessment levels; section six illustrates the Indian Trace Development District funds and provides the exhibits illustrating projected assessment levels;

section seven provides an overview of the capital projects including capital maintenance, capital outlay, infrastructure and assets; section eight provides an overview of debt and reserves including the debt management policy, a debt summary, investment policy, minimum levels of recommended reserves and it contains the glossary.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

The specific policies that the 2028 Plan recommends pertain to the separation of water management and rights-of-way operations between Indian Trace and Bonaventure Development Districts (Strategic Policy #1); separation of rights-of-way and roadway expenses between the Districts and City-wide Street Maintenance Fund (Strategic Policy #2); maintaining a Disaster Management Reserve adjusted annually for the change in CPI and a Credit Reserve to maintain a AAA/Aaa credit rating (Strategic Policy #3); limiting pre-funding capital expenditures to projects requiring annual capitalization of \$100,000 or less (Strategic Policy #4); upholding the service and funding separation for the rights-of-way services within the respective Districts while providing requisite service levels and capital reserves (Strategic Policy #5); modifying the City's Fire Protection Services methodology to use ten-year fire incident data, if available, to better reflect actual requirements for Fire Protection Services (Strategic Policy #6); maintaining short-term financing mechanisms to provide for a minimum short-term credit line of 100% of annual operating appropriations to support the City's strategy of dealing with disaster events (Strategic Policy #7); Developing an Infrastructure Reserve for annual contributions to be set aside each year for ongoing capital maintenance and equipment (Strategic Policy #8); A debt policy which recommends a series of guidelines and specific rules necessary in accomplishing the City's use of Debt (Strategic Policy #9); and an Investment Policy that provides the framework for the investment activities of the City (Strategic Policy #10).

In the section dedicated to the intermediate-term financial projections, the Report demonstrates strong financial conditions, which are the result of conservative financial management and policies. In general, the 2028 Plan provides insight into the City's intermediate-term outlook. The 2028 Plan leverages the past work of the Incorporation Feasibility Study, Strategic Value Plan, the 2010 Business Plan, and the 2015, 2018 and 2022 Plans in charting the financial and operating policies necessary to achieve the City's goals.

Similar to its direct predecessor Plans, the 2028 Plan is the City of Weston's unique equivalent of the typical government multi-year capital plan seen in other cities. It is unique because the role of government in Weston is to protect and enhance the quality of life and financial investment that residents make when they moved into the community. To that effect, the 2028 Plan charts the City's strategic operating and financial courses in order to achieve the goals set by the City.

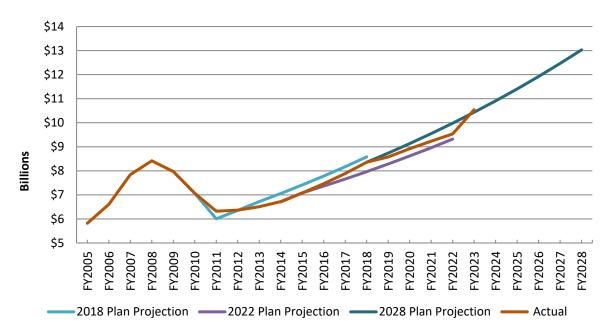

The 2028 Plan supports the City's commitment to protect and enhance the property values of its residents and businesses, which is the hallmark of the City. In order to support the goal, and as part of the business planning process, the City recognizes that the policies that contributed to its success are likely to serve the City well into the future and the City is committed to those policies in the 2028 Plan.

The first decade of the City was characterized as one of rapid growth and development, in which double digit percentage increases in the tax base provided resources for both expanding services and growing reserves. That period of rapid growth ended when the City then entered its second decade as a built-out community; one in which the taxable value did not increase by double digits annually, one in which infrastructure began to age and required greater maintenance and replacement, one in which high levels of service became the expectation. The challenge of the first decade was to keep pace with the growth and develop the infrastructure. The challenge of the second decade was to be able to continue to provide that high level of service and asset maintenance with revenue growth at a much lower pace.

As these plans take us into the third decade, new challenges arise; moderated revenue growth, inflationary pressures on expenditures, redevelopment of public and private infrastructure, maintaining and enhancing the levels of service, protecting and enhancing the quality of life and enhancing the financial investment that residents make when they move to Weston.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

As the national economy struggled in the early 2000's, the City was not immune to its impacts, especially on revenues. The drop in the markets negatively impacted the City's ability to earn interest on its reserves. The collapse of the housing bubble and the corresponding increase in sales of properties in foreclosure at significantly lower value resulted in decreases in the taxable value of property in the City. As housing and financial markets began to rebound, the City's value of property began to rise and in 2018, the taxable value exceeded pre-recession values. The chart below shows the 2018, 2022 and 2028 Plan projections and the actual taxable value from Fiscal Year 2006 through Fiscal Year 2023.

For Fiscal Year 2023, the City's Gross Taxable Value increased by 10.54% above the prior year's, to \$10,540,297,532, surpassing the 2028 Plan projection. Among Broward County's 31 municipalities, Weston was 15th in percentage change in total taxable value. As a result, Weston will grow increasingly reliant on redevelopment, new revenue streams, or millage rate increases in order to maintain the level of service that residents have come to enjoy.

In 2010 Weston was confronted with the impact of acts by the Florida Legislature and Governor that placed limits on the growth of property values which thereby limited the growth of local government ad valorem revenues. The City Commission had the vision to choose to assure the maintenance of services for several years forward and adopted a millage rate increase to 2.0000 intended to sustain the City for the coming three fiscal years. In fact, the 2.0000 millage rate sustained the City for a fourth fiscal year.

In Fiscal Year 2015, the City's ad valorem millage rate of 2.0000 could no longer sustain the service levels our residents have come to enjoy and expect. The costs to maintain all of the City's General Fund services without significant reductions escalated at a rate greater than the rate of growth in taxable property values and more than the 2.0000 ad valorem millage rate could support.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

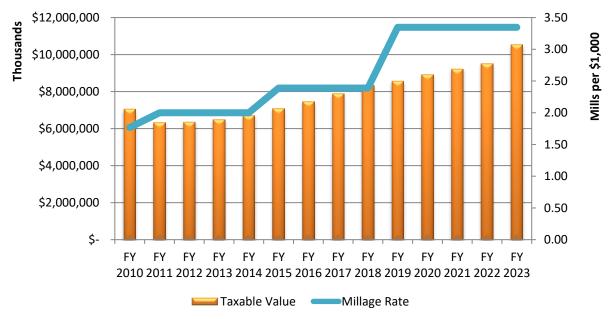

Once again, the City Commission had the vision to choose to assure the maintenance of services for several years forward, and to do so, adopted an ad valorem millage rate of 2.3900 to sustain the City for three fiscal years. In Fiscal Year 2018, the City was able to maintain the ad valorem millage rate of 2.3900 for a fourth year.

Since 2011, the City has utilized a millage rate stabilization methodology whereby, based on conservative projections, a millage rate is established with the expectation of that rate lasting for three fiscal years, absent any catastrophic events. This approach provides stability in the budgeting for and the maintenance of high-level services to Weston's residents, and the essential maintenance and enhancement of Weston's physical and operating infrastructures.

In Fiscal Year 2019, the City once again employed the millage rate stabilization methodology to establish a millage rate for Fiscal Year 2019 and the two fiscal years thereafter. The millage rate is based on the 2028 Strategic Value and Business Plan, which aided the City in the determination of the minimum increase necessary to maintain fiscal discipline, to maintain and enhance physical and operating infrastructures, and to ultimately assure Weston's residents and businesses the quality of life and security that has become the City's standard.

The City of Weston Adopted Budget for Fiscal Year 2023 is based on an ad valorem millage rate of 3.3464 mills, for a fifth consecutive year.

LONG-RANGE FINANCIAL AND CAPITAL PLANNING

In conclusion, the City of Weston's 2028 Plan provides a blueprint for the City's long-range outlook. The 2028 Plan leverages the past work of the Incorporation Feasibility Study, Strategic Value Plan, the 2010 Business Plan, the 2015 Strategic Value and Business Plan, the 2018 Strategic Value and Business Plan and the 2022 Strategic Value and Business Plan, among others, in charting the financial and operating policies necessary to achieve the City's goals.

The 2028 Plan projects that the City of Weston is expected to continue growing the value for its residents and business owners and continue to provide each with outstanding services at fair costs.

Fund balances in the City and District Funds are projected to remain at levels capable of providing sufficient resources to respond to disaster events and enough to keep the City in a strong financial position. The 2028 Plan provides the resources to continue providing the high-quality services and facilities for Weston's residents, businesses and visitors which they have come to enjoy and expect. The 2028 Plan's projections are proof positive that the unique concept that has been created for the City of Weston will continue to produce outstanding results into the future.

The City's 2028 Strategic Value and Business Plan can be found on the City's website www.westonfl.org or, if reading this budget online, by clicking here FY 2028 SVBP.

The Plan did not contemplate a global pandemic, nor the economic stresses that would follow. With signs of returning to normal, or at least a "new normal", a re-evaluation of Weston's future is critical. Development of a new Strategic Value and Business Plan is under way and will incorporate the many changes experienced since 2018. This new Plan, when combined with the Parks Master Plan and other reviews of the City's infrastructure will project the revenues and expenditures needed to sustain and enhance Weston's facilities and services, to produce a cost-efficient and responsive government in the coming years.

FINANCIAL SUMMARY

BUDGET FORMAT

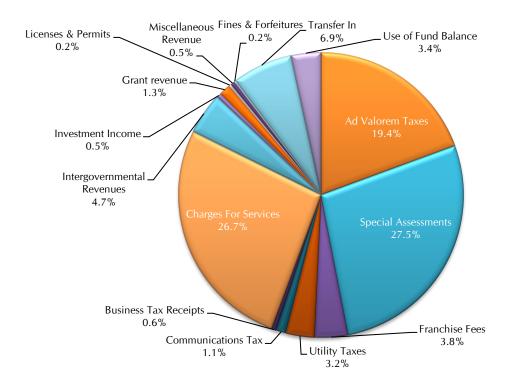

This Adopted Budget conforms to the Government Finance Officers Association of the United States and Canada's recommended budget format for municipal governments. This format provides that the budget be a policy document, financial plan, operations guide, and communications device. The budget as presented satisfies all four criteria while at the same time continuing to ensure that the goals and objectives established in the budget process are translated into results.

ALL FUNDS

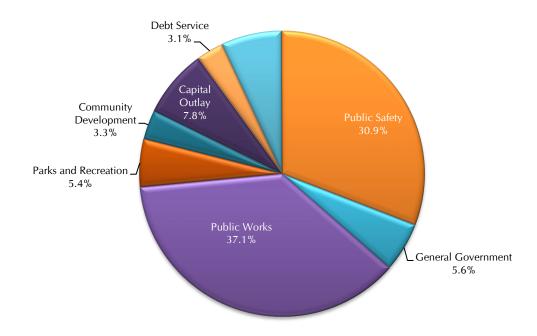

The total Fiscal Year 2023 Adopted Budget expenditures, including all dependent districts of the City of Weston, are \$160,773,300 excluding Transfers Out and Reserve Accruals. This is a 3.72% increase from the Fiscal Year 2022 Adopted Budget. The Fiscal Year 2022 Amended Budget includes City Commission approved mid-year budget amendments and transfers. The Fiscal Year 2021 actual expenditures are provided.

Expenditures	Actual FY 2021	Adopted FY 2022	Amended FY 2022	Adopted FY 2023

The City of Weston was created by its residents to give them a common identity, control over their local government, ability to form their destiny and protect and enhance their lifestyle. The City views its property owners and businesses as shareholders who have invested their time and money in the community. Therefore, the best way to compensate those shareholders for their investment is to enhance the quality of life and contribute to increasing property values within the City. To achieve these goals, the City government effectuates all policies of the City Commission who acts as the representative of the shareholders and sets long-term goals and short-term objectives. Additionally, each unit in the organization has departmental goals, objectives and performance measures that tie into the organization-wide goals and objectives.

The information below contains the mission statement and the goals and objectives for the City of Weston.

MISSION

"To make the City of Weston the most desirable place to live, work and play."

CORE VALUES

Value. Success. Integrity.

CITY GOALS (LONG-TERM)

All goals support the mission statement by enhancing the quality of life and increasing the property values in the City. These department and fund goals highlight the priorities of the City. In addition to the below goals, the City will continue maintaining, and whenever possible, adding to reserves as well as maintaining the Aaa credit rating with Moody's and the AAA credit rating with Standard and Poor's.

City Goal: Provide the highest quality of public safety

- The goal of Public Safety is to maintain a pleasant and safe environment for residents, businesses and visitors. Public Safety will strive to motivate and empower deputies, firefighter/paramedics and officers to provide exceptional customer service and train them to meet future challenges within the community. Public Safety will be proactive by providing health and life safety programs and property loss mitigation programs to the community and will respond with well trained and well-equipped personnel in a timely manner in a committed effort to prevent the loss of life and property.
- It is the goal of the Law Enforcement Trust Fund to utilize the funds for purposes designated by federal and state laws.
- The goal of the Fire Services Fund is to prevent the loss of property due to fire; to provide a well-trained, well-equipped response in a timely manner to all calls for service; to inspect each multifamily and non-residential property annually; and for the fund to maintain self-sufficiency.
- The goal for the crossing guard contractor is to provide for the safety of pedestrians when crossing an intersection.

CITY GOALS (LONG-TERM)

City Goal: Preserve our parks and provide quality recreational programs

• The goal of Parks and Recreation is to manage the City's parks, to provide first-class facilities, and to provide programs to meet the needs and desires of all ages represented in the City.

<u>City Goal: Continue our commitment to sustaining a stable and strong financial position that will enable</u> us to maintain and enhance our physical and operating infrastructures

- The goal of the Disaster Management Fund is to segregate appropriations, revenues, and expenditures related to declared States of Emergency from other funds so as to best document the financial activities of the declared State of Emergency.
- The goal of the Capital Projects Fund is to provide the necessary resources to fund infrastructure needs within the City.
- The goal of the Debt Fund is to be responsible for the receipt of proceeds from borrowings, transfers from other funds or debt financing, with expenditures restricted to funding related to debt payments.
- The goal of the Street Maintenance Fund is to fund the transportation related needs of the City and to accrue reserves to enable the accomplishment of larger capital projects.
- The goal of the Transportation Fund is to provide transportation system amenities as deemed appropriate by the City Commission, and to operate that system to meet the needs of the community.

City Goal: Continue our commitment to accountability and transparency

- The goal of the City Attorney's Office is to provide competent and timely counsel so that the City may always be in a legally sound and defensible position in all of its undertakings.
- The goal of the Tree Trust Fund to utilize the funds for purposes designated by City Code.
- The goal of the Building Fee Fund is to be self-sufficient; to assure compliance with all applicable zoning and building codes; and to perform plan reviews, issue permits, and perform inspections in a timely manner.

City Goal: Continue using all the tools and technologies available to communicate our activities to our residents and businesses

- The goal of Comprehensive Planning is to guide users of the service through the required processes in a timely manner while assuring compliance with City codes, and to provide the City with the highest level professional expertise to accomplish its tasks and goals.
- The goal for the solid waste and recycling contractor is to perform collections in a neat and timely manner pursuant to the performance measures outlined in the agreement.

