

## ADDENDUM NO. 2

RFQ TITLE: Professional Engineering Design Services: Bonaventure Boulevard Bicycle Lanes  
- Indian Trace to SR-84

RFQ NO: 2023-11

DATE: November 21, 2023

To All Proposers:

Proposers for the above referenced RFQ shall take note of the following changes, additions, deletions, clarifications, etc., to the RFQ documents, which shall become a part of and have precedence over anything shown or described otherwise.

### A. CHANGES IN THE BID DOCUMENTS

1. Section 4.1 – A., Number of Proposals, of the RFQ document has been changed to read as follows:

#### A. Number of Proposals

~~One (1) complete bound copy of the Proposal,~~ One (1) unbound original Proposal and one digital copy in PDF format on a USB drive, are required to be submitted to the CITY by the date and time indicated above. Each copy should contain all mandatory and optional information submitted by the PROPOSER. Additional copies may be requested by the CITY at its discretion.

2. Section 4.3, CHAPTER 1- A, Cover Sheet, item no. 5 (page 18) is hereby deleted.

### B. CLARIFICATIONS

None.

### C. QUESTIONS FROM PROPOSERS

1. Q: What is the estimated budget for this project?

A: The estimated design budget is \$478,000.00.

2. Q: How many copies of the proposal must be submitted?

A: See Section A, Item No. 1 as stated herein.

3. Q: Can you please share the list of Attendees for the pre-proposal conference?

A: The list has been attached herewith for your review.

4. Q: On page eighteen of the RFQ on Chapter One, item five. It says proposal should indicate category being submitted for evaluation, which categories are those.

A: See Section A, Item No. 2 as stated herein.

5. Q; Where in the proposal, would you like us to include our state of Florida license?

A: Refer to Section 4.1 – D., Proposal Format, of the solicitation document.

**END OF ADDENDUM NO. 2**

**All other information remains as originally described in the solicitation.**
