You must first open the "participants" list to see the "raise hand" icon next to your name in the list. The "participant's" icon is one of the icons on the bottom of the screen while a meeting is in progress. To raise your hand, hover over your name in the participants list and select "raise hand". A small hand icon will be placed next to your name in the participants list. The meeting Host will individually unmute each attendee in the queue to speak. Each speaker will be allowed up to 3 minutes. Please note, public attendees will only have audio capabilities during the meeting.