<u>City Goal: Continue to take leadership roles in the formation and execution of public policy that benefits</u> the City, and in federal, state and local professional organizations

- The goal of the City Commission is to provide world-class legislative leadership for the City, region and state, and to deliver quality services that reflect the priorities of the residents and businesses, and to enhance the quality of life for residents, businesses and visitors alike.
- The goal of the City Manager's Office is to develop a world-class municipal service organization that meets the needs of the residents and businesses in an ethical, efficient, business-like and professional manner.
- The goal of Administrative Services is to provide the City with staffing to offer exceptional service to its residents and businesses.

CITY OBJECTIVES (SHORT-TERM)

The objectives are programmatic in nature and cover single or multi-year fiscal periods beginning with the current fiscal year. In addition, each departmental unit has a set of objectives that tie to these overall Citywide objectives.

- Work with Broward's municipalities and Broward County towards the development of a countywide comprehensive solid waste disposal and recycling program.
- Implement the changes of law as a result of bills passed in the 2022 Florida Legislative Session that affect the City.
- Continue to support the Florida League of Cities messaging "Local Voices making Local Choices" and enact appropriate ordinances and initiate strategies to protect the property values and quality of life within the City.
- Continue to advocate to the Federal Aviation Administration to mitigate the impacts of increased commercial air traffic over Weston.
- Complete the 2032 Strategic Value and Business Plan, Infrastructure Plan and the Parks Master Plan to form priorities for the next 5-10 years.
- Complete the Economic Existing Conditions analysis and implement accepted recommendations.
- Complete the City Comprehensive Code review and present it to the City Commission for adoption.
- Monitor all capital projects that will commence this Fiscal Year.
- Monitor the status of Broward County Surtax funded projects that will commence this Fiscal Year
 including bike lanes pavement markings, sidewalk repairs and maintenance on city streets in the
 Meridian Business Campus, Indian Trace Road improvements design, Weston Road bike and
 pedestrian improvements design and bicycle wayfinding signage, Royal Palm Boulevard & Weston
 Road intersection improvements and Sailboat Circle drainage improvements.

RESULTS IN ACHIEVING OBJECTIVES FOR FISCAL YEAR 2022

Objective: Execute last year's "Celebrating 25 years of Community" theme.

Response: The City of Weston celebrated its silver anniversary in Fiscal Year 2022 culminating with an evening of fun and festivities at Regional Park. Additional events celebrating the community were held throughout the year. Part of the theme's meaning was to reflect on the growth of Weston over the last 25 years while considering what the next 25 years would bring. The built-out environment, community spirit and financial discipline ensures that Weston will continue to enjoy a well-established quality of life.

Objective: Support the objectives of and oppose the adverse impacts of the United States Army Corp of Engineers and the South Florida Water Management District's Broward County Water Preserve Area C-11 Impoundment Project.

Response: Continue to review and oppose any adverse impacts to the City of Weston.

RESULTS IN ACHIEVING OBJECTIVES FOR FISCAL YEAR 2022

Objective: Monitor the Interchange Modification for the I-75/Royal Palm Boulevard interchange that remains active at the Florida Department of Transportation, which if approved would have adverse impacts on the City.

Response: Continue to review and oppose any adverse impacts to the City of Weston.

Objective: Attain recognition from the Government Finance Officers Association of the United States and Canada for financial reporting and budget presentation.

Response: The City received the Government Finance Officers Association of the United States and Canada's Certificate of Achievement for Excellence in Financial Reporting Award for the fiscal year ending September 30, 2021, the twenty-third consecutive year; and the Government Finance Officers Association of the United States and Canada's Distinguished Budget Award for the 2022 fiscal year beginning October 1, 2021, the twentieth consecutive year. The City is submitting for both awards again in the following fiscal years.

Objective: Implement the City's 2028 Strategic Value and Business Plan.

Response: The City of Weston 2028 Strategic Value and Business Plan is a long-term strategic policy document, an operation and financial guide and a financial modeling mechanism for the City. The 2028 Plan is an expansion and continuation of the City's 2010 Business plan, 2015 Strategic Value & Business Plan, 2018 Strategic Value & Business Plan and the 2022 Strategic Value & Business Plan originally developed back in 2002, 2005, 2010 and 2015, respectively. The 2028 Plan was adopted in Fiscal Year 2018.

The City undertook a number of capital improvements beginning with the implementation of the 2028 Strategic Value and Business Plan and will continue to do so in the future. Development of a new Strategic Value and Business Plan is under way and will incorporate the many changes experienced since 2018. This new Plan, when combined with the Parks Master Plan and other reviews of the City's infrastructure will project the revenues and expenditures needed to sustain and enhance Weston's facilities and services, to produce a cost-efficient and responsive government in the coming years.

ANNUAL BUDGET PROCEDURES

BUDGET PROCEDURES

In accordance with Section 3.03 of Charter of the City of Weston (Powers and duties of the City Manager), the City Manager shall prepare and submit to the City Commission a proposed annual budget and capital program. Charter Section 4.04 (Annual Budget Adoption) further details the annual budget adoption procedure as consistent with those outlined in Chapter 166.241, Florida Statutes (fiscal years, financial reports, appropriations, and budgets):

- (1) Each municipality shall report its finances annually as provided by general law.
- (2) Each municipality shall make provision for establishing a fiscal year beginning October 1 of each year and ending September 30 of the following year.
- (3) The governing body of each municipality shall adopt a budget each fiscal year. The amount available from taxation and other sources, including amounts carried over from prior fiscal years, must equal the total appropriations for expenditures and reserves. The budget must regulate expenditures of the municipality, and it is unlawful for any officer of a municipal government to expend or contract for expenditures in any fiscal year except in pursuance of budgeted appropriations.

After the Budget is adopted, the City Commission is authorized by Charter Section 4.03 (e) Emergency Appropriations, to make emergency appropriations by passing an emergency resolution to meet a public emergency affecting life, health, property or the public peace. To the extent that there are no unreserved revenues to meet such appropriations, the City Commission may by such emergency resolution authorize the issuance of emergency short term debt, which may be renewed from time to time, but the emergency short term debt and renewals in any fiscal year shall be paid not later than the last day of the fiscal year succeeding that in which the emergency appropriations were made.

The City of Weston Budget is adopted on a total budget basis for the City and its two Dependent Districts. Any transfers within a fund or within a General Fund department are permissible as long as the total level of revenues and expenditures are held constant and approved by the City Manager or the Assistant City Manager/Chief Financial Officer. Any transfers across funds or changes to fund- or department-level revenues or expenditures would require the City Commission to amend the Budget by resolution.

The City of Weston Budget is a tool created well in advance of the fiscal year to monitor spending and estimate revenues. During the fiscal year, events may arise that will significantly alter the projected revenues and/or approved expenditures. As such, the City Commission can adopt, by resolution, an Amended Budget. A review of Budget-to-Actual activity is done throughout the fiscal year and an Amended Budget is adopted by resolution, if needed, once at the midpoint and once at the end of the fiscal year.

BUDGET SCHEDULE

Budgeting is a year-round process, where all staff and contract providers participate by providing constant feedback on financial and operational effects of the current budget as well as recommendations for future budgets. However, as specified in the City's Charter, the development of the annual Adopted Budget is the specific responsibility of the City Manager. To assist in the preparation of the Adopted Budget, the City Manager relies on the Assistant City Manager/Chief Financial Officer, Assistant City Manager/Chief Operating Officer, the Director of Budget, the Financial Services Department and the department heads.

ANNUAL BUDGET PROCEDURES

The formal budget process begins in early March with the Assistant City Managers, Director of Budget, department heads and the Financial Services Department formulating expenditure, reserve and revenue estimates as well drafting objectives, highlights and performance measures. All departments are responsible for compiling budget figures, which are then reviewed and adjusted by the City Manager, Assistant City Manager's, Director of Budget and the Financial Services Department during a series of interdepartmental meetings. A City Commission workshop was held in May to discuss the projected budget, the millage rate and assessments. The preliminary draft of the Budget document is presented to the City Manager in the first few days of June following the delivery to the City of preliminary estimates of taxable values by the Broward County Property Appraiser on June 1. One month later, on July 1, the Property Appraiser certifies to the City the final amount of taxable real estate and tangible property values within the City, and based on that certified value, the City can set its preliminary millage rate.

Subsequent to the certification, the City Commission adopts a resolution setting the preliminary millage rate used to prepare the statute-mandated Notice of Proposed Taxes. During the remainder of July, the Budget document is refined, printed in draft form and distributed to the City Commission. Also during July, the City Manager assisted by the City Clerk, the Director of Budget and Assistant City Manager/CFO completes Form DR-420, Certification of Taxable Value, and returns it along with a copy of the resolution setting the proposed millage rate and information on the preliminary special assessment rates to the Property Appraiser Office by August 1.

Commencing in the first week of August, the City Manager and key staff meet individually with the members of the City Commission and present a City Manager's Proposed Budget for review and changes. After any changes and suggestions to the Proposed Budget are incorporated, the document is printed as Tentative Budget for consideration at the first Budget public hearing in September. Meanwhile, the preliminary millage rate is used in the Notice of Proposed Taxes, also referred to as the Truth-In-Millage or TRIM notice and mailed by the office of the Broward County Property Appraiser to all property owners on or about August 24.

In accordance with Florida Statutes, the City Commission holds two public hearings on the proposed millage rate and the Tentative Budget in September. At the first public hearing, the millage and the Budget are *tentatively* adopted and at the second hearing the millage and Budget are adopted. Following the passage of the final millage rate, the City has three days to notify the County Property Appraiser of the final millage and thirty days to certify compliance with Florida Statutes with the Florida Department of Revenue. After the final millage rate and Budget are adopted, they become effective on October 1, when the City's new fiscal year commences.

FISCAL YEAR 2023 BUDGET CALENDAR

DATE	RESPONSIBILITY	ACTION
Monday, March 28	Department Heads	Send out email to Department Heads stating that by April 22 all objectives, personnel, expenditures and performance measures are due.
Friday, April 22	Department Heads, Director of Budget	Delivery of Fiscal Year 2022 Quantitative department objectives to the Assistant City Manager/Chief Financial Officer and City Manager. State your objectives as clearly and in as concise a format as possible. Please review that your goals are in-line with City needs and that you will be able to achieve them during Fiscal Year 2022. FINANCIAL ORGANIZATION

For operating and financial purposes, the City of Weston is segregated into three separate entities: the City, Indian Trace Development District and Bonaventure Development District. The separation pre-dates the incorporation of Weston, where the majority of the area that is currently the City existed as the Indian Trace Community Development District, an Independent Special Taxing District, providing extensive capital as well as operation and maintenance services to the area. When Weston incorporated in 1996, the City chose to maintain the separation of district and municipal functions, whereby the City would provide services previously provided by Broward County and the Indian Trace District would become a dependent district of the City providing water management, road and rights-of-way capital, operations and maintenance services.

Such separation became even more important when six months later the City annexed the adjoining community of Bonaventure serviced by the West Lauderdale Water Control District in the area of water management and serviced by the Keep Bonaventure Beautiful Corporation in the area of road and rights-of-way maintenance. As Bonaventure's infrastructure and service levels were different from those in the Indian Trace area of the City, the City decided to maintain the functional and financial separation between the City, the Indian Trace Development District, the Bonaventure area, and the organizations existing within the Bonaventure area.

In 2001, however, the Florida Legislature dissolved the West Lauderdale Water Control District and transferred its water management responsibilities to the Bonaventure Development District, a dependent district created by the City to provide services to the Bonaventure area. Early in 2002, the City purchased the Keep Bonaventure Beautiful Corporation and operating under the Bonaventure Development District the City was finally able to provide services to the Bonaventure area at levels desired by the residents.

Consequently, the activities of the City are separated into three reporting entities: the City and two dependent component units, Indian Trace Development District and Bonaventure Development District. A dependent component unit is a legally separate entity that is in substance a part of the City's operations and for which the City is considered to be financially accountable. Part of the accountability stems from the fact that the City Commission also sits as the governing board of the Indian Trace Development District and Bonaventure Development District and Service providers work both for the City and its Districts.

FUND STRUCTURE, PURPOSE AND BASIS OF BUDGETING/ACCOUNTING

During Fiscal Year 2023, the City will have 17 funds subject to budgetary appropriation included in the Adopted Budget. Funds are control structures that ensure public funds are expended only on those activities authorized by the City Commission and within the amounts authorized. All funds are budgeted on a cash basis. The cash basis recognizes revenues and expenses at the time cash is received or paid out. The modified accrual basis is the method used for the audited financial statements. The modified accrual basis recognizes receivables and payables (revenues and expenditures), as they are earned and incurred even if cash has not been received or paid out. The Indian Trace Development District Enterprise Fund – Water & Sewer Utility is the only non-governmental, or business-type, fund and uses an accrual basis of accounting for its audited financial statements.

Funds are established to account for the different types of activities and legal restrictions that are associated with a particular government function. The use of funds, accounting and auditing that are associated with this fund structure are governed by Florida Statutes and Generally Accepted Accounting Principles (GAAP), as determined by the Government Accounting Standards Board (GASB).

The City of Weston, Indian Trace Development District and the Bonaventure Development District use the following funds to control its financial activities for City-wide purposes:

Fund Name	Type of Fund	Fund Category
The City of Weston		
General	Major Governmental	General
Law Enforcement Trust	Nonmajor Governmental	Special Revenue

POLICIES AND PROCEDURES

The financial policies as outlined herein are the basis of the daily operations of the City of Weston. The policies establish objectives and provide guidelines and specific rules necessary in accomplishing the City's operating and capital programs.

OPERATING POLICIES:

Maintain the Indian Trace and Bonaventure Development Districts for the purpose of providing water management and rights-of-way services, debt service payments and capital projects.

Pay for all current operating expenditures with current revenues. The City will avoid balancing current operating expenditures with borrowed revenues.

Provide for adequate maintenance of capital, plant and equipment and for their orderly replacement.

Monitor budget-to-actual activity at the department level in the General Fund and at the fund level in all other funds.

Prepare monthly reports comparing actual revenues and expenditures with budgeted amounts by no later than the 15th day of the following month.

Develop multi-year business plans every three to five years to model operating conditions into the future and whenever practical use them as bases for future annual operating budgets.

CAPITAL IMPROVEMENT POLICIES:

Develop multi-year business plans every three to five years for capital improvements, update them annually as necessary and whenever practical use them as bases for future annual capital budgets.

Limit pre-funding of capital projects to those where annual contributions are less than \$100,000.

REVENUE POLICIES:

Maintain a diversified and stable revenue system to shelter the City from unforeseeable short-term fluctuations in any one revenue source.

Estimate annual revenues by an objective and conservative analytical process.

Project revenues for the next year, update projections and re-examine each existing and potential revenue source annually.

Recalculate the full costs of activities supported by user fees annually and make appropriate adjustments.

UNASSIGNED FUND BALANCE POLICIES:

Maintain a designated General Fund Balance called Credit Reserve at a minimum of 20% of that year's annual non-capital expenditures to maintain the Aaa credit rating from Moody's and the AAA credit rating from Standard and Poor's.

Use Disaster Management Fund Balance for natural or man-made disasters and Unassigned General Fund Balance for economic downturns as authorized by City Commission resolution.

Maintain a designated General Fund Balance called Infrastructure Reserve for pre-funding of future capital projects where annual contributions required are less than \$100,000.

Carry over any and all fund balance not specifically restricted at the end of each fiscal year as Unassigned Fund Balance and report them in the annual budget and annual comprehensive financial report in accordance with Generally Accepted Accounting Principles.

ACCOUNTING, AUDITING AND FINANCIAL REPORTING POLICIES:

Maintain the highest standard of accounting practices in conformity with Generally Accepted Accounting Principles.

Present a summary of financial activity by major types of funds in regular monthly and annual financial reports.

Retain a public accounting firm specializing in auditing local governments to perform the City's annual audit and publicly issue an opinion on the City's compliance with accounting principles, internal controls, and rules of Auditor General of the State of Florida.

CAPITAL ASSETS POLICIES:

The City will comply with the standards established by Governmental Accounting Standards Board Statement 34 and all subsequent pronouncements set forth by the Governmental Accounting Standards Board or its successor organization regarding Fixed Asset Accounting.

Capitalize all individual assets and infrastructures with a cost of \$5,000 or more and an estimated useful life of three years or more.

Account for assets and infrastructure meeting the minimum dollar and life thresholds in the following categories: land, buildings, improvements, equipment, infrastructure, construction in progress.

Only assets or infrastructure with a value over \$5,000 will be budgeted as a capital item in the budget. Short lived assets which do not meet the capital asset threshold will be budgeted as operational materials and supplies.

Governmental Accounting Standards Board Statement 34 requires governments to depreciate capital assets with a defined estimated life. The City will use the straight-line depreciation method, there will be no depreciation on land or other assets with an indefinite life, construction in progress will not be subject to depreciation until the project is completed and depreciation will not be calculated on the salvage value

INVESTMENT POLICIES:

Comply with all applicable Florida Statutes and regulations guiding investment policies of local governments and the current City of Weston Investment Policy.

Invest funds to achieve safety, liquidity and yield as investment objectives in the specified priority order.

Perform cash flow analyses of all funds on a regular basis. Assure scheduling of disbursements, collections and deposits to provide cash availability as well as minimal idle funds.

With the exception of United States Treasury, United States government or instrumentality obligations, any other debt instrument which carries the full faith and credit of the United States Government of the Federal Deposit Insurance Corporation, or cash-equivalent investments, the City's portfolio shall be limited to a maximum of 5% of its total assets valued at cost invested in any one security issuer.

Maximize the return on all investments while minimizing the portfolio risk.

DEBT POLICIES:

The City of Weston, at present time, has no statutory legal limits on the amount or any other aspects of its debts. All debt is approved by the elected officials as part of their normal decision-making functions. Prior to originating any new debt, an analysis shall be performed to evaluate the impact of new debt. Any new debt shall meet the following criteria prior to origination or issuance:

Total projected debt (including new debt) per capita ratio not exceeding 5% of the most recently published City per capita income data calculated by the United States Census.

Total projected debt (including new debt) less than 2% of the City real property just (market) value as calculated by the Broward County Property Appraiser's Office.

Total projected annual debt service (including new debt service) less than 12% of total projected recurring operating expenditures (capital expenditures, existing debt service and other nonrecurring expenditures not included).

Pledged projected revenue coverage ratio of greater than 1.20x projected related annual debt service.

The City's Financial Policies can be found on the City's website www.westonfl.org or, if reading this budget online, by clicking here Financial Policies.

GENERAL FUND OVERVIEW

The General Fund is used to account for resources and expenditures that are available for the general operation of city government.

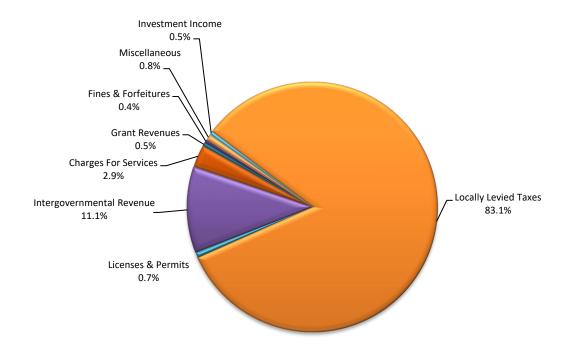

The City of Weston Fiscal Year 2023 Adopted Budget projects a total of \$58,388,300 in General Fund revenues, an increase of 9.17% as compared with the previous year's Adopted Budget. For the same period, General Fund expenditures, excluding transfers out and reserve accruals, are projected to reach \$52,275,900, a 5.91% increase from the previous year's Adopted Budget. This Budget uses fund balance in the amount of \$377,600 with the remaining excess revenue of \$6,490,000 transferred out to support capital projects for a total expenditure budget of \$58,765,900.

GENERAL FUND SUMMARY OF REVENUES

For Fiscal Year 2023, the largest General Fund revenue source estimated at \$48,540,300 or 83.1% of the total is represented by Locally Levied Taxes; comprised of Ad Valorem Taxes, Franchise Fees, Utility Taxes, and Simplified Communication Taxes.

Additional General Fund revenues include Intergovernmental Revenues estimated at \$6,498,000 or 11.1%, Charges for Services estimated at \$1,680,000 or 2.9% of total revenues, Licenses & Permits at \$385,000 or 0.7%, Investment Income of \$284,600 or 0.5%, Fines & Forfeitures at \$250,000 or 0.4%, Grant revenues at \$300,000 or 0.5% and Miscellaneous Revenues at \$450,000 or 0.8%. More detailed information on General Fund revenues will follow in the General Fund revenue section of the Budget.

GENERAL FUND REVENUES

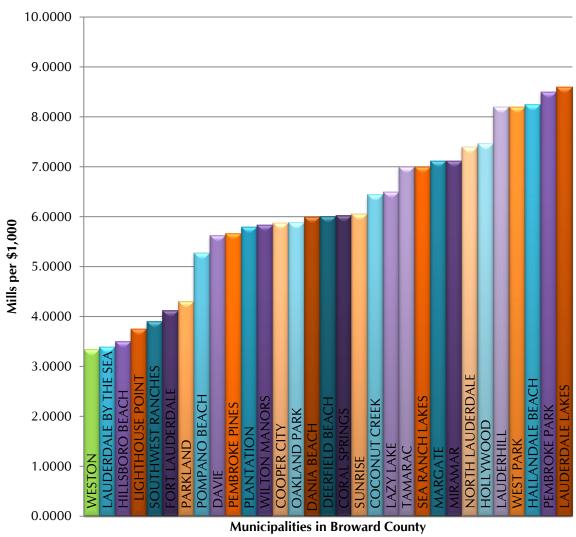

Revenues

The revenues available for allocation in the 2023 Fiscal Year General Fund Adopted Budget total \$58,388,300.

Locally Levied Taxes – This category includes Ad Valorem Taxes, Franchise Fees, Utility Taxes, Simplified Communications Taxes and Business Tax Receipts. The total revenue amount anticipated from this category is estimated at \$48,540,300. This amount includes \$33,508,500 from Ad Valorem Taxes, a 13.10% increase over the prior year's Adopted Budget. Ad Valorem taxes are based on a millage rate of 3.3464 mills which remains the same as the previous year. The 3.3464 ad valorem millage rate remains the lowest municipal property tax rate in Broward County and is 1.4% below the next closest municipal rate in Broward County.

Operating Millage Rates in Broward County

Local Business Tax Receipts – Local Business Tax Receipts are the fees charged by the City of Weston for the privilege of engaging in business. Revenues are anticipated to be \$1,000,000. The City of Weston has approximately 4,000 business files that were invoiced in July 2022 for 2023 Fiscal Year.

Licenses & Permits – Revenues from Engineering Permits are anticipated to remain flat at \$375,000. Actual revenues received in Fiscal Year 2021 were \$282,657.

Intergovernmental Revenues – Total revenues in this category are projected to increase to \$6,498,400 from \$5,592,000 during the prior fiscal year mainly due to increased projections in State-shared revenues and half-cent sales taxes. Actual revenues received in Fiscal Year 2021 were \$6,636,984.

Charges for Services – This category is comprised of revenues relating to services provided by the City, such as Development Fees, EMS Transport Fees, Recreation Fees and Tennis Center Fees. The total revenue anticipated to be collected in this category is \$1,680,000, an 9.85% increase from the previous fiscal year. The increase in this category can be attributed to the anticipated revenues from racquet club fees and recreation fees that were lower due to closures because of the COVID-19 pandemic.

Fines & Forfeitures – Revenues projected to be available for allocation from this category total \$250,000, a small increase from the previous fiscal year, and include Court, Commercial Vehicle, and Code Violation Fines. This revenue category is unpredictable and revenue projections are based solely on actual revenues during previous fiscal years.

Miscellaneous Revenue – Projected revenues are anticipated to increase to \$450,000 from \$350,000. Miscellaneous revenues are unpredictable and are comprised of cell tower leases and other miscellaneous income such as estoppel/lien search fees.

Investment Income – Revenues are anticipated to decrease from \$551,500 to \$284,600, based on actual income earned during the previous year.

Expenditures

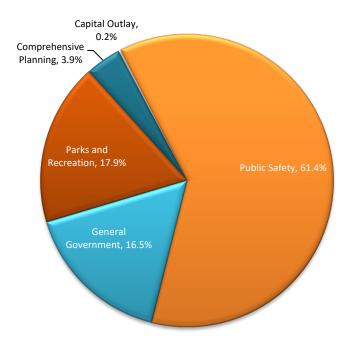

The estimated Fiscal Year 2023 General Fund expenditures total \$52,275,900 and are comprised of the following:

For Fiscal Year 2023 the largest General Fund expenditure department at \$32,096,100 or 61.4% of the total expenditures is Public Safety, comprised of Police, Emergency Medical Services and crossing guard services. The second largest expenditure department is Parks and Recreation, totaling \$9,365,600 or 17.9% of the General Fund Budget followed by the third largest department, General Government, which includes the City Commission, the City Manager's Office, legal services and administrative services, with expenses of \$8,623,600 or 16.5% of the General Fund Budget. Other expenditure categories are: Comprehensive Planning which includes planning & zoning services, code enforcement and engineering services totaling \$2,063,000 or 3.9% of the General Fund Budget

Debt Service – This category has no General Fund Budget appropriation.

Capital Outlay – This category represents \$127,600 or 0.2% of the General Fund Budget. This category includes technology equipment, parks equipment and concrete sidewalk repairs at Tequesta and Eagle Point parks.

GENERAL FUND EXPENDITURES BY FUNCTION

Reserves

This category represents Nonspendable, Restricted, Committed, Assigned and Unassigned excess annual revenues to be used in future fiscal years. The Nonspendable fund balance contains funds available for items such as prepaid expenses. The Committed fund balance holds funds intended for use on routine maintenance of City buildings such as City Hall, the Police Services Center or the City's Fire-Rescue/Emergency Medical Services Stations; and it holds funds in reserve to help maintain the City's AAA and Aaa credit ratings.

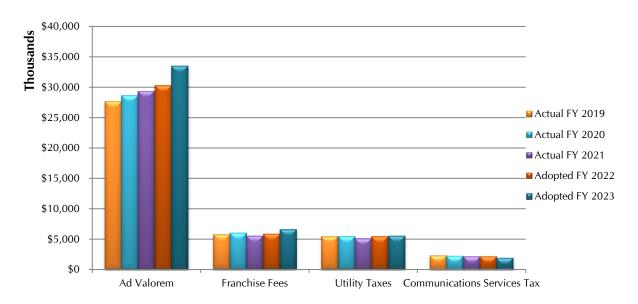

The Unassigned fund balance represents the funds available to balance future budgets. The General Fund will have Unassigned Fund Balance of approximately \$33,486,327 to fund its future expenditures and designated reserves, with the net decrease in unassigned fund balance being \$377,600.

GENERAL FUND REVENUES DETAIL

Locally Levied Taxes

The Locally Levied Taxes category accounts for the proceeds of Ad Valorem Taxes (also known as "Property Taxes"), Franchise Fees, Utility Taxes, and Communication Services Taxes. Presented below are descriptions of each revenue source collected by the City as well as information on the revenue trends and assumptions used in Fiscal Year 2023 Budget projections.

LOCALLY LEVIED TAX TRENDS

Ad Valorem Taxes are authorized by the Florida Constitution; however, the Constitution limits local governments to a 10 mill cap. Revenue projections for this category are based on official certifications of taxable values delivered to all governments in Florida on July 1 of each year by the County Property Appraisers. For Fiscal Year 2023, Weston's gross taxable value is \$10,540,297,532 a 10.54% increase from Fiscal Year 2022. The City levied a millage rate of 3.3464 mills based on that taxable value.

GENERAL FUND REVENUES DETAIL

The City projects Ad Valorem proceeds of \$33,508,500 in Fiscal Year 2023, which is \$3,194,700 or 10.54% more than Fiscal Year 2022. Ad Valorem Tax revenues are projected to increase this year based on the increased taxable value as the millage rate has remained the same for a fifth consecutive year. The City's taxable value this year was projected to grow at 3.0%. The actual increase of 10.54% was due to the rising housing market experienced in 2021.

Franchise Fees – Electric are authorized by the Florida Constitution and used as a fee for the privilege of transacting utility business within the jurisdiction, as well as the privilege of using the rights-of-way to conduct utility business. Weston levies a franchise fee of 5.90% on all purchases of electricity. During Fiscal Year 2023, the City's Budget projects \$3,800,000 from this revenue source, an increase of 6.55% from the previous year's Adopted Budget.

Franchise Fees – Solid Waste are authorized by the Florida Constitution and used as a fee upon utility providers for the privilege of a franchise within the jurisdiction as well as the privilege of using the rights-of-way to conduct business. During Fiscal Year 2023, the City of Weston will collect Solid Waste Franchise Fees of 35% for all commercial solid waste accounts within Weston. For Fiscal Year 2023, the City expects to collect a total of \$2,769,800, which represents an increase of 8.89% from Fiscal Year 2021 actual revenues received.

Utility Taxes - Electric are authorized by Florida Statutes Section 166.231 to be levied on sellers of electricity within municipalities. Weston levies the utility or public service tax on purchases of electricity at the maximum level allowable of 10%. Fiscal Year 2023 revenues from this source are expected to total \$5,490,000, an increase of 2.33% on the projected revenues received from the previous year's budget. The Utility Tax is calculated on the portion of the Florida Power & Light electric utility bill which does not include the fuel surcharge.

Utility Taxes – Gas are authorized by Florida Statutes Section 166.231 to be levied on sellers of metered or bottled natural gas within municipalities. Weston levies the utility or public service tax on purchases of natural gas at the maximum level allowable of 10%. Fiscal Year 2023 projected revenues are \$72,000 and are not significant, representing only 0.12% of General Fund revenues.

GENERAL FUND REVENUES DETAIL

Simplified Communication Taxes were authorized by Chapter 202 Florida Statutes in 2001 as a way to streamline taxing of increasingly interrelated communications services and to allow for a competitive playing field for providers of these services. The tax replaced all communications-related franchise fees, utility taxes and fees and debuted in Fiscal Year 2002. During Fiscal Year 2023, the tax collected by the Florida Department of Revenue and remitted monthly to the City will be levied at a rate of 5.22% and is expected to generate a net total of \$1,900,000 based on projections by the Florida Department of Revenue, which is a 13.20% decrease to the previous year budgeted revenues.

Local Business Tax Receipts are authorized by Chapter 205, Florida Statutes. The City of Weston collects its Local Business Tax Receipts pursuant to an ordinance which sets fees for the privilege of engaging in or managing any business, profession, and occupation within the City. Fiscal Year 2023 projected revenues are \$1,000,000 which is a 14.29% increase from the previous year.

Licenses & Permits

The Licenses & Permits category accounts for engineering permit fees and site plan fees. Engineering Permit Fees are authorized by the Florida Constitution to offset the cost of providing a service or regulating an activity. In Weston, municipal engineering review services are provided for by a contract with Calvin, Giordano & Associates. Over the last few years actual revenues received have been unpredictable. Fiscal Year 2023 projected revenues of \$385,000 are expected for this category.

Intergovernmental Revenues

The Intergovernmental Revenues category includes three revenues derived from payments by the State of Florida. The three specific sources are Municipal Revenue Sharing Program, Alcoholic Beverage License, and Half-Cent Sales Tax. Descriptions of each revenue source, as well as information on the revenue trends and assumptions used in Fiscal Year 2023 Budget projections can be found on the next page.

GENERAL FUND REVENUES DETAIL

Municipal Revenue Sharing Program is a revenue category derived from monthly payments made to qualifying municipalities by the Florida Department of Revenue. To qualify, a jurisdiction must have audited financial statements showing compliance and collect ad valorem and franchise fees in excess of three mills. Revenue sources for this category are mainly State sales and use taxes and fuel taxes. The State mandates each year that a portion of total revenues be restricted for transportation-related activities. During Fiscal Year 2023, approximately 22% or \$491,100 of total proceeds of \$2,256,500 are used for transportation-related activities, leaving the General Fund portion due to the City per State projections at 78% or \$1,765,400. The total amount of \$2,256,500 represents a 24% increase from the previous year. The specific distribution or sharing of the revenues between municipalities in the State is based upon a formula involving population data.

Alcoholic Beverage License is a small revenue category derived from State distributions of a small portion of revenues from license taxes levied on manufacturers, distributors, and vendors of alcoholic beverages. During Fiscal Year 2023, the City expects to receive \$23,000 which is not a significant portion of General Fund revenues.

Half-Cent Sales Tax is a substantial revenue category derived from sales taxes collected by the State dedicated and distributed to local governments based upon formulas similar to those used in the Municipal Revenue Sharing Program. During Fiscal Year 2023, the City expects to receive a total of \$4,710,000 representing an increase of 13.99% from last year's Adopted Budget projections. This is due to a forecasted increase in State-wide sales tax receipts.

Charges for Services

The Charges for Services revenue category includes Development Fees, Recreation Fees, and Racquet Club Fees collected by the City as payment for services provided. Presented below are descriptions of each revenue source collected by the City as well as information on the revenue trends and assumptions used in Fiscal Year 2023 Budget projections.

Development Fees are authorized by the Florida Constitution to offset the cost of providing a service or regulating an activity. In Weston, these charges are assessed for a variety of development services provided by the City's contractual Comprehensive Planning Services Department. The Development Fees are set at estimates for the cost of services provided by the City's contract service provider. Revenues anticipated to be collected during Fiscal Year 2023 total \$40,000 and remain close to the previous year's revenues due to very little anticipated change in the volume of development permit applications.

GENERAL FUND REVENUES DETAIL

EMS Transport Fees are authorized by the Florida Constitution to offset the cost of providing emergency transportation services and are collected by the Emergency Medical Services provider, the Broward Sheriff's Office. The EMS Transport Fees are collected by BSO and were remitted directly to the City. The rates charged by the City are close to the average charged throughout Broward County. Fiscal Year 2023 projected revenue from this category is expected to be \$1,000,000 which is no change over the previous year based on actual revenues received.

Recreation Fees are also authorized by the Florida Constitution to offset the cost of providing services and are collected to fund the various recreational and cultural programs provided by the City through contracts with independent providers. Fiscal Year 2023 projected revenue from this category will be increased to \$600,000 as most programs have returned to full capacity after COVID-19.

Racquet Club Fees account for contractual payments from the City's racquet club operator for the privilege of operating the Weston Racquet Club and are projected to total \$40,000 during Fiscal Year 2023. These revenues do not have a significant impact on the General Fund Budget.

Fines & Forfeitures

The Fines & Forfeitures revenue category includes Court Fines & Forfeitures and Code Compliance Fines. Presented below are descriptions of each revenue source, as well as information on the revenue trends and assumptions used in Fiscal Year 2023 Budget projections.

Court Fines & Forfeitures are revenues received from traffic enforcement activities and from court fines, judgments and seizures of property. The City budgets for this and other revenue sources in this category conservatively, as projecting the level of such revenues is difficult and the budgeted amount should not represent a mandate or quota on law enforcement. The Fiscal Year 2023 Adopted Budget amount is \$150,000 which is a 50% increase from the previous year based on actual revenues received in prior years.

Commercial Vehicle Violation Fines and Code Compliance Fines are collected from violations of City Ordinances. The City's Fiscal Year 2023 Budget conservatively projects Commercial Vehicle Violation Fines revenue of \$50,000 and Code Compliance Fines of \$50,000. These revenues have no significant impact on the General Fund Budget.

Miscellaneous Revenues

Other Income is supplementary revenue that the City reasonably expects to receive from different sources. This revenue is projected to total \$250,000 in Fiscal Year 2023.

Investment Income

Interest Earnings revenues reflect Weston's earnings on investments of its fund balance in the General Fund. Fiscal Year 2023 projection of \$284,600 represents a decrease of 48.40% from the Fiscal Year 2022 Adopted Budget. Projections are based on forecast future earnings.

COMPREHENSIVE BUDGET ANALYSIS

OTHER GOVERNMENTAL FUNDS' SIGNIFICANT REVENUE SOURCES

Whereas the General Fund has multiple revenue sources, all other funds maintained by the City of Weston produce limited sources of revenue; usually one or two sources. This section will describe the more significant revenue sources that provide current resources for the funds other than the City's General Fund.

Intergovernmental Revenues

The Intergovernmental Revenues category includes three categories of revenues derived from payments by the State of Florida: Municipal Revenue Sharing Program, Six-Cent Local Option Gas Tax and Three-Cent Local Option Gas Tax. As all three of these revenue sources are restricted by Florida Statutes to be used for transportation and roadway purposes only, all three are accounted for in the City's Street Maintenance Fund. Presented below are descriptions of each revenue source collected by the City as well as information on the revenue trends and assumptions used in Fiscal Year 2023 Budget projections.

Municipal Revenue Sharing Program is a revenue category derived from monthly payments made to qualifying municipalities by the Florida Department of Revenue. To qualify, a jurisdiction must have audited financial statements showing compliance and collect ad valorem and franchise fees in excess of three mills. Revenue sources for this category are mainly State sales and use taxes and fuel taxes. The State mandates each year that a portion of total revenues be restricted for transportation-related activities. During Fiscal Year 2023, approximately 22% of the total proceeds of \$2,256,500 must be used for transportation-related activities; thus directing \$491,100 to the Street Maintenance Fund per State projections.

The total Municipal Revenue Sharing Program projected amount of \$2,256,500 represents a 24% increase from the previous year. The specific distribution or sharing of the revenues between municipalities in the State is based upon a formula involving population data. With the City built-out, and population expected to remain stable, the City will likely only see increases in shared revenues if the base of revenues grows faster than the drag created by population growth in other areas of the State.

COMPREHENSIVE BUDGET ANALYSIS

OTHER GOVERNMENTAL FUNDS' SIGNIFICANT REVENUE SOURCES

The 1988 Original Local Option Gas Tax (Six-Cent Gas Tax) is a revenue source that is entirely funded from the local taxes imposed by each county on local sales of fuel products. Such tax revenues are remitted by retailers to the Florida Department of Revenue, which then forwards each government's share based on population formulas. In Broward County each year, all eligible cities and the County enter into an interlocal agreement, which specifies the sharing arrangements for the following fiscal year. The County sharing agreement formula is currently based on population. During Fiscal Year 2023, the City projects to receive a total of \$681,900 which is a 13.29% increase from the previous year's Adopted Budget. Similar to the estimates for Municipal Revenue Sharing Program, estimates for Local Option Gas Taxes are provided annually by the Florida Department of Revenue.

The 1994 Local Option Gas Tax (Three-Cent Gas Tax) and the 1999 Local Option Gas Tax (One-Cent Gas Tax) are revenue sources that are generally similar to the Six-Cent Local Option Gas Tax. The only material differences between the two are: four and not six cents are collected, proceeds of this tax can only be used on transportation projects that have been identified in the transportation component of the local government's comprehensive plan, and the sharing formula is based on multiple factors with population being just one of the determinants. During Fiscal Year 2023, the City projects to receive a total of \$403,400 for the Three-Cent Gas Tax which is a 14.54% increase from the previous year's Adopted Budget and a total of \$77,800 for the One-Cent Gas Tax which is a 14.75% increase from the previous year's Adopted Budget.

The factors affecting the Three-Cent Local Option Gas Tax are primarily the same as those affecting the other Local Option Gas Taxes; however, the Three-Cent Tax is levied only on motor fuel, not motor and diesel fuel. The City of Weston uses estimates of the Florida Department of Revenue in determination of revenue projections for this revenue source.

Special Assessments

Special Assessments represent a large portion of revenues raised annually in Weston. Special non-ad valorem assessment revenues fund the services provided by the City's two dependent Districts, Indian Trace Development District and Bonaventure Development District, and the City's solid waste collection services. Special assessments also support fire protection and prevention services accounted for in the Fire Services Fund, which serves the entire City.

Special assessments are raised in whatever amount necessary to fund the operation, capital improvements and debt service obligations of the Districts, therefore projecting revenues is merely a mathematical calculation of how much revenue is required to support the Districts. The assessments are collected by the Broward County Revenue Collector, remitted to the City, and then they are deposited into the appropriate District funds.

Solid Waste Special Assessments are collected through the residential property tax bill to pay for residential automated solid waste collection and disposal services with Republic Services of Florida, Inc. doing business as, All Service Refuse. The City collects solid waste assessments from all residential properties within the City which receive curbside automated solid waste collection services. The City remits the solid waste collection and disposal portion of the assessment to All Service Refuse, less the Franchise Fee. All Service Refuse directly bills all other property service types within the City. Fiscal Year 2023 revenues from this source are expected to total \$4,772,000, based on the cost of service provided for in the solid waste agreement, which was competitively bid in Fiscal Year 2019 with Republic Services of Florida, Inc.

COMPREHENSIVE BUDGET ANALYSIS

OTHER GOVERNMENTAL FUNDS' SIGNIFICANT REVENUE SOURCES

Bonaventure Development District Special Assessments fund the operations, capital improvements and debt service of the Bonaventure Development District. During Fiscal Year 2023, Bonaventure assessments in the total amount of \$3,028,200, a 3.72% decrease, will be disbursed into the following funds: Bonaventure Development District Rights-of-Way Fund and Water Management Fund. There is no change in the level of service for the District.

Indian Trace Development District Special Assessments fund the operations, capital improvements and debt service of the Indian Trace Development District. During Fiscal Year 2023, Indian Trace assessments in the total amount of \$22,312,200, an 3.06% increase from the previous year's Adopted Budget, will be disbursed into the following funds: Indian Trace Development District Basin II Water Management Fund, Basin I Rights-of-Way Fund, and Basin I Water Management Fund. There is no change in the level of service for the District.

Fire Protection and Prevention Services Special Assessments fund the provision of fire protection and prevention services in the City of Weston. The City of Weston created a municipal services taxing district encompassing the entire area of the City to fund fire protection and prevention services with the proceeds of special non-ad valorem assessments. During Fiscal Year 2023, the City projects a total of \$17,476,200 representing a 2.39% increase from the prior year's Adopted Budget. This increase reflects contractual obligations as provided in the City's agreement with the Broward Sheriff's Office.

Charges for Services

Charges for Services are accounted for as sources of revenue in two funds other than the General Fund: the Building Fee Fund and the Indian Trace Development District Enterprise – Water & Sewer Utility Fund.

Building Permit Fees are accounted for in the City's Building Fee Fund, where they are the main source of revenue supporting the City's building department. During Fiscal Year 2023, the City projects \$2,700,000 in Building Fees, no change from the prior year's Adopted Budget. This figure was derived based on the anticipated number of permits, the City's building fee schedule and actual revenues received.

Operations of the water and sewer utility within the boundaries of the Indian Trace Development District are accounted for in the Indian Trace Development District Enterprise – Water & Sewer Utility Fund. The largest revenue source in this fund are water and sewer user charges for payment of Sunrise's bulk water and sewer contract fees. The City of Sunrise provides the bulk water delivery and sewer treatment for the District.

The Indian Trace Development District accounts for two significant charges in the Utility Fund: Operations and Maintenance and Water and Sewer. For Fiscal Year 2023, Operations and Maintenance revenue has increased to \$9.70 per month, to \$2,806,700. Water and Sewer revenue will increase by 4.0% to \$37,737,700, paid to the City of Sunrise which accounts for Sunrise's annual increase.

CAPITAL PROJECT SUMMARY

GENERAL DISCUSSION

Capital Projects in the City of Weston are developed based upon recommendations contained in the City's Comprehensive Plan as well as the Strategic Value & Business Plans. As the Comprehensive Plan is a document that looks globally at the City's requirements in the fields of capital and other enhancements required to satisfy federal, state and local requirements, the City-developed Strategic Value & Business Plans are Weston's unique equivalents of the typical government multi-year capital plans seen in other cities.

Weston prides itself in protecting and enhancing the quality of life and financial investment that residents make when they move into the community. To that effect, the 2028 Strategic Value & Business Plan charts the City's capital and financial courses which should achieve the goals set by the City, while setting specific and achievable objectives for the future.

The 2028 Strategic Value & Business Plan is an engineering summary of capital infrastructure needs of the City through the end of Fiscal Year 2028. The plan takes into account input from the City Commission and staff and provides a detailed schedule listing projects by type, reason for inclusion in the plan, location, proposed funding source, and cost (total and annual). The plan is continually updated as warranted to insure a document which is always up to date with the latest developments and changes. The chart below provides an example of one page within the Capital planning document approved by the City Commission incorporated in the Strategic Value & Business Plan.

CAPITAL PROJECT SUMMARY

The Plan provides pro-forma annual budgets where all functions and operations of the City are clearly identified and calculates resulting tax and assessment rates throughout the forecast period. The impact of capital infrastructure and capital assets on operating expenses is an important component of the 2028 Plan. Whenever the City considers new or rehabilitated infrastructure or purchase of an asset, it also considers any operating effects on personnel, maintenance costs, operating supplies, insurance, etc. It is always with the understanding of the total effect that a project has on the City, that Weston makes decisions as to proceed or not to proceed with funding. Below is an example of recurring Capital Maintenance that is considered in the Plan.

Capital Maintenance Recurring	Est. Cost
Administrative Services Center	
Upgrades to City's Emergency Operations Center (EOC) including hardware, software and A/V equipment	\$250,000
Bonaventure Development District	
Irrigation repairs and recurring capital maintenance	\$693,000
City Hall	
Recurring City Hall capital maintenance	\$2,090,000
Citywide Parks	
General park repairs and recurring capital maintenance	\$7,554,800
Indian Trace Development District	
Equipment recurring capital maintenance	\$1,650,000
Equipment maintenance recurring capital maintenance	\$263,700
Facilities maintenance recurring capital maintenance	\$1,867,000
Vehicle recurring capital maintenance	\$883,100
Information Technology	
Physical security system upgrades including building security, access control and surveillance systems	\$50,000
Replacement of the City's ERP System including integrated budget, financials and procurement	\$3,500,000
Upgrades and enhancements to City software applications	\$100,000
Upgrades to the City's Wi-Fi infrastructure including public Wi-Fi in parks	\$50,000
Upgrades to City's data storage infrastructure including additional capacity	\$550,000
Upgrades to City's GIS including asset data collection, aerial photography and GIS application development	\$25,000
Upgrades to cybersecurity systems including firewalls, end-point protection, anti-virus, anti-spam, email protection, etc.	\$100,000
Upgrades to the City's A/V Systems including City Commission Chambers, conference rooms and Emergency Operations Center	\$100,000
Upgrades to the City's data center infrastructure including core servers, network, power, cooling and battery backup systems	\$100,000
Upgrades to the City's disaster recovery infrastructure including servers, storage and network	\$200,000
Upgrades to the City's electronic, enterprise document/records management system with ProEnterprise (EDMS)	\$100,00
Upgrades to the City's IT network infrastructure including local area network, wide area network and telephone systems	\$150,000
Recurring campus network maintenance	\$343,100

Pages 62-63 depict all Fiscal Year 2023 significant non-recurring Capital expenditures. Capital expenditures are those expenditures for capital projects that are not expected to result in any significant impacts to operating expenses during future fiscal years. Estimated operating impacts, if any, are included within the chart. Recurring capital expenditures are noted in the discussion about capital maintenance on pages 66-68.

CAPITAL PROJECTS (NON-RECURRING) DETAILED DISCUSSION

CAPITAL PROJECTS BY FUND

In terms of the relationship between capital spending and operating expenditures, capital expenditures of \$13,395,300 are not expected to result in any significant impact to operating expenses during Fiscal Year 2023 or with minimal impacts to future years. Many of the capital improvements undertaken by the City are rehabilitations and upgrades of existing infrastructure or projects that do not require additional operating expenditures beyond those already in the Budget. As a precaution, the City estimates that additional minimal costs may impact the future budgets and have included them in the charts.

Capital outlay expenditures will be 8.33% as a share of the total Adopted Budget expenditures during Fiscal Year 2023. This will represent an increase from the previous year, when 7.29% of total Adopted Budget expenditures were designated for capital outlay.

Project details are provided below for all Fiscal Year 2023 projects:

Information Technology

In the Fiscal Year 2023 Budget, the City accounts for all the information technology capital equipment purchases for the Departments such as computer battery backups and monitors allocated to various funds.

Additional Technology projects include access switch upgrades in the amount of \$200,000; chiller unit replacements for the Administrative Services Center in the amount of \$500,000; in row coolers and a main uninterrupted power supply (UPS) for the Administrative Services Center in the amount of \$125,000 and \$200,000, respectively; fiber upgrade in the amount of \$190,000; and wifi upgrade in the amount of \$150,000.

CAPITAL PROJECTS DETAILED DISCUSSION

Parks and Recreation

General Fund parks projects include capital equipment in the amount of \$40,000 and Parks concrete sidewalk repairs for Tequesta Trace and Eagle Point parks in an amount of \$75,000. Additional projects from the Capital Projects fund include: artificial turf fields in the amount of \$2,200,000 and LED sports lighting and cameras in the amount of \$1,300,000, both at Vista Park; playground replacement at Eagle Point Park in the amount of \$225,000; playground replacement at Gator Run Park in the amount of \$400,000 with \$200,000 being reimbursed from the Florida Recreation Development Assistance Program Grant (FRDAP); Racquet Club court lighting upgrades and court fence replacement in the amount of \$50,000 and \$300,000, respectively; Regional Park maintenance building improvements in the amount of \$100,000; Regional Park rink resurfacing in the amount of \$250,000; Regional Park stage rehabilitation in the amount of \$200,000; and shelter and gazebo replacements at Gator Run Park and Vista Park in the amount of \$500,000.

Street Maintenance

Capital projects include Blatt Boulevard roadway improvements in an amount of \$300,000; local corridor study for Weston Road & Emerald Estates Drive in the amount of \$60,000; Town Center Boulevard resurfacing in an amount of \$1,000,000; intersection improvements at South Post Road & Manatee Isles Drive in the amount of \$600,000; and streetlight branch circuit replacement and smart system evaluation in the amounts of \$250,000 and \$50,000, respectively.

Water and Wastewater

Capital Projects consisting of force main improvements in an amount of \$500,000; lift station portable generators in an amount of \$130,000; and lift station SCADA system upgrades in an amount of \$250,000. Stormwater Enhancement projects in conjunction with the Florida Department of Environmental Protection (FDEP) Resilient Florida grant program will fund projects in the amount of \$3,100,000.

Rights-of-Way

The streetlight pole upgrades in an amount of \$100,000, will continue in Fiscal Year 2023.

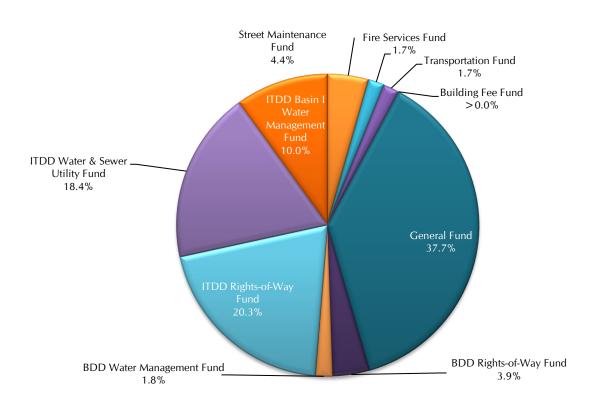

Water Management

Normal equipment purchases are funded in an amount of \$250,000 within the Indian Trace Development District, and a fountain replacement in Bonaventure Development District in the amount of \$25,000.

ONGOING (RECURRING) CAPITAL MAINTENANCE

The City of Weston continues to fund recurring capital maintenance as part of its ongoing operating expenditures. In Fiscal Year 2023, \$6,869,000 has been budgeted in multiple funds for maintenance and repairs of City buildings, roads, bridges, pump stations, culverts, irrigation, street lights and many other capital assets. As mentioned before, many of the capital improvements undertaken by the City in Fiscal Year 2023 are rehabilitations and upgrades of existing infrastructure or projects that do not require additional operating expenditures beyond those already in the Budget.

Total Ongoing Capital Maintenance

GENERAL DISCUSSION

Funding capital improvements frequently necessitates that governments issue debt obligations. As much as it appears that the ideal situation would be to have all necessary funds available before the expense is needed, the facts are that frequently it is impossible or at least difficult to amass the necessary funds.

Additionally, one should also look at the question of timing as it relates to who pays for and who benefits from improvements funded. Frequently, people who contributed to a surplus planned to be used for an improvement will move out of the area and not benefit from the improvement they paid for. For these reasons, the City of Weston policy, in conformance with debt and capital policies of many other governments, advocates using debt for purposes of financing capital improvements.

Moreover, whenever practical, the City also attempts to match the useful life of the asset funded with debt with the term of the debt. The reason for that is to assure that Weston taxpayers pay for the benefit for as long as they receive the benefit and not for too long or too short a time.

Another important policy of the City is the use of special assessments levied within special taxing districts. This policy, although applicable in other jurisdictions, is especially appropriate in Weston, as the City evolved from a special taxing district where many services were provided through the use of special assessments. After incorporation, the City maintained the Indian Trace Development District for the purposes of providing capital and operation and maintenance services to the residents of the District.

The City established the Bonaventure Development District to provide similar services to the Bonaventure neighborhood. Using special assessments is appropriate as benefits of services provided through the Districts are special and peculiar to the areas of the respective District and financing these services with general taxation would burden all with paying for the benefit of the few.

LEGAL DEBT LIMITS

The City of Weston, at present time, has no statutory debt limits on the amount or any other aspects of its debts. All debt is approved by the elected officials as part of their normal decision-making functions. Prior to originating any new debt, an analysis shall be performed to evaluate the impact of new debt. Any new debt shall meet the following criteria prior to origination or issuance:

- Total projected debt (including new debt) per capita ratio not exceeding 5% of the most recently published City per capita income data calculated by the United States Census.
- Total projected debt (including new debt) less than 2% of the City real property just (market) value as calculated by the Broward County Property Appraiser's Office.
- Total projected annual debt service (including new debt service) less than 12% of total projected recurring operating expenditures (capital expenditures, existing debt service and other nonrecurring expenditures not included).
- Pledged projected revenue coverage ratio of greater than 1.20x projected related annual debt service.

PROPOSED DEBT ORIGINATIONS

The City will not be proposing any borrowings in Fiscal Year 2023.

DEBT SUMMARY

OUTSTANDING DEBT BY FUND

The estimated outstanding debt is shown below. The Indian Trace Development District is the only entity currently with outstanding principal debt as of the beginning of Fiscal Year 2023. That amount is \$25,272,859. The City of Weston and Bonaventure Development District have no debt at this time. The City of Weston was able to pay off five bank notes during Fiscal Year 2022 in an amount of \$8,933,032.

General Fund – Legislative

Description:

The City Commission is the legislative branch of the municipal government. It is comprised of a Mayor and four Commissioners, each elected at-large to four-year terms on a staggered basis.

Duties:

The City Commission is responsible for establishing policy, enacting laws of the City in the form of ordinances, authorizing actions on behalf of the City in the form of resolutions, adopting the annual budget, and hiring the City Manager and City Attorney. The City Commission meets the first and third Monday of each month.

Goal:

The goal of the City Commission is to provide world-class legislative leadership for the City, region and state, and to deliver quality services that reflect the priorities of the residents and businesses, and to enhance the quality of life for residents, businesses and visitors alike.

Performance Measures:

The performance of the City Commission is ultimately measured by the voters of the City through the election process. Other measures of performance are concerns expressed by residents and businesses through appearances at Commission meetings, emails, letters, messages and phone calls.

Fiscal Year 2022 Highlights:

- Passed a resolution approving the Regional Interlocal Agreement for Cooperative Fire, Rescue, Emergency Medical Services
 and Special Operations Response through Automatic Aid and Closest Unit Response with Broward County Sheriff's Office,
 Broward County and Other Municipalities.
- Passed a resolution urging the Federal Aviation Administration to review and implement recommendations from the
 consulting firm, JDA Aviation Technology Solutions, for mitigation of the negative impacts of aviation noise to Weston
 residents.
- Passed a resolution approving the First Amendment to the Memorandum of Understanding Regarding Collaborative Study
 and Subsequent Development of an Integrated Solid Waste and Recycling System with Broward County, Florida, and
 participating municipalities.
- 4. Passed a resolution approving the Interlocal Agreement between Broward County and the City of Weston for Surtax-Funded Municipal Transportation Projects: Roadway Drainage System Repairs (Sailboat Circle Drainage Improvements), Surtax Project Number BC-Weston-FY2020-00001 and Citywide Bike Lanes Pavement Marking Refurbishment, Surtax Project Number BC-Weston-FY2020-00002.
- 5. Passed resolutions opposing House Bill 403, imposing new requirements on municipalities for adopting and enforcing municipal ordinances and amending the legal standards and process for assessing the validity of such ordinances; opposing Senate Bill 620, authorizing certain businesses to claim business damages from a municipality if the municipality enacts or amends certain ordinances or charter provisions; opposing Senate Bill 974, increasing the statutory limits on liability for tort claims against local governments; opposing Senate Bill 510, requiring city elected officials to file an annual full disclosure of financial interests form rather than the currently required limited disclosure of financial interests; opposing House Bill 1241, limiting the ability of the City to collect liquidated damages from solid waste providers and prohibiting such liquidated damages during a state of emergency.
- Passed a resolution supporting House Bill 105, authorizing counties and municipalities to restrict smoking within the boundaries of public beaches and public parks.

Fiscal Year 2023 Objectives:

- Continue to provide legislative leadership beneficial to the residents and businesses of the City and enhance the value of the properties within the City.
- 2. Maintain the City's fiscal policies without reducing services.

Staffing Levels:

The City has a five-member City Commission established by Charter.

General Fund – Executive

Description:

The City Manager is the executive branch of the municipal government. The City Manager is the Chief Executive Officer of the municipal government and is hired by the City Commission.

Duties:

The City Manager is responsible for the day-to-day affairs of the municipal government, carrying out the policies of the City Commission, establishing an annual budget and long-range business and capital improvement plans, upholding the laws of the City, and the hiring of City employees.

Goal:

The goal of the City Manager is to develop a world-class municipal service organization that meets the needs of the residents and businesses in an ethical, efficient, business-like and professional manner.

Performance Measures:

The performance of the City Manager is ultimately measured by the City Commission through some of the following means:

- 1. Annual performance review.
- 2. Keeping the City Commission informed as to activities within and affecting the City.
- 3. Carrying out the policies and objectives of the City Commission.
- 4. Keeping abreast of, and operating the City in compliance with, all applicable laws.
- 5. Submitting a responsive and responsible annual budget in a timely manner.
- 6. Maintaining and enhancing the financial health and discipline in the City.

Fiscal Year 2022 Highlights:

- Initiated strategic planning projects including the Parks Master Plan and the Economic Development Existing Conditions
 Analysis.
- 2. Implemented community engagement tools including resident surveys and education programs.
- Monitored changes in and responded to changes of law because of bills passed in the 2021 Legislative Session that affect the City.

Fiscal Year 2023 Objectives:

- 1. Implement all policies established by the Commission in an efficient and effective manner.
- 2. Implement the changes of law as a result of bills passed in the 2022 Legislative Session that affect the City.
- 3. Work with Broward's municipalities and Broward County towards the development of a county-wide comprehensive solid waste disposal and recycling program.
- 4. Complete the 2032 Strategic Value and Business Plan and the Parks Master Plan to form priorities for the next 5-10 years.
- 5. Complete City Code Review and present to City Commission for adoption.

Staffing Levels:

There are no staffing level changes for Fiscal Year 2023.

General Fund – Finance and Administration

Description:

Finance and Administration includes administrative staffing, accounting, budgetary and treasury services, public information services, and technology services. Administrative staffing, certain financial services and certain information technologies are provided under a contract with Municipal Technologies, LLC. Treasury, budget, technology services and public information services are provided by City employees.

Duties:

Finance and Administration is responsible for the staffing of City Hall and the Administrative Services Center; the preparation of the annual budget, quarterly financial reports, and annual comprehensive financial report; payables, receivables and accounting; cash management; investment advisory services; purchasing; risk management; public information services; and information technologies to include operation and maintenance of the City-owned hardware and software, and communications services.

Goal:

The goal of Finance and Administration is to provide the City with staffing to offer exceptional service to its residents and businesses and to manage the administrative affairs of the City in a world-class manner that is worthy of acclamation from recognized professional organizations.

Performance Measures:

The performance of Finance and Administration is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Receive Government Finance Officers Association (GFOA) Certificate for Excellence in Financial Reporting Award	Yes	Yes	Yes
Receive GFOA Distinguished Budget Presentation Award	Yes	Yes	Yes
Newsday Tuesday articles posted by 7:00 am each Tuesday	100%	100%	100%
Online use of the City's website (total page views) by 10%	1,235,152	1,458,531(18%)	10% increase
Quarterly financial reports completed within 30 days of the previous quarter end	1 (25%)	2 (50%)	4 (100%)
Increase City of Weston Vimeo views by 15%	25,377	6,000 (-76%)	15% increase
Increase City E-Notification System registrations by 10%	4,449	6,517 (46%)	10% increase
Percentage of City-wide desktop Personal Computers (PC's) over 4 years old	Less than 33%	Less than 33%	Less than 33%
Percentage utilization of existing Technology Services enterprise data storage	Less than 75%	Less than 75%	Less than 75%

Fiscal Year 2022 Highlights:

- 1. Received GFOA Certificate for Excellence in Financial Reporting Award for twenty-fourth consecutive year.
- 2. Received GFOA Distinguished Budget Presentation Award for the twenty-first consecutive year.
- Increased followings on all City social media platforms including a full presence on Facebook, Instagram, Twitter, Nextdoor, Flickr, Vimeo, and YouTube.
- Initiated the WestonGov Academy for residents 18 and over which was instantly filled to capacity within two hours of opening the application period.
- 5. Produced 12 videos related to programs, events, tutorials and education.
- Produced Coronavirus vaccination campaigns and information on how and where the public could find economic relief and assistance programs.
- 7. Produced a new Weston @ Your Service 2022 publication (Flood info/Garbage/Recycling/Bulk Waste).

Fiscal Year 2023 Objectives:

- 1. Attain recognition from GFOA for financial reporting and budget presentation.
- 2. Improve completion of monthly financial reports within 30 days of previous month end.
- 3. Continue to increase online use of the City website as the City's primary communication tool.
- 4. Continue weekly Newsday Tuesday articles sent to Technology Services by 5PM each Monday for posting, year-round.
- 5. Increase awareness and registration with City's E-Notification system.
- 6. Increase video presence and upgrade look of city government cable channel.

Staffing Levels:

There are no staffing level changes for Fiscal Year 2023.

General Fund – Legal Counsel

Description:

The City Attorney is hired by the City Commission to provide legal counsel to the City Commission, City Manager and his/her staff, and any advisory groups as may be appointed by the City Commission. Services are provided under a contract with the firm of Weiss Serota Helfman Cole & Bierman, P.L.

Duties:

The Legal Counsel's Office attends meetings of the City Commission, City Manager's staff, and Commission appointed advisory groups to give legal counsel, interpret laws, prepare ordinances, resolutions and bills, review and prepare contracts, prosecute violations of the City's Code of Ordinances, and represent the City in matters of litigation.

Goal:

The goal of the Legal Counsel's Office is to provide competent and timely counsel so that the City may always be in a legally sound and defensible position in all of its undertakings.

Performance Measures:

The performance of the Legal Counsel's Office is ultimately measured by the City Commission through some of the following means:

- 1. Keeping the City Commission and City Manager informed as to the legal affairs of the City.
- 2. Responding to inquiries of the City Commission in a timely manner.
- 3. Successful interaction with the City Manager and his/her staff.
- 4. Ensuring that all City documents meet legal sufficiency.
- 5. Successful prosecution of municipal code violations.
- 6. Successful defense of claims against the City.

Fiscal Year 2022 Highlights:

- 1. Prepared bills of local and general law on behalf of the City Commission.
- 2. Prepared seven Ordinances for City Commission action.

Fiscal Year 2023 Objectives:

1. Keep abreast of changes in law at all levels that may affect the City.

Staffing Levels:

Under the contract the firm will provide the legal disciplines and services as needed by the City.

General Fund – Comprehensive Planning

Description:

Comprehensive Planning provides for planning, zoning, engineering, traffic engineering, code enforcement, landscape architecture, emergency management, and Geographic Information System consulting services under contracts with the firms of Calvin, Giordano & Associates, Inc., Craven, Thompson and Associates, Inc. and EAC Consulting, Inc.

Duties:

Comprehensive Planning is responsible for upholding the City's land development regulations and engineering standards through the established development review and permitting and inspection processes; the development of an amendment to the City's land development regulations and engineering standards; maintenance of development and engineering related records; providing professional expertise in the various disciplines for the City's projects and regional reviews; response to inquiries from residents, businesses, and the development community; and representing the City on technical advisory committees and before regulatory bodies.

Goal:

The goal of Comprehensive Planning is to guide users of the service through the required processes in a timely manner while assuring compliance with City codes, and to provide the City with the highest level professional expertise to accomplish its tasks and goals.

Performance Measures:

The performance of Comprehensive Planning is measured by the City Manager by means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Resident inquiries responded to within 24 hours	100%	100%	100%
Adherence to engineering schedules	99%	97%	100%
Schedule all inspections within 24 hours of request	99%	99%	100%
Prepare and execute contract documents within 30 days of Commission Award	100%	100%	100%
Project closeout within 30 days of substantial completion	98%	99%	100%

Fiscal Year 2022 Highlights:

- Provide planning and zoning technical assistance in a timely manner such that 95 percent of calls are returned the same day.
- 2. Completed 180 Traffic Engineering Permit Reviews from October 1, 2021 thru March 31, 2022.
- 3. Provided staffing seven days a week, including evening coverage, with three full time Code Enforcement Officers ensuring the entire City Code is enforced throughout the City.

Fiscal Year 2023 Objectives:

- Provide planning and zoning technical assistance to residents in a timely manner such that 95 percent of calls are returned the same day.
- Identify, track and compile rezoning and land use plan amendment applications passed by Commission to update the zoning maps.
- 3. Continue development of necessary GIS datasets of municipal assets for visualization & spatial analysis purposes.
- Design, bid and provide contract administration services for projects with no change orders.

Staffing Levels:

It is the responsibility of the service provider to provide sufficient staff within the fee structure to properly service the function.

General Fund – Public Safety

Description:

Public Safety provides for Police enforcement of Florida Statutes and the City's Municipal Code of Ordinances within the City and Emergency Medical Services which provides for emergency medical response, treatment, and transport for persons in need. Both services are provided under a contract with the Broward Sheriff's Office (BSO). Crossing guard services are provided under a contract with Adecco USA, LLC.

Duties:

Police Services is responsible for the enforcement of state and local laws, the institution of crime prevention initiatives, the institution of traffic crash prevention initiatives, response to emergency and non-emergency requests for assistance, the investigation of crimes, the apprehension of criminals, and public safety education programs. Emergency Medical Services is responsible for the response to all medical related calls for life-threatening and non-life-threatening conditions; the treatment of patients having emergency medical conditions; the treatment of victims of injury; the transport of those patients and victims to an appropriate medical facility; and community education programs to promote wellness and safe practices so as to prevent potential injury. The crossing guard contractor is responsible for staffing the crosswalks on the designated school walk routes at the assigned times.

Goal:

The goal of Public Safety is to maintain a pleasant and safe environment for residents, businesses, and visitors. Public Safety will strive to motivate and empower deputies, firefighter/paramedics and officers to provide exceptional customer service and train them to meet future challenges within the community. Public Safety will continue to be proactive by providing health and life safety programs and property loss mitigation programs to the community and will respond with well trained and well-equipped personnel in a timely manner in a committed effort to prevent the loss of life and property. The goal for the crossing guard contractor is to provide for the safety of pedestrians when crossing an intersection.

Performance Measures: Public Safety is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Hold at least 12 Crime Prevention events annually	12	24	30
Complete required 140 hours of continuous training per officer annually	140	140	140
Maintain at least 50 active Community Emergency Response Team (CERT) members	55	75	100
Provide blood pressure checks at pre-designated locations within the City (at least one per month)	8	10	12
Provide child safety seat inspections and installations for City residents (at least one per month)	9	51	52
Provide cardiopulmonary resuscitation (CPR) classes for City residents (at least one per month)	14	23	24
Provide Bleeding Control classes for City Businesses and residents (at least one per month)	4	22	24
Complete State-required Emergency Medical Services training of 30 Continuing Education Units every two years	30	30	30

Continued on Page 93

Continued from Page 92

Fiscal Year 2022 Highlights:

- Updated the current CERT program membership and provided ongoing monthly training.
- 2. Increased CERT membership by providing CERT Basic Training courses.
- 3. Provided ongoing monthly Hands Only and BLS Certificate CPR classes.
- 4. Received re-accreditation from CAAS (Commission on Accreditation of Ambulance Services).
- 5. Continued training and performance measures required to maintain CAAS accreditation.
- 6. Conducted an annual public hands only CPR demonstration with onsite and virtual training to over 300 residents.
- Provided educational "Think before you Post" which provides education to students about the responsibility and consequences of sending inappropriate / threatening electronic posts.
- 8. Assisted with the installation of wall mounted public access bleeding control stations in qualifying locations and provided severe bleeding control awareness level training to over 1,600 individuals.
- 9. BSO assigned a School Resource Officer (SRO) to every publicly funded school in Weston.
- 10. Performed all crossings without personal injuries or motor vehicle accidents.

Fiscal Year 2023 Objectives:

- 1. Maintain the CERT program by providing continued support through grant administration and monthly training.
- 2. BSO Weston District Law Enforcement & Fire-Rescue will conduct joint drowning prevention programs in Weston.
- 3. Conduct an annual public hands only CPR and severe bleeding control training for 400 people and provide ongoing monthly CPR and bleeding control classes.
- 4. Continue training and performance measures required to maintain CAAS accreditation.
- 5. Participate in required continuing educational unit (CEU) trainings for medical license renewals.
- 6. Maintain BSO assigned School Resource Officer (SRO) to every publicly funded school in Weston.
- 7. Perform all crossings without personal injuries or motor vehicle accidents.
- 8. Renew Weston's Certificate of Public Convenience and Need (COPCN) for ambulance services.

Staffing Levels: There are no staffing level changes for Fiscal Year 2023. The crossing guard contractor provided staff based upon intersections with designated school walk routes and size of intersection.

General Fund – Parks and Recreation

Description:

Parks and Recreation provides for the operation and maintenance of all parks, coordination with the City's athletic leagues, and planning and supervision of recreation programs, cultural programs and special events. Services are provided to the City of Weston under several contracts all supervised by the Director of Parks and Recreation. Contracts with Calvin, Giordano & Associates, Inc. and Municipal Technologies, LLC. provide for the staffing of management and support positions to manage and oversee the maintenance of the City's parks properties and manage recreation programs and extraordinary events offered by the City. The City contracts with the Broward Sheriff's Office for "detail Deputies" for a law enforcement presence in the active parks during occupancy; with private individuals/firms for recreational program instructor services; with private firms ABM Industry Groups, LLC, Juniper Landscaping of Florida, LLC, Brightview Landscape Services, Inc. and 100% Landscaping Co., Inc. for the maintenance of the parks and fields; and with Cliff Drysdale Tennis, Inc., for management of the City's Racquet Club.

Duties:

Parks and Recreation is responsible for operation of the City's parks; oversight of the contracted operator of the City's Racquet Club; and coordination with the Weston Sports Alliance and subsidiary leagues for use of the City's athletic facilities.

Goal:

The goal of Parks and Recreation is to effectively manage the City's parks, to provide first-class facilities, and to provide programs to meet the needs and desires of all ages represented in the City.

Performance Measures:

The performance of Parks and Recreation is measured by the City Manager by means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Sports Alliance Registrants	7,507	7,800	8,000
Athletic Programs Offered	18	18	18
Class Registrations	0	125	200

Fiscal Year 2022 Highlights:

- Completed construction of four pickleball courts at Regional Park.
- Completed construction of new shade structures at Tequesta Trace Park.
- 3. Completed the installation of tennis court lighting at Emerald Estates Park.
- 4. Completed the installation of a new skate park at Tequesta Trace Park.
- Installed two new batting cages at Vista Park.
- 6. Resurfaced the basketball courts at Regional Park.
- 7. Installed a picnic shade at Indian Trace Park playground.
- 8. Recreational programs for the year included: seven free movies in the park, three free outdoor concerts, 25th Anniversary celebration, Winter Safety Expo, Egg Hunt, an Independence Day fireworks celebration and parade.
- 9. Partnered with the Arts Council to produce Chalk in the Park, Celebrate the Arts and the Weston World Fest.
- 10. Partnered with community organizations on: Veterans Day Program and July 4th 5k run with the YMCA, Rotary Club of Weston with the Run for Tomorrow and the Get Fit Challenge.

Fiscal Year 2023 Objectives:

- 1. Complete shelter and gazebo replacements at Regional, Library and Gator Run Parks.
- 2. Complete the transition of two multipurpose fields at Vista Park to artificial turf.
- 3. Complete the installation of a new playground at Eagle Point Park.
- 4. Complete Installation of new artificial turf surfacing on rinks two & four at Regional Park.
- 5. Complete the Parks and Recreation Master Plan process.
- 6. Complete the installation of bullpens at Vista Park.

Staffing Levels:

There are no staffing level changes for Fiscal Year 2023.

Description:

The Solid Waste Fund provides for solid waste and recycling collection services, residential bulk trash collection and household hazardous waste and electronics recycling. Solid waste and recycling collection services and residential bulk trash collection are provided under a contract with Republic Services of Florida, Inc. dba All Service Refuse. The household hazardous waste and electronics collection event is held annually in the City. In addition to the annual collection events, Weston residents can also dispose of Household hazardous waste items and drop off electronics to be recycled throughout the year at collection centers operated by Broward County.

Duties:

The solid waste and recycling collection services contractor is responsible for the collection of residential and commercial solid waste and recycling and transport to the South Resource Recovery Facility for solid waste and to the Materials Recovery Facility for recyclables, and to perform the scheduled bulk trash collections. The household hazardous waste and electronics collection events are coordinated between Broward County and the City

Goal:

The goal for the solid waste and recycling contractor is to perform collections in a neat and timely manner.

Performance Measures:

The performance of Solid Waste Control is measured by the City Manager by means to include but not limited to:

1. Minimizing resident and business complaints for missed collections.

Fiscal Year 2022 Highlights:

1. Successfully held household hazardous waste and electronics collection event in Weston at the Public Works facility.

Fiscal Year 2023 Objectives:

- 1. Continue to provide efficient solid waste and recycling services.
- 2. Continue to hold the household hazardous waste and electronics collection event.

Staffing Levels:

The solid waste and recycling contractor provides staffing to meet contractual performance obligations.

Disaster Management Fund

Description:

The Disaster Management Fund accounts for revenues appropriated for the initial response to and recovery from declared States of Emergency, revenues from reimbursements from other governmental entities and insurance proceeds, additional revenues as may be required and appropriated by the City Commission, and expenditures to prepare for, respond to, and recover from declared States of Emergency.

Duties:

The Disaster Management Fund provides an initial appropriation of funds for the City Manager to expend to prepare for, respond to, and recover from a declared State of Emergency, and a segregated fund to make appropriations to and expenditures from for such States of Emergency.

Goal:

The goal of the Disaster Management Fund is to segregate appropriations, revenues, and expenditures related to declared States of Emergency from other funds so as to best document the financial activities of the declared State of Emergency.

Performance Measures:

The performance of the Disaster Management Fund is measured by the City Manager by means to include but not limited to:

- 1. Assuring successful audit to assure compliance with the objective of the fund.
- 2. Assuring the ability of the City Manager to have sufficient funds appropriated to prepare for, respond to and recover from a declared State of Emergency.

Because of the nature of this fund outcome-based performance measures are not possible.

Fiscal Year 2022 Highlights:

- 1. Performed Comprehensive Emergency Management Plan (CEMP) Update.
- 2. Participated in Annual State Hurricane Exercise.

Fiscal Year 2023 Objectives:

1. Enable a timely and well-prepared response and recovery from any declared State of Emergency requiring the use of funds.

Street Maintenance Fund

Description:

The Street Maintenance Fund accounts for revenues from the Municipal Revenue Sharing Program and certain Local Option Gas Taxes whose expenditures are limited by law to transportation related operating, maintenance, or capital costs.

Duties:

The Street Maintenance Fund is responsible for providing a dedicated revenue stream from which to fund operating, maintenance, and capital costs to assure the upkeep of the City's transportation related infrastructure.

Goal:

The goal of the Street Maintenance Fund is to fund the transportation related needs of the City and to accrue reserves to enable the accomplishment of larger capital projects.

Performance Measures:

The performance of the Street Maintenance Fund is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Planned road repairs completed	100%	100%	100%
Miles of City roads swept on a quarterly basis	242	242	242

Fiscal Year 2022 Highlights:

- 1. All scheduled operating and maintenance activities such as street sweeping, and bridge inspections were completed.
- 2. Completed miscellaneous asphalt pavement repairs City-wide.

Fiscal Year 2023 Objectives:

- 1. Perform ongoing operating and maintenance activities to assure integrity of the transportation related infrastructure.
- 2. Accrue reserves for future capital projects.

Staffing Levels:

There are no staffing level changes proposed for Fiscal Year 2023.

Description:

The Fire Services Fund accounts for revenues generated by non-ad valorem assessment to fund fire protection and inspection services in the City. Fire services are provided within the City under a contract with the Broward Sheriff's Office.

Duties:

The Fire Services Fund is responsible to provide sufficient revenues through the non-ad valorem assessment, and without the use of General Fund revenues, to provide a self-sufficient initial response in accordance with National Fire Protection Association standards to any fire or disaster incident that may occur within the City; to provide annual fire inspections of multi-family and non-residential properties pursuant to Florida law; and to provide fire prevention programs to the community.

Goal:

The goal of the Fire Services Fund is to prevent the loss of life and property due to fire; to provide a well-trained, well-equipped response in a timely manner to all calls for service; to inspect each multi-family and non-residential property annually; and for the fund to maintain self-sufficiency.

Performance Measures:

The performance of the Fire Services Fund is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Complete Fire Marshal review of 100% of commercial and multi-family residential buildings	100%	100%	100%
Complete inspection/flow of all fire hydrants and wells annually	2,142 (100%)	2,142 (100%)	2,142 (100%)
Perform a comprehensive inventory/inspection of Fire/Rescue equipment and vehicles weekly	52 (100%)	52 (100%)	52 (100%)
Hold at least 50 Fire/Rescue safety events annually	168	254	200
Complete Insurance Services Office, Inc. (ISO) required 192 hours of continuing training per firefighter annually	192 (100%)	192 (100%)	192 (100%)

Fiscal Year 2022 Highlights:

- 1. Completed fire safety inspections on 100% of commercial and multi-family residential buildings.
- 2. Completed 100% inspection and maintenance for all fire hydrants and wells.
- 3. Received Center for Public Safety Excellence re-accreditation status from the Commission on Fire Accreditation International (CEAI)
- 4. Provided fire safety education to 8,305 people through public education events.
- 5. Designed and created specifications for the replacement of existing fire suppression fleet of vehicles.
- 6. Completed pre-fire planning on 100% of all commercial and multifamily buildings.
- 7. Replaced 225 smoke detector batteries for the public.

Fiscal Year 2023 Objectives:

- Engage the community to identify, develop and implement proactive fire and life safety education opportunities.
- 2. Conduct fire safety public education programs at all City elementary schools and childcare facilities when requested.
- 3. Promote the installation and proper maintenance of smoke and carbon monoxide detectors.
- Maintain the number of adults and children of elementary and middle school ages trained in fire safety techniques at 5,000.
- 5. Respond to all fire and medical related emergencies within National Fire Protection Agency 1910 recommended guidelines.
- 6. Prepare for ISO inspection process to obtain a Class 1 rating designation from the Insurance Services Office (ISO).
- 7. Complete fire safety inspections on 100% of commercial and multi-family residential buildings.
- 8. Complete 100% inspection and maintenance for all fire hydrants and wells.

Staffing Levels:

There are no staffing level changes proposed for Fiscal Year 2023.

Transportation Fund

Description:

The Transportation Fund accounts for revenues from the One Cent Local Option Gas Tax; expenditures are restricted to mass transit.

Duties:

The Transportation Fund is responsible for providing a revenue stream to fund mass transit within the City. This Fund supports the maintenance of the City's sixteen bus shelters along Broward County Transit (BCT) Route #23.

Goal:

The goal of the Transportation Fund is to provide transportation system amenities as deemed appropriate by the City Commission, and to operate that system to meet the needs of the community.

Fiscal Year 2022 Highlights:

- 1. Performed routine maintenance of the sixteen bus shelters to support BCT Route #23 (along Weston Road).
- 2. Performed road and curb enhancements to support BCT Route #23.

Fiscal Year 2023 Objectives:

1. Continue routine maintenance of the sixteen bus shelters and road and curb enhancements to support BCT Route #23.

Staffing Levels:

Building Fee Fund

Description:

The Building Fee Fund accounts for revenues generated from fees charged for the review of building plans, issuance of permits, inspections, and expenditures associated with those services to administer the City's zoning code and the Florida Building Code. Building Fee Fund services are performed under contracts with C.A.P. Government, Inc. for the Florida Building Code, and with the Broward Sheriff's Office for the Florida Fire Prevention Code.

Duties:

The Building Fee Fund is responsible to provide for the review, permitting, and inspection of all zoning and building activities within the City to assure compliance with the City's zoning code, the Florida Building Code, and the Florida Fire Prevention Code.

Goal:

The goal of the Building Fee Fund is to be self-sufficient; to assure compliance with all applicable zoning, building codes and fire codes; and to perform plan reviews, issue permits, and perform inspections in a timely manner.

Performance Measures:

The performance of the Building Fee Fund is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Insurance Services Office, Inc. ISO rating (Commercial)	2	2	2
Insurance Services Office, Inc. ISO rating (Residential)	3	3	3

Fiscal Year 2022 Highlights:

- 1. All employees completed more than the State-required number of training hours in continuing education.
- 2. Class 2 rating achieved by the Insurance Services Office, Inc. (ISO) for commercial properties.
- 3. Class 3 rating achieved by the Insurance Services Office, Inc. (ISO) for residential properties.

Fiscal Year 2023 Objectives:

- 1. Continue to exceed the State-required number of training hours in continuing education.
- Continue to maintain required Federal Emergency Management Agency (FEMA) and National Incident Management System (NIMS) program training.
- 3. Continue to maintain ISO ratings.

Staffing Levels:

It is the responsibility of the service provider to provide sufficient staff within the fee structure to properly service the function.

Law Enforcement Trust Fund

Description:

The Law Enforcement Trust Fund is the repository for revenues generated from assets seized in the course of criminal activities occurring in the City. These assets will be maintained by the Broward Sheriff's Office and made available to the City of Weston. Expenditures from this fund are restricted to non-recurring law enforcement related goods or services. Revenues are projected to be limited due to the City's low crime rate; thus, expenditures, if any, will be minimal.

Duties:

Expenditures from this fund require the express approval of the City Commission.

Goal:

It is the goal of the Law Enforcement Trust Fund to utilize the funds for purposes designated by federal and state laws.

Performance Measures:

The performance of the Law Enforcement Trust Fund is measured by the City Manager by means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Spending of seizures and forfeitures on Police equipment	100%	100%	100%

Tree Trust Fund

Description:

The Tree Trust Fund is the depository for tree removal fees, replacement payments, contributions and penalty monies in accordance with the City Tree Preservation Code and Broward County Tree Preservation Code. The only expenditures permitted by the Fund are solely for the purpose of funding tree replacement or related items on public property within the City.

Duties:

The Fund is established to fund tree replacement on public property.

Goal:

It is the goal of the Tree Trust Fund to utilize the funds for purposes designated by City Code.

Performance Measures:

The performance of the Tree Trust Fund is measured by the City Manager by means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023

Capital Projects Fund

Description:

The Capital Projects Fund accounts for revenues accrued from municipal revenue streams and is dedicated to fund new, and rehabilitate existing, municipal infrastructure.

Duties:

The Capital Projects Fund is responsible for the segregation of established municipal revenue streams, either in whole or in part, and the receipt of proceeds from borrowings from other funds, with expenditures restricted to funding capital projects to add to and maintain the City's infrastructure.

Goal:

The goal of the Capital Projects Fund is to provide the necessary revenues to fund infrastructure needs within the City.

Performance Measures:

The performance of the Capital Projects Fund is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Capital projects with change orders ≤ 5%	75%	75%	100%

Fiscal Year 2022 Highlights:

- 1. Began the process of the design build and purchase of four fire engines to replace the existing fleet.
- 2. Executed the Project-Specific Interlocal Agreements with Broward County for Surtax Funded Projects.

Fiscal Year 2023 Objectives:

- Begin other capital projects including the technology access switch upgrades, chiller unit replacement, in-row coolers and a main Uninterruptable Power Supply (UPS) replacement at the Administrative Services Center.
- 2. Begin additional projects such as the Blatt Boulevard roadway improvements, Emerald Estates Drive/Weston Road Local Corridor Study, a technology fiber upgrade, playground replacements citywide, lighting upgrades and fence replacement at the Racquet Club, improvement to the Regional Park maintenance building, rink surfacing and stage rehabilitation at Regional Park, Town Center Boulevard resurfacing, South Post and Manatee Isles Intersection Improvements, Streetlight Branch Circuit replacement, Streetlight Smart System evaluation and Wi-Fi upgrades.
- Continue Surtax Funded projects including bike lanes pavement markings, Meridian Business Campus sidewalk repairs
 and maintenance, Indian Trace Road improvements design, Weston Road bike and pedestrian improvements design and
 bicycle wayfinding signage, Royal Palm Boulevard & Weston Road intersection improvements and Sailboat Circle drainage
 improvements.
- Begin grant funded capital projects including Regional Park and Gator Run playgrounds using Florida Recreation Development Assistance Program (FRDAP) grant funds and Pump Station projects funded in part by Resilient Florida Grant Projects.
- 5. Complete all budgeted capital projects on time and without change orders greater than 5%.

[This page intentionally left blank]

Description:

The Debt Service Fund accounts for the principal and interest payments for the City of Weston's loans and debt issuances.

Duties:

The Debt Service Fund is responsible for the receipt of proceeds from borrowings and transfers from other funds for debt financing. Expenditures are restricted to funding related debt payments.

Goal:

The goal of Debt Service Fund is to provide one location to account for all the City's Debt.

Performance Measures:

The performance of the Debt Service Fund is measured by the City Manager through means to include but not limited to:

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Debt service payments made on a timely basis	100%	100%	100%

Fiscal Year 2022 Highlights:

1. Made all debt service payments on a timely basis.

Fiscal Year 2023 Objectives:

1. The City does not intend to issue any debt in Fiscal Year 2023.

Staffing Levels:

The Fiscal Year 2023 Adopted Budget for the **Indian Trace Development District**

Indian Trace Development District Summary

INTRODUCTION

The Indian Trace Development District is a dependent Comprehensive Planning district of the City of Weston. The District's operating costs are shared with the City of Weston and the Bonaventure Development District on a pro-rated basis, enabling its residents to pay for only those costs that directly impact them. The funds of the Indian Trace District provide for: water and sewer utility services, rights-of-way management, water management, capital projects and related debt service. The utility fund costs are paid for by charges for service; costs in the other funds are paid for by a special assessment levied by the District on properties within the District.

WATER AND SEWER UTILITY FUND

This fund is responsible for the operation and maintenance of the District's water distribution and sewer collection facilities, the connection to the system of new customers, and the billing of customers for services. The fund accounts for revenues received from charges for water and sewer services to District customers and for expenditures to operate and maintain the District's water distribution and sewer collection infrastructure. Its goal is to provide uninterrupted services to its customers while meeting or exceeding regulatory standards. Water production, sewer treatment and the billing of customers are provided under agreements with the City of Sunrise. Expenditures in this fund have increased due to several factors including increases in the water and sewer rates set by the City of Sunrise. In Fiscal Year 2023, capital maintenance projects will continue to be undertaken within the water and sewer utility fund.

WATER MANAGEMENT FUND

These funds are responsible for the maintenance of the District's storm water bodies and the operation of the District's storm water discharge pumps. Their goal is to manage the District's storm water infrastructure by maintaining the water bodies in an environmentally sound manner and neat appearance, and managing the levels of the water bodies, the culverts and the pump systems so as to avoid flooding during storm events. Basin I is the eastern portion of the District, while Basin II is the much smaller, western portion of the District and is comprised of the Isles at Weston community and wetlands. Expenditures for water management services have decreased due primarily to fewer capital projects. In Fiscal Year 2023, the District will continue to respond to lake maintenance issues.

RIGHTS-OF-WAY FUND

This fund is responsible for the maintenance of landscaping, irrigation, street lighting, sidewalks, and funding of the District's portion of the Broward Sheriff's Office Community Strategies Team. Primary services are provided under contracts with BrightView and DynaServe. The purpose of the fund is to maintain and enhance the non-roadway portions of the public rights-of-way so as to enhance the value of the community. In Fiscal Year 2023, the District will continue to enhance the appearance of the community through responsive maintenance as well as the streetlight pole upgrade project.

DEBT SERVICE FUNDS

The Indian Trace Development District Debt Service Fund was established to service the debt created by the refinancing of the original Series 2003 Bonds that funded the acquisition of the storm water management infrastructure in the Isles at Weston community. The Indian Trace Debt Service Fund was established to service the debt created by the refinancing of the Basin I Series 2005 Bonds which was established to fully refund the Series 1995A Bonds and partially refund the Series 1997 Bonds, both of which were used to fund the construction of the storm water management infrastructure within the Basin. Revenue to service all debt is funded from a special benefit assessment levied upon the properties within the Basin. Below is synopsis of each Loan.

SouthState Bank - ITDD Basin I Loan 1

Issue Date: February 26, 2021
Maturity Date: February 1, 2027
Original Principal: \$26,815,000
Interest Rate: 1.99%

Balance 09-30-2022: \$20,377,322 (estimated)

SouthState Bank - ITDD Basin II Isles of Weston Loan 2

Issue Date: February 26, 2021
Maturity Date: February 1, 2033
Original Principal: \$5,510,000

Interest Rate: \$3,510,6

Balance 09-30-2022: \$4,895,537 (estimated)

PERFORMANCE MEASURES

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Waterways treated for aquatic vegetation 4 x per year	100%	100%	100%
Completed planned rights-of-way cuttings during the year	100%	100%	100%
Trimmed all City-owned palms at least 2 x per year	100%	100%	100%
Trimmed all hardwood trees as scheduled on a three-year rotation	100%	100%	100%
Preventative maintenance of wastewater all Lift Stations 4 x per year	100%	100%	100%
Preventative maintenance of all wastewater basins pipelines on a 2-year rotation	100%	100%	100%
Inspection of stormwater pump stations 1 x per week	100%	100%	100%
Waterways treated for aquatic vegetation 4 x per year	100%	100%	100%

Staffing Levels:

It is the responsibility of the service providers to provide sufficient staff within the fee structure to properly service the function.

The Fiscal Year 2023 Adopted Budget for the

Bonaventure Development District

THE CITY OF WESTON | FISCAL YEAR 2023 ADOPTED BUDGETS – OCTOBER 1, 2022 151

Bonaventure Development District Summary

INTRODUCTION

The Bonaventure Development District is a dependent Comprehensive Planning district of the City of Weston. The District's operating costs are shared with the City and the Indian Trace Development District on a pro-rated basis, enabling its residents to pay for only those costs that directly impact them. The funds of the Bonaventure District provide for: rights-of-way management, water management, capital projects and related debt service. These costs are paid for by a special assessment levied by the District on properties within the District.

WATER MANAGEMENT FUND

This fund is responsible for the maintenance of the District's storm water bodies and the operation of the District's storm water discharge pumps. Its goal is to manage the District's storm water infrastructure by maintaining the water bodies in an environmentally sound manner and neat appearance, and managing the levels of the water bodies, the culverts and the pump systems so as to avoid flooding during storm events. The District will also continue to respond to lake maintenance issues and continue its comprehensive plan of jet vacuuming storm drainage lines.

RIGHTS-OF-WAY FUND

This fund is responsible for the maintenance of landscaping, irrigation, street lighting, sidewalks, and funding of the District's portion of the Broward Sheriff's Office Community Strategies Team. Primary services are provided under a contract with DynaServe. Expenditures for rights-of-way services have increased due primarily to an increase in costs for plant replacement and tree trimming as the plant material is maturing and requires more frequent maintenance or needs to be replaced. The District will also continue to enhance the appearance of the community through responsive maintenance and the completion of various sidewalk and streetlight repairs.

PERFORMANCE MEASURES

	ACTUAL FY 2021	PROJECTED FY 2022	GOAL FY 2023
Waterways treated for aquatic vegetation 4 x per year	100%	100%	100%
Completed planned rights-of-way cuttings during the year	100%	100%	100%
Trimmed all City-owned palms at least 2 x per year	100%	100%	100%
Trimmed all hardwood trees as scheduled on a three-year rotation	100%	100%	100%
Inspection of stormwater pump stations 1 x per week	100%	100%	100%

GLOSSARY

- A -

Account. A term used to identify an individual asset, liability, expenditure control, revenue control, encumbrance control, or fund balance.

Accounting System. The total structure of records and procedures which discover, record, classify, summarize, and report information on the financial position and results of operations of a government or any of its funds, fund types, balanced account groups, or organizational components.

Accrual Basis of Accounting. The method which records revenues when earned (whether or not cash is then received) and records expenditures when goods or services are received (whether or not cash is disbursed at that time)

Ad Valorem Tax. Property taxes calculated as a percentage of the value of real or personal property. The percentage is expressed in mills (thousandths of dollars).

Appropriation. The authorization by the governing body to make payments or incur obligations for specific purposes.

Arvida or Arvida Corporation. The master developer of the majority of land within the Indian Trace Development District (see City Map).

Arvida's Weston. A common term for a portion of the Basin I of the Indian Trace Development District which was developed by the Arvida Corporation. It comprises the Indian Trace Basin I with the exception of the Emerald Estates neighborhood.

Assessed Value. A valuation set upon real estate by County Property Appraiser as a basis for levying real property taxes (Ad Valorem Tax).

Asset. Resources owned or held by a government, which have monetary value.

Assigned Fund Balance. Fund balance that reflects an intended use of resources as established by the highest level of decision making, a body designated for that purpose, or an official designated for that purpose.

- B -

Basin I (of the Indian Trace Development District). A part of the Indian Trace Development District, comprised of Arvida's Weston and the Emerald Estates neighborhood.

Basin II (of the Indian Trace Development District). A part of the Indian Trace Development District comprised of mitigation areas to the west of the developed parts of the City as well as the neighborhoods of Windmill Reserve and the Isles at Weston.

Balanced Budget – State of Florida definition. Occurs when planned expenditures equal anticipated revenues. In Florida, it is a requirement that all budgets be balanced.

- B -

Balanced Budget – Occurs when anticipated resources (revenues and use of fund balance) equal the sum of planned expenditures and contributions to fund balance.

Bonaventure. A distinct neighborhood of the City of Weston, generally located in the north-eastern quadrant of the City, west of Weston Road, south of I-75 and bounded by straight line drainage canals on its south and west sides.

Bonaventure Development District (BDD). A dependent special taxing district of the City of Weston dedicated to the provision, operation and long-term maintenance of water management and rights-of-way capital in the Bonaventure.

Bond. A written promise to pay a designated sum of money (the principal) at a specific date in the future, along with periodic interest at a specific rate. The payment on bonds are identified as Debt Service. Bonds are generally used to obtain long-term financing for capital improvements.

Bond Funds. Resources derived from issuance of bonds for specific purposes and related Federal project grants used to finance capital expenditures.

Bond Rating. A rating (made by an established bond rating company) from a schedule of grades indicating the probability of timely repayment of principal and interest on bonds issued.

Budget (capital). A fiscal year budget for capital expenditures, i.e. items or projects of significant value with a probable life of one or more years, and the means of financing them.

Budget (operating). A plan of financial operation embodying an estimate of proposed expenditures for a given fiscal year and the proposed means of financing them (revenue estimates). The term is also used for the officially authorized maximum expenditure under which a government and its departments operate.

Budget Basis. The specific method used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

Budget Document (Program and Financial Plan). The official written statement prepared by the City staff reflecting the decisions made by the Commission in their budget deliberations.

Budget Message. A general discussion of the proposed budget written by the City Manager to the City Commission.

Budget Schedule. The schedule of key dates which a government follows in the preparation and adoption of the budget.

- C -

Capital Improvement Program. A projection of capital (long-lived and significant) expenditures into the future. The method of financing is also indicated.

Capital Expenditures. An expenditure for a capital project that is not expected to result in any significant impact to operating expenses during the fiscal year.

GLOSSARY

Capital Maintenance. Recurring expenditures used to fund the maintenance of capital projects.

Capital Projects Fund. A fund used to segregate a portion of the government's equity to be used for future capital program expenditures.

Capital Outlay. Expenditures on fixed assets, which have a value of \$5,000 or more and have a useful economic lifetime of more than one year; or assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset.

Capital Project. Major construction, acquisition, or renovation activities, which add value to a government's physical assets or significantly increase their useful life. Also called capital improvement.

Committed Fund Balance. Limitation imposed at the highest level of decision making that requires formal action at the same level to remove.

Consumer Price Index (CPI). A statistical description of price levels provided by the U. S. Department of Labor. The index is used as a measure of the increase in the cost of living (i.e., economic inflation).

Contingency Account. An appropriation of money set aside for unexpected expenses. In Weston, such account is called Excess Revenue Capture.

Contractual Services. Services rendered to a government by private firms, individuals, or other governmental agencies. In Weston, a large number of services are provided on a contractual basis.

Credit Reserve Fund Balance. A minimum fund balance established as: 20% of annual General Fund appropriations exclusive of capital outlay; and 100% of appropriations in the Indian Trace Development District Water & Sewer Utility Fund exclusive of capital outlay and the water and sewer fee payments to the City of Sunrise.

- D -

Debt Service Fund. Used to account for the accumulation of resources for and payment of general long-term debt principal, interest, and related costs.

Department. A major administrative division of the City, which indicates overall management responsibility for an operation or a group of related operations within a functional area.

Disaster Management Reserve. The minimum level of reserves that are recommended to be able to respond to disaster events at certain levels.

Disbursement. The expenditure of monies from an account.

Distinguished Budget Presentation Awards Program. A voluntary award program administered by the Government Finance Officers Association (GFOA) to encourage governments to prepare effective budget documents.

- E -

Employee (or Fringe) Benefits. Contributions made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for Social Security and the deferred compensation, medical, and life insurance plans.

Encumbrance. Commitments of funds for contracts and services to be performed. When encumbrances are recorded, available appropriations are correspondingly reduced.

Enterprise Fund. Established to account for operations which are financed and operated in a manner similar to private enterprises. The expense of providing services to the public on a continuing basis (including depreciation) is financed or recovered primarily through user fees.

Estimated Revenues. Projections of funds to be received during the fiscal year.

Excess Revenue Capture. A reserve expenditure established in Weston's Incorporation Feasibility Study to be used as an emergency reserve. The City of Weston 2010 Business Plan confirmed the need for the balance of the Excess Revenues Capture to equal at least 65% of each year's budgeted expenditures less that year's Excess Revenue Capture budgeted reserve expenditure.

Expenditure. The cost of goods delivered, or services provided, including operating expenses, capital outlays, and debt service.

- F -

Financial Policy. A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs and capital investments.

Fiscal Year. The 12-month period to which the financial activities apply. The City's fiscal year begins October 1st and ends on September 30th.

Fixed Assets. Assets of long-term character that are intended to continue to be held or used, such as land, building, machinery, furniture, and other equipment.

Franchise. A special privilege granted by a government permitting the continuing use of public property, such as city streets, and usually involving the elements of monopoly and regulation.

Franchise Fees. Fees levied by the City in return for granting a privilege which permits the continual use of public property.

Fund. An independent fiscal and accounting entity with a self-balancing set of accounts. Funds are established to attain certain objectives or to segregate activities.

Fund Balance. The excess of assets over liabilities for a fund. A negative fund balance is sometimes called a deficit.

GLOSSARY

- G -

Generally Accepted Accounting Principles (GAAP). Uniform standards for financial accounting and recording, encompassing the conventions, rules, and procedures that define accepted accounting principles.

General Fund. Used to account for all activities except those required to be accounted for in a particular fund.

General Ledger. A book, file, or other device, which contains the accounts needed to reflect the financial position and the results of operations of an entity. In double entry bookkeeping, the debits and credits in the general ledger are equals.

General Obligation Bonds. Debt for the payment of which the full faith and credit of the issuing government are pledged.

Goal. An attainable target for an organization; an organization's vision of the future.

Grant. A contribution by one governmental unit to another. The contribution is usually made to aid in the support of a specified function, but it is sometimes also for general purposes.

- 1 -

Indian Trace. A distinct neighborhood of the City of Weston, generally located east of US 27, south and west of I-75, and north of Griffin Road.

Indian Trace Development District (ITDD). A dependent special taxing district of the City of Weston dedicated to the provision, operation and long-term maintenance of water management and rights-of-way capital in the Indian Trace section of the City.

Infrastructure. The physical assets of a government (e.g., streets, water, sewer, public buildings and parks).

Infrastructure Reserve Fund Balance. A fund balance accrual established to segregate contributions to fund routine infrastructure projects, maintenance, and equipment to ensure that resources are available to complete these tasks. It encourages planning for ongoing capital maintenance and equipment; it avoids deferring necessary upkeep and replacement; and it distributes the costs equitably to property owners over the years.

Inter-fund Transfer. Transfers of assets from one fund to another.

Intergovernmental Revenue. Monies received from federal, state, and other local governmental sources in the form of shared revenues.

- L -

Liabilities. Debts or other obligation arising out of transactions in the past, which must be liquidated, renewed, or refunded at some future date. This term does not include encumbrances.

Line Item. A specific item defined by detail in a separate account in the financial records. Revenue and expenditure justifications are reviewed, anticipated and appropriated at this level.

- M -

Mill of Tax. A rate of tax equal to \$1 for each \$1,000 of assessed property value. For instance, if a property has a taxable value of \$250,000 and the millage rate is 1, then the tax amount would be \$250.

Millage Rate. One mill equals \$1 of tax for each \$1,000 of property value. The millage rate is the total number of mills of tax assessed against this value.

Modified Accrual Accounting. A basis of accounting in which revenues are recorded when collectable within the current period or soon enough thereafter to be used to pay liabilities of the current period, and expenditures are recognized when the related liability is incurred.

- N -

Nonspendable Fund Balance. Net resources that cannot be spent because they are inherently nonspendable (inventories or prepaid expenditures) or because legal or contractual provisions require that they be maintained intact.

- O -

Objective. A specific, measurable and observable activity which advances the organization toward its goal.

Objects of Expenditure. Expenditure classifications based upon the types or categories of goods and services purchased.

Obligations. Amounts which a government may be required to meet out of its resources. They include not only actual liabilities, but also encumbrances not yet paid.

Operating Revenue. Monies that the government receives as income to pay for ongoing operations. It includes such items as taxes, fees from specific services, interest earning, and grant revenues.

Ordinance. A formal legislative enactment by a local government.

- P -

Personal Services. Expenditures for salaries, wages, and related employee benefits.

Policy. A plan, course of action or guiding principle, designed to set parameters for decisions and actions.

Productivity. A measure of output compared to the resource invested.

Programs and Objectives. The descriptions of the structure, purposes, activities, tasks and volumes or frequencies of each organizational unit shown in the budget.

Property Tax Rate. A tax based on the value of the property. It is also called an Ad Valorem tax. The tax is determined by multiplying the taxable value of the property by the millage rate.

GLOSSARY

- R -

Reserve. An account used either to set aside revenues that are not required for expenditure in the current fiscal year or to earmark revenues for a specific future purpose.

Resolution. A written motion adopted by a deliberative body.

Restricted Fund Balance. Limitations imposed by externally enforceable restrictions on use such as creditors, grantors, contributors, or laws and regulations of other governments.

Revenue. Monies the City receives from a variety of sources such as taxes, fees and charges, grants, etc. that it uses to pay for service delivery and other items.

Risk Management. The identification and control of risk and liabilities to conserve resources from accidental loss.

Rollback Millage Rate. The millage necessary to raise the same amount of Ad Valorem tax revenue as the previous year, excluding taxes from new construction. It represents the millage rate level for no tax increase.

- S -

Special Assessment. A compulsory levy made against certain properties to defray part or all of the cost of a specific improvement or service deemed to primarily benefit those properties. Some tax-exempt property in the affected area will also have to pay the special assessment. In Weston, there are currently special assessments for the Indian Trace and Bonaventure Development Districts, the Fire Protection Services and the Solid Waste Collection Services.

Special District. A special-purpose local government used to provide specific services to a defined geographic area. The Indian Trace Development District and Bonaventure Development District are both dependent special districts within the City of Weston. A dependent special district is one whose board or the elected officials making decisions are those of another entity.

Surplus. The use of the term "surplus" in governmental accounting is generally discouraged because it creates a potential for misleading inference. Unassigned fund balance is used instead. The concept of "net worth" in commercial accounting is comparable to "fund balance" in government accounting. That portion of the fund balance, which is not designated for specific purposes or obligations, is called the unassigned fund balance.

- T -

Tax Base. Total taxable assessed valuation of real property.

Tax Levy. The total amount to be raised by general property taxes for purposes specified in the Tax Levy Ordinance.

Taxing Limit (Limitation of Millage). The maximum rate at which the City may levy a tax, which for Florida municipalities is 10 mills, or \$10 per \$1,000 of assessed value.

Truth-in-Millage (TRIM). A statement sent to all taxpayers in Florida advising them of the changes in the specific amounts of taxes they may be required to pay in the upcoming year and providing them with information on public hearing dates during which these tax levies will be decided (section 200.065, Florida Statutes).

- U -

Unassigned Fund Balance (residual net resources). In the General Fund only, total fund balance in excess of combined nonspendable, restricted, committed, and assigned fund balance (surplus) or combined nonspendable, restricted, committed, and assigned fund balance in excess of total fund balance (deficit).

User Fees. Charges for specific services provided only to those paying such charges.
